THE FOLLOWING EXHIBITS ARE ON FILE WITH THIS COURT:

DEFENDANT’S EXHIBIT #52 (BENNIE HAYNESWORTH INTERVIEWS)

1 you in the witness stand then we'll swear you once the jury
2 comes in.

3 MR. BUTCHER: And, Your Honor, we've had several
4 discussions with our client about it. We wanted to renew
5 our objections about -- under the Colf, Colf, Colf factors,
6 Colf?

7 THE COURT: I don't know how to pronounce it either
8 but---

9 MRS. BUTCHER: C-O-L-F.

10 THE COURT: ---Colf maybe.

11 MR. BUTCHER: Colf.

12 MRS. BUTCHER: Colf.

13 MR. BUTCHER: Just for the record and we'll, we'll do
14 it again before cross-examination.

15 If we can just say renew our objections, Your Honor?

16 THE COURT: Sure.

17 Just for the record, you're objecting to the State
18 being able to impeach him with evidence of those --

19 MR. BUTCHER: Yeah.

20 THE COURT: -- prior crimes that we've discussed
21 earlier?

22 MR. BUTCHER: Yes, Your Honor.

23 THE COURT: Okay.

24 MR. BUTCHER: And obviously if we had produced them
25 beforehand, we'd waive it.

1 THE COURT: I understand.

2 Okay. We're ready for the jury.

3 (WHEREUPON, the following takes place within the
4 presence of the jury.)

5 THE BAILIFF: The jurors are all seated, Your Honor.

6 THE COURT: Thank you.

7 THE BAILIFF: Sir, will you---

8 MRS. BUTCHER: Your Honor, we---

9 THE BAILIFF: Oh, I'm sorry. Please raise your
10 right-hand.

11 MRS. BUTCHER: Your Honor, we, we would call Demetrius
12 Brown to the stand.

13 THE BAILIFF: Sir, will you stand and raise your
14 right-hand please?

15 State your name.

16 THE WITNESS: Demetrius Brown.

17 THE COURT: Louder.

18 THE WITNESS: Demetrius Brown.

19 THE BAILIFF: Please speak a little louder.

20 THE WITNESS: Demetrius Brown.

21 DEMETRIUS BROWN, having first duly
22 affirmed, testifies as follows:

23 THE BAILIFF: Thank you. State your name and spell
24 your last name for the record and speak into the mic.

25 THE WITNESS: Demetrius Brown. B-R-O-W-N.

Demetrius Brown - Direct examination
By Mrs. Butcher

1 DIRECT EXAMINATION

2 BY MRS. BUTCHER:

3 Q Mr. Brown, you can take your mask off now while you're
4 --.

5 A Okay.

6 Q Yeah. Mr. Brown, let me ask you this.

7 Isn't it true that you were convicted, excuse me,
8 convicted of a burglary third, three counts, in March of
9 2017?

10 A Yes.

11 Q That's a felony?

12 A Yes.

13 Q And you're also I think pled guilty to forgery in
14 March, 2017?

15 A Yes.

16 Q And that was a felony?

17 A Yes.

18 Q Additionally, another forgery in 2019?

19 A Yes.

20 Q And that was a felony?

21 A Yes.

22 Q And in the State of Florida, grand theft third, which
23 is a felony, three counts, in 2013?

24 A Yes.

25 Q Okay. Now, what is your religion?

Demetrius Brown - Direct examination
By Mrs. Butcher

- 1 A Islam. I'm Sunni Muslim.
- 2 Q Say that again.
- 3 A Sunni Muslim.
- 4 Q Muslim?
- 5 A Yes.
- 6 Q Okay. Now, did Seneca Moore and Lonnie Pack know that
- 7 you were Muslim?
- 8 A Yes.
- 9 Q Okay. And did you often wear I believe it's called a
- 10 kufi?
- 11 A Yes.
- 12 Q Okay. That is a religious -- can you describe---
- 13 A A head---
- 14 Q ---what that is?
- 15 A Religious headwear.
- 16 Q Okay. Can you please tell me what happened on August
- 17 the 11th, 2018?
- 18 A Well, that afternoon, Mr. Steve, he called me and asked
- 19 me did I have the screws to the manifold for the X5 he was
- 20 working on for me and asked me can I bring it down to the
- 21 shop. So, I came down there, brought the screws to him, and
- 22 we hooked up the truck up on battery charger because it
- 23 wasn't -- the battery was dead on it.
- 24 And I talked a little bit to him while he was working
- 25 on the fuel pump and also to Shawn while she was inside the

Demetrius Brown - Direct examination
By Mrs. Butcher

1 garage. And I called Bennie so we could talk about -- with
2 Steve so he could get ahead and lease half of the bay for
3 the shop so he could work on cars at that shop cause he
4 ain't have a shop at that time. And he said he would be
5 about an hour.

