Steven Maness

Appellant

v.

**Gunter Heating & Air/Teddy L. Gunter, State Farm Fire and Casualty Co.,
Defendants,
Of which Gunter Heating & Air/Teddy L. Gunter are the Respondents.**

MOTION TO AMEND APPELLANT'S DESIGNATIONS - RECORD ON APPEAL

Appellant, Steven Maness respectfully moves this Court for Appellant to amend designated list for Record on Appeal. In support of this motion, Appellant states:

1. Appellant has already placed these documents into the ROA delivered to Respondent on November 21, 2025: Motion and Order to Compel issued by Judge GD Morgan on January 22, 2024.
2. While the Court's published guidelines appear to require "Orders" as a primary category and would by default include this, being a relevant Order issued by the lower Court, Appellant now wishes to formally amend the listing.
3. The subject Order issued by the Court is very relevant to the case and now appeal, was discussed in the Motion for Summary Judgment in front of Judge Morgan, maintained in Appellant's Motion to Reconsider and clearly prominent in the Appellant's brief as written and previously submitted to the Court.
4. Not having listed this document was an error during completion of initial brief. This neither introduces a new argument nor requires modification of initial brief other than adding a respective reference. Furthermore, not having this document in the ROA, we believe would be prejudicial to Appellant.

5. The filing fee of \$50.00 is being mailed and on the way to the Court.