6 So, I told him I'd sit, sit and wait on him. So, I
7 went back to my truck and sat in the truck with the window
8 down talking to Mayfield while he was working on his van.
9 And, all of a sudden, after a while, that 300 pulled up.

10 Q Is that the Chrysler 300?

11 A Yeah, the Chrysler 300 pulled up and they jumped out
12 the car leaving all the doors open. Lonnie came to my, my
13 window and the other two went to the driver's side rear of
14 the vehicle like walking around the other side.

15 So, I asked them and I said what's, what's up, what's
16 going on. He told me to hold up a second. That's when he
17 got on his phone, had it on speakerphone, and it rung for a
18 little bit and somebody answered. When the person answered,
19 he was like I got that nigga D. right here, what you want me
20 to do with him. And the person on the phone said why the F
21 you calling me. Do what I tell you to do.

22 Q And I'm gonna just pause you for a second.

23 That's Lonnie that's talking on the phone?

24 A Yeah.

25 Q Not the two individuals that were---

Demetrius Brown - Direct examination
By Mrs. Butcher

1 A No.

2 Q ---at the back of your car?

3 A No.

4 Q Okay.

5 A So he hangs up and he says get out the truck and I said
6 I ain't getting out nothing. I ain't getting out nothing
7 and he pulled on the door. I tried to pull it back the
8 first, the first time. He went, you know what I'm saying,
9 for the gun when it -- when he came up, I hit him on --
10 like, like palm striked him on the thing. The gun had went
11 up and we, we was tussling for the gun. It went off.

12 I see the other two run off. I don't know where they,
13 where they went. But I got control of the gun now. Lonnie
14 backing up with his hands up towards his vehicle on the
15 driver passenger -- I mean on the passenger side of the car.
16 I told him to stop. I said don't, don't even move cause I
17 was, I was hoping somebody, you know what I'm saying, would
18 call somebody right there.

19 He kept on moving. I got scared that he was gonna get
20 another weapon or something out the vehicle cause, you know
21 what I'm saying. Me dealing with him, that -- that's why he
22 don't do. So, I, I shot twice and the bullet, the second
23 bullet, had got jammed up in the, in the gun. So I
24 retracted that and took the magazine, threw the gun down,
25 got back in the truck.

Demetrius Brown - Direct examination
By Mrs. Butcher

1 When I got back in the truck, I had sat for a second.
2 And not knowing where the other two left, I mean I, I wasn't
3 trying to stay around and have the, the -- they had a gun or
4 something. So, I backed my vehicle up, went out, and
5 started driving.

6 When I got on the road, it clicked in me I know that
7 voice who's on the phone. So, I text the person who I
8 thought was on the phone. I said now, what you, you put
9 hits on, on real brothers now. The person text back to me
10 keep my name out your mouth or something like that.

11 So I said nah, I don't try it now. Lonnie just rolled
12 on me and he asked what to do to me and you -- and, you know
13 what I'm saying, he asked what to do with me. Stop for law.
14 Stop for law in Everette (phonetic) mean, you know some God
15 forbid. And he said I'm not no sucker or whatever else he
16 said and then he said I'm on my way.

17 So, I'm like -- I'm thinking like on my way, how would
18 he even know where I'm at, you know what I'm saying. So,
19 you know --.

20 Q Okay. I'm gonna show you that what's been introduced
21 as Defendant's 6.

22 when you look at this drawing -- can you see this?

23 A Yes.

24 Q Okay. whose, whose car is this right here that I'm---

25 A That---

Demetrius Brown - Direct examination
By Mrs. Butcher

1 Q ---pointing to?

2 A That's Lonnie's with all they doors opened.

3 Q Okay. And was that car facing yours when it pulled up?

4 A Yes.

5 Q Okay. The next vehicle down, what is that?

6 A That's my truck.

7 Q Okay. And I see the three dots around it.

8 Now, is this the position that the two individuals took
9 up behind your truck?

10 A Yes.

11 Q Okay. And that's behind what represents your vehicle,
12 was another vehicle parked behind you?

13 A Yes. But I can't remember what it was though but yes.

14 Q Okay. So, when Lonnie pulled up, were you blocked in?

15 A Yes.

16 Q Okay. And did these individuals surround your car?

17 A Yes.

18 Q Okay. Did you know the two individuals that took up a
19 position behind your car?

20 A No, I never seen them before.

21 MRS. BUTCHER: Okay. Your Honor, I would -- let me ask
22 you one more thing.

23 And is this an accurate drawing of how those cars and
24 people were positioned that day?

25 A Except for the fact that my door wasn't opened until

Demetrius Brown - Direct examination
By Mrs. Butcher

1 after the fact.

2 MRS. BUTCHER: Okay. Your Honor, I would like to move
3 this into evidence or -- oh, it's -- is this in or is it for
4 identification?

5 THE COURT: I'm showing it is in evidence.

6 MRS. BUTCHER: Okay. Your Honor, I apologize. This
7 sticker said for identification. I -- okay. But it is in
8 evidence.

9 THE COURT: It is.

10 MRS. BUTCHER: Okay. Make sure.

11 Mr. Brown, I'm gonna hand you a stack of papers.

12 would you please look at that and tell me if you
13 recognize what that is?

14 A Yes, it's, it's coming from my Facebook Messenger.

15 Q And this is what has been -- this is 46.

16 Is this in evidence?

17 A No.

18 THE COURT: 46 is not yet in evidence. It was marked
19 for identification only---

20 MRS. BUTCHER: Oh.

21 THE COURT: ---at this point.

22 MRS. BUTCHER: Okay. And I'm -- and I apologize. The
23 stickers.

24 THE COURT: I'm sorry.

25 MRS. BUTCHER: Your Honor, I would like to put -- okay.

Demetrius Brown - Direct examination
By Mrs. Butcher

1 And you said you did recognize this?

2 A Yes.

3 Q And what is it?

4 A My Facebook Messenger.

5 MRS. BUTCHER: Okay. And, Your Honor, I would like to
6 move this in as Defendant's 46.

7 SOLICITOR FINNEY: Same objection, Your Honor. We
8 haven't had any description as to whose -- how the messages
9 got in there, or who put them in there, when they put them
10 in there, if they're three weeks before the event or three
11 weeks after the event. They have no relevancy for the
12 events that we're here to talk about.

13 MR. BUTCHER: Can we go to side---

14 MRS. BUTCHER: Yeah.

15 Can we go to side?

16 THE COURT: Okay. Let's -- I'm, I'm gonna release
17 y'all back to the jury room for just a few minutes while we
18 discuss an issue of law. Don't begin discussing the case
19 please.

20 (WHEREUPON, the following takes place outside the
21 presence of the jury.)

22 MRS. BUTCHER: It --.

23 THE COURT: Okay. So, tell me what your objection is,
24 Mr. Finney.

25 SOLICITOR FINNEY: Your Honor?

Demetrius Brown - Direct examination
By Mrs. Butcher

1 THE COURT: And do y'all have a copy that you can hand
2 me while we're talking about it?

3 SOLICITOR FINNEY: I can give you my copy, judge.
4 Is it 46?

5 MRS. BUTCHER: It's 46.

6 SOLICITOR FINNEY: Okay. This is an 88 page document
7 that is marked as Defense 46 for ID.

8 Your Honor, I -- again, I understand that the witness
9 had a Facebook account but they're trying to put in 88 pages
10 of Facebook material that Mr. Brown did not create all of.
11 If they are -- and I don't know the relevancy of any of it
12 and -- as to the conflict between Lonnie Pack and D. Brown.

13 They have, they have talked about a man named Seneca.
14 Apparently he wasn't there. Apparently he didn't, I
15 don't -- I guess he did put some of the Facebook stuff in
16 but he's not on trial. And, and as far as I know, Lonnie
17 Pack is not in any way involved in Facebook commentary.

18 So, I'm, I'm, I'm constrained to understand why the
19 jury needs to understand what was going on between Mr. Brown
20 and Mr. Seneca and, and I don't know the period of time.
21 And so for all---

22 THE COURT: Well, we know the period of time that --
23 okay. The first issue is I mean this has been authenticated
24 that these are, in fact, the records from his Facebook page.
25 So, we don't have any issue with authentication. So really

Demetrius Brown - Direct examination
By Mrs. Butcher

1 the issue is relevance. I mean these are the contents of
2 his Facebook page and I understand they're --.

3 SOLICITOR FINNEY: I got -- my concern, Your Honor, is
4 if Lonnie Pack had put something on Mr. Brown's Facebook
5 page, it would be relevant. If Mr. Brown said something
6 about Lonnie Pack on his Facebook page, that would be
7 relevant. But I don't understand the relevancy of anything
8 else to this trial and I believe a lot of that material is
9 before the event in question and after the event in
10 question.

11 MRS. BUTCHER: And -- yeah.

12 And, and, Your Honor, again, as, you know, just with
13 the pictures that were on the Lonnie Pack phone, we were
14 presenting that -- and this is the State -- what the State
15 turned over to us to show---

16 THE COURT: I understand.

17 MRS. BUTCHER: ---that it is indeed---

18 THE COURT: But that doesn't necessarily
19 automatically---

20 MRS. BUTCHER: Yeah.

21 THE COURT: ---mean that it's admissible.

22 MR. BUTCHER: Admiss -- and a lot of that to show that
23 it is Mr. Brown's Facebook.

24 what we do have in here are the text messages between
25 Seneca and Mr. Brown. Also where Mr. Brown sent these text

Demetrius Brown - Direct examination
By Mrs. Butcher

1 messages because he was scared. So he sent them to other
2 people.

3 THE COURT: Okay. What are you -- tell me where you
4 were contending that there were messages coming from Seneca.

5 MRS. BUTCHER: Your Honor, that was Exhibit 45 that is
6 out of 46. Your Honor, those are text messages where he
7 spoke with Seneca the day before and the day of the event
8 where they were texting.

9 SOLICITOR FINNEY: And Lonnie Pack's name is not in
10 there anywhere.

11 THE COURT: And -- I'm sorry.

12 If y'all can point me again to -- this is No. 45.

13 MRS. BUTCHER: Or -- it's Defendant's 45, Your Honor.
14 This is the day before the incident where they were having a
15 cookout on my client's birthday. It's call me, 9-1-1. That
16 is Seneca and then---

17 THE WITNESS: No.

18 MRS. BUTCHER: Huh?

19 Have I got that backwards?

20 THE COURT: It looks like -- I'm looking -- I'm seeing
21 it on Page 34. Looks like it appears at least the first
22 time on Page 34 of 88 looking at Defendant's 46.

23 MRS. BUTCHER: And --.

24 THE COURT: So, correct me if I'm wrong, this appears
25 to be Mr. Brown sending a screenshot to somebody of what

Demetrius Brown - Direct examination
By Mrs. Butcher

1 Seneca texted to him.

2 MRS. BUTCHER: I believe the actual texts are in here
3 all --

4 THE WITNESS: No.

5 MRS. BUTCHER: -- or it may be the screenshot. He
6 still authenticated that, Your Honor.

7 MR. BUTCHER: Yes.

8 MRS. BUTCHER: Yes. And, again, like I, I think it's
9 already been stated, this is to show his state of mind.

10 SOLICITOR FINNEY: Whose state of mind, Your Honor?

11 MR. BUTCHER: Mr. Brown's state of mind.

12 MRS. BUTCHER: And we can continue with the testimony,
13 Your Honor, if you want to proffer it first.

14 THE COURT: Sure.

15 MRS. BUTCHER: You want me to continue with the
16 questioning, Your Honor?

17 THE COURT: This happened on what date, August 14th?

18 MRS. BUTCHER: August 11th.

19 SOLICITOR FINNEY: August the 11th.

20 MRS. BUTCHER: August the 11th.

21 THE COURT: Okay. Because, I mean y'all correct me if
22 I'm wrong, it looks like this was sent -- it says author --
23 I'm looking at Page 36 of 88. It says author D. Brown.
24 Sent 8/12/2018.

25 MR. BUTCHER: Your -- and Your Honor---

Demetrius Brown - Direct examination
By Mrs. Butcher

1 MRS. BUTCHER: And if you---

2 MR. BUTCHER: Could I, could I short circuit this a
3 tiny bit?

4 MRS. BUTCHER: You can go back---

5 MR. BUTCHER: So, if -- he took the screenshots of it
6 on the day of. He was afraid he was gonna in your -- the
7 testimony will show anyways that he sent it for a particular
8 reason on the 13th and the 14th, and we can proffer that
9 to go ahead and lay a better foundation and then have it to
10 have a -- give the Court a better opportunity to see the,
11 the reasons.

12 THE COURT: Okay. Go ahead.

13 CONTINUED DIRECT EXAMINATION

14 BY MRS. BUTCHER:

15 Q Okay. I'm gonna hand you Defendant's 45 that's not in
16 evidence.

17 Can you tell me what these conversations are and with
18 whom and when this was done?

19 A That was the day before between me and Seneca.

20 Q Okay. And were y'all happy or what was going on that
21 day?

22 A He was asking me a bunch of questions about, about a
23 situation with me putting the situation about him being a
24 rat or whatever out and he was upset about it. And I was
25 telling him, you know what I'm saying, he need to go talk to

Demetrius Brown - Direct examination
By Mrs. Butcher

1 whoever came to him about it, you know what I'm saying.

2 Q Okay.

3 A And, as you see in the text messages, he said I see you
4 tonight, get ready, you know what I'm saying. I ain't think
5 nothing else of it until, like I said, after I recognized
6 his voice who Lonnie was talking to on the phone.

7 Q Uh-huh. (Affirmative).

8 A And I text him and that's when I put in there so you
9 put a real hit on a bro. And he text me back don't text me,
10 dude. I'm out here daily. Keep my name out your mouth.
11 Then I text him back. Nah, don't try to back out now.
12 Lonnie just rode on me and called you and asked what to do
13 with me and I heard your voice, stop for law, which means
14 God forbid and he text me back. I'm prepared for whatever,
15 dude. Stay there nigga. I'm not a sucker. On the way.

16 Q Okay.

17 A Now I never talked to him. So I don't how he even know
18 where, where I was at or where I was suppose to be at.

19 Q Uh-huh. (Affirmative).

20 A See what I'm saying?

21 So, after this incident, I immediately screenshotted it
22 --

23 Q Uh-huh. (Affirmative).

24 A -- and sent it to multiple people to let them know what
25 was going on in case something happened to me.

Demetrius Brown - Direct examination
By Mrs. Butcher

- 1 Q Uh-huh. (Affirmative).
- 2 A I -- and I screenshot it the same day too --
- 3 Q Uh-huh. (Affirmative).
- 4 A -- which is in 46.
- 5 Q Yeah. It's Page---
- 6 A It's earmarked on --.
- 7 Q ---30 -- is it 36, sir?
- 8 A No, 46. It's earmarked on my copy over there that the
- 9 exact on the, on the 11th. I sent it on the same day --
- 10 Q okay.
- 11 A -- on, on my copy. I can show you where it's at.
- 12 Q well, just a second. I think that was Page 34. Page
- 13 46. okay.
- 14 A I sent like three or four copies on, on the day of and
- 15 I sent a couple more days where I was still gone to other
- 16 people to let them know because I had got another text from,
- 17 on Messenger, from the, the -- from the Sharneka girl
- 18 talking about she was gonna come get me or whatever. So I
- 19 screenshotted that as well and sent that out to people too
- 20 and let them know what was going on with that too.
- 21 Q okay. You did this because you were scared?
- 22 A Yes.
- 23 Q Okay. But -- and those are the texts between you and
- 24 Seneca when -- and you're talking about what Lonnie---
- 25 A Yeah.

Demetrius Brown - Direct examination
By Mrs. Butcher

1 Q ---did to you?

2 A Yes. It was after -- actually right not too long ago
3 after that. The actual text was at four o'clock.

4 Q Okay. And that was right after the incident --

5 A Yes.

6 Q -- with Lonnie?

7 A Yes.

8 Q where he pulled the gun on you?

9 A That's why I said nah, I -- don't try to back out.
10 Lonnie just rode on me and called you and asked what to do
11 with me. I heard your voice. Stop for law.

12 Q Okay. And I'm also going to show you Defendant's 47,
13 which is the gray one.

14 Do you recognize that?

15 A Yeah, that's the -- what I got the, the following day
16 on the, on the Sunday from the Sharneka telling me that she
17 see me on sight, I'm dead on sight for if you really killed
18 my people. She been wanting to get me or whatever and she
19 hope the police get, get you before we do and you already
20 know what it say after that.

21 Q Does it say -- can you read what it actually says?

22 A The whole thing?

23 Q Um. Yeah.

24 A If I see, see you dead on -- if I see you, dead on
25 sight. You dead on sight. If, if you really killed my

Demetrius Brown - Direct examination
By Mrs. Butcher

1 peoples, you won't have to worry about the police because I
2 been had you. I have been -- I mean I been had want you and
3 I knew you was going to slip up. Your, your a word is
4 grass. You better hope the police get you before we do. F
5 boy and then --.

6 Q All right. And then---

7 A And then I never responded. So later on she text me
8 man, just let us know where you at so you get this straight.
9 Love B.

10 Q Okay. And in the thicker packet on Page 4, is that
11 showing where it came into your phone---

12 A Yeah.

13 Q ---where Sharneka---

14 A That's where that came into my Messenger.

15 Q Your messenger?

16 A Yeah.

17 Q And I thoroughly apologize for my technology knowledge.
18 Okay. And that shows that was on 8/14/2018?

19 A No.

20 Q Is that right?

21 A Right here. I got it highlight.

22 Q Oh, down below.

23 okay. 8/12---

24 A Yeah.

25 Q ---2018?

Demetrius Brown - Direct examination
By Mrs. Butcher

1 A The next day.

2 Q The next day.

3 THE COURT: Okay. My feeling is that the No. 45, which
4 indicates a conversation with this person contemporaneously
5 with the events of August 11th, very close in time, would
6 be admissible.

7 The text message from Sharneka Wilson that came after
8 the incident, I don't find that to be relevant to any issue
9 in the case. The threats were made after the fact.

10 MRS. BUTCHER: And, Your Honor, I think it also went to
11 his state of mind as to why he got out of the State at that
12 time, that he wasn't fleeing law enforcement. He was scared
13 for his life. That was the purpose of that. He was still
14 being, being threatened.

15 THE COURT: Do you want to address that?

16 SOLICITOR FINNEY: Well, he can testify to that if, if
17 he wants to but Sharneka can't help him with that one.

18 MRS. BUTCHER: Well, she---

19 MR. BUTCHER: That does.

20 MRS. BUTCHER: These is -- this is threatened saying
21 I'm gonna kill you. I hope we find you. We're looking for
22 you and you better hope the police find you, cause if we
23 find you, you're dead.

24 MR. BUTCHER: It's not for the truth of the matter.

25 MRS. BUTCHER: Yes.

Demetrius Brown - Direct examination
By Mrs. Butcher

1 And, again, Your Honor, that is for his state of mind
2 as to why he did leave the State. I think the State has
3 tried very hard to put him as someone who is just a --
4 fleeing and, Your Honor, we ask that it would come in as the
5 basis of why he was out of the State.

6 THE COURT: Anything else, Mr. Finney, before I rule?

7 SOLICITOR FINNEY: well, I don't want to take the
8 Court's -- I don't -- so, are you gonna rule on 46 and
9 you -- I think you just ruled on 47. I think you ruled on
10 45.

11 But what about 46?

12 And, and, again, this is a trial concerning Mr. Pack
13 and whether his life was ended illegally and I don't
14 understand why his concern about Mr. Seneca would have any
15 affect on us here unless he can show -- the, the messages
16 don't show any concern.

17 He, he had a beef with Seneca for some time apparently
18 about an automobile apparently. But that doesn't have
19 anything to do with Lonnie. The testimony that the Court
20 has heard so far is that Lonnie Pack's number was in this
21 man's phone and it was never used. And as far as we know,
22 D. Brown never called Lonnie Pack.

23 So, he's seeing Lonnie Pack roll up in the, in the
24 silver car shouldn't of triggered anything because these
25 text messages were 20 minutes after he shot Lonnie Pack

Demetrius Brown - Direct examination
By Mrs. Butcher

1 dead.

2 MRS. BUTCHER: Your Honor?

3 SOLICITOR FINNEY: He didn't know this information
4 before. This is---

5 MRS. BUTCHER: Your Honor?

6 MR. BUTCHER: Mr.---

7 THE COURT: Okay.

8 MRS. BUTCHER: ---Brown---

9 THE COURT: My ruling is I'm allowing No. 45. It looks
10 to me like this has got a lot of stuff in it that may or may
11 not be admissible. I'm gonna allow 47.

12 SOLICITOR FINNEY: Forty-seven, Your Honor?

13 MRS. BUTCHER: Yes.

14 SOLICITOR FINNEY: The one page?

15 THE COURT: Correct.

16 SOLICITOR FINNEY: All right.

17 THE COURT: For the purpose of showing his state of
18 mind afterward. But I haven't been through every page of
19 No. 46 here that seems to contain a whole lot of stuff
20 before and after.

21 Is a lot of this just duplicative?

22 SOLICITOR FINNEY: Yes, ma'am, there is some
23 duplication and there is some -- there is all kinds of stuff
24 about food and who -- just a lot of stuff.

25 MRS. BUTCHER: And, Your Honor, there -- yeah, it, it

Demetrius Brown - Direct examination
By Mrs. Butcher

1 could -- Robert has looked at this closer. If you don't
2 mind him briefing this, there are other things. I think he
3 can find them much quicker. There's -- and we don't mind
4 taking out some of this but there is a lot of that in there
5 I think that is relevant.

6 MR. BUTCHER: So, quickly, Your Honor, these, these are
7 obviously organized by threads and, and with people who he
8 is having conversations with.

9 So, you know, for instance, if, if we go ahead and
10 start -- here we go. I'm gonna go ahead and start say on
11 Page 25. So, it, it does have a bunch of unnecessary stuff.
12 But if you continue to page down and follow the column of
13 this particular thread, you eventually get to -- actually
14 I -- I'm, I'm -- I misspoke.

15 Go to Page 30 and that's Linda Denise Brown, and, you
16 know, you'll, you'll later find out who she is. But on the
17 third -- on, on -- looks like the third communication to
18 his -- to that woman on the 12th at 1:41 if you look at
19 Page 31, he sends a copy of a screenshot of the text, and
20 then the next couple minutes he sends a second screenshot of
21 a different text. And then it, then it goes on. So it's
22 multiple text sending to his mother.

23 Then you go on. You got Page 40 and actually that
24 looks to be the same person. I'm trying to find a new
25 thread. Oh, we've got a thread with Chris McGee. It's --

Demetrius Brown - Direct examination
By Mrs. Butcher

1 I'm trying to find the, the beginning of it.

2 Oh it starts on 35. But you'll start to see and it
3 says participants, Chris McGee and D. Brown, and you'll see
4 additionally. It's another person he sent these out to out
5 of concern.

6 So, from that prospective, it's very hard to root out
7 what's there when it's organized by the person. You -- when
8 you go through the Facebook data that was turned over by the
9 State, you can't organize it. It's, it's in HTML, HTML
10 format, which is essentially the format you would see if you
11 were looking at a web page. They give you a web page that
12 you can't change.

13 You know, other databases, you, you know, like the
14 other one that, that Mr. Finney brought for the phone, you
15 can organize by date. You can organize by telephone number,
16 contact name, that type stuff. You can't do it with this.
17 So, that's how these conversations are organized on who he's
18 sending this information to.

19 So -- and there aren't any lines or anything helping
20 direct it. You've just got to page through, find the
21 beginning of the conversation with the participants, and
22 then the list of conversations.

23 So, breaking it up, you know, and you can make the
24 decision as to whether it's confusing if you have a
25 beginning of a conversation and then a four page blank

Demetrius Brown - Direct examination
By Mrs. Butcher

1 before there's something more relevant to this. You know,
2 obviously, we can put in whatever the Court determines.

3 THE COURT: Okay. So, it looks like it's repeated the
4 same texts over and over again and I'm just---

5 MRS. BUTCHER: It's, it's just -- it's the same. It's
6 just different -- to different people.

7 THE COURT: Okay. How about 84, 85, this looks like
8 --?

9 MRS. BUTCHER: Pages?

10 THE COURT: Pages 84 and 85.

11 MRS. BUTCHER: Okay.

12 THE COURT: Looks like a screenshot from a Delshond
13 Rudd.

14 Does that have any significance?

15 Looks like this is, this is around August 9th.

16 MRS. BUTCHER: I don't think so. Let me see -- just
17 glance. I think that was just the rest of --.

18 THE COURT: It doesn't look like it's related to this
19 case.

20 MRS. BUTCHER: It's, it's not, Your Honor.

21 THE COURT: Okay. Okay. I'm gonna allow 45, 46, and
22 47 not necessarily for the truth of the matter asserted but
23 for the defendant's state of mind.

24 MRS. BUTCHER: Your Honor, did you want me to remove
25 Pages 84 through 88, those four pages or leave them?

Demetrius Brown - Direct examination
By Mrs. Butcher

1 THE COURT: I mean I don't, I don't think they're
2 relevant to anything.

3 MRS. BUTCHER: You want me just to take them off?
4 The -- I've got the Court Exhibit right here.
5 You want me just to remove those?

6 THE COURT: We've already moved 87. So, yeah, I think
7 that would probably be appropriate.

8 MRS. BUTCHER: So Pages 84, and 85 -- through 88.
9 well, oh, we've already removed.

10 MR. BUTCHER: We took that one out.

11 MRS. BUTCHER: Okay.

12 THE COURT: Do y'all need this back?

13 SOLICITOR FINNEY: That's mine, Your Honor.

14 THE COURT: Okay.

15 SOLICITOR FINNEY: And, Your Honor, for the record
16 please, the State would like to reserve our objections to
17 your rulings and proceed subject to them.

18 THE COURT: Yes, sir.

19 Okay. If we can bring the jury in please.

20 MRS. BUTCHER: Okay.

21 THE COURT: We're ready for the jury.

22 MRS. BUTCHER: And, Your Honor -- okay.

23 (WHEREUPON, the following takes place within the
24 presence of the jury.)

25 THE BAILIFF: The jurors are all seated, Your Honor.

Demetrius Brown - Direct examination
By Mrs. Butcher

1 THE COURT: Yes, ma'am.

2 MRS. BUTCHER: Thank you, Your Honor.

3 CONTINUED DIRECT EXAMINATION

4 BY MRS. BUTCHER:

5 Q Mr. Brown, you said you recognized the person's voice
6 that came over Lonnie's phone --

7 A Yes.

8 Q -- when he was there that day?

9 A Yes.

10 Q And I think I showed you these a moment ago. You said
11 that you did recognize these as your text messages.

12 A My Facebook Messenger.

13 Q Your Facebook?

14 A Yes.

15 MRS. BUTCHER: Okay. And, Your Honor, I'd like to
16 introduce this into evidence as Defendant's 46.

17 THE COURT: And, Mr. Finney, your objections to the,
18 the exhibit are noted for the record, sir.

19 SOLICITOR FINNEY: Thank you, Your Honor.

20 THE COURT: It is admitted.

21 (WHEREUPON, Defendant's Exhibit No. 46 was received
22 into evidence at this time.)

23 Q Now, in this exhibit, these are messages sent through
24 Facebook.

25 Is that on Messenger that we see?

Demetrius Brown - Direct examination
By Mrs. Butcher

1 A Yes.

2 Q Okay. And these were sent and received by you?

3 A Yes.

4 Q Okay. Now, I'm gonna show you Defendant's 45, which is
5 an excerpt from 46.

6 Okay. Now, do you recognize these?

7 A Yes, that's---

8 Q Okay.

9 A That's my text message.

10 MRS. BUTCHER: Okay. And, Your Honor, I'd like to
11 introduce, introduce this into evidence as Defendant's 45.

12 SOLICITOR FINNEY: Subject to my objection, Your Honor.

13 THE COURT: Yes, sir, they are admitted.

14 (WHEREUPON, Defendant's Exhibit No. 45 was received
15 into evidence at this time.)

16 Q Can you tell me what these are?

17 A This is text messages between me and Seneca.

18 Q Okay. And what were the dates of those?

19 A August 10th and August the 11th.

20 Q Okay. How do you -- what was going on on
21 August 10th here?

22 A I was at the cookout for my birthday and at the -- my
23 religious church, we call it Mass Jid (phonetic), you know
24 what I'm saying, and Seneca was calling me.

25 Q Okay. What was he calling you about?

Demetrius Brown - Direct examination
By Mrs. Butcher

1 Do you know?

2 A About a situation we had where I had showed -- the guys
3 asked me why I didn't do business with him and I showed them
4 that he was a rat and had all the paperwork to prove it and
5 he was upset about that.

6 Q Seneca was?

7 A Yes.

8 Q Okay. And can you just read your text message there
9 the day before between you, Seneca, and identify who's
10 saying what?

11 A Okay. I, I text him. I slumlagrum (phonetic). I'm in
12 Charlotte. Mass Jid was good Akee. We have a cookout here
13 for my birthday today. He text me back. Call me. 9-1-1.
14 And then I, I remember calling him and I got off the phone
15 with him and I -- we started back texting.

16 It said -- and I told him don't call my phone with that
17 B.S. You and y'all cool keep that B stuff -- I mean B.S.
18 over there. I don't need anybody. I'm by -- I'm myself,
19 nigga.

20 Like I said, I been Muslim from birth. I'm not a five
21 percenter like y'all jailhouse Muslims. I do straight
22 business and did you no wrong ever.

23 So, if you need to check whoever -- so you need to
24 check whoever you talking to. Miss me with the B.S. cause I
25 never called -- where is that at?

Demetrius Brown - Direct examination
By Mrs. Butcher

1 I never called or text you. You called and text me.
2 He text me back. You broke MF'er. You called me when you
3 were in a jam, dude. I'm nobody B nigga. I see you
4 tonight. Get ready.

5 Then I text message back. I never called you about no
6 B.S. nor talking s. I've always been straight business.
7 I'm always been straight business with you. So, I don't
8 know why you trying me with this s because I have said, I
9 have said s about you. And he said exactly. I asked you
10 for -- this still me.

11 I -- exactly I ask you for a favor while I was in a jam
12 and my accounts were frozen and you helped me with no
13 problems. So what's with the S now. I have, I have done --
14 I have do nothing -- anything or said anything about you
15 negative to anyone. I don't eat of -- I don't eat of my
16 brother's flesh. So where all this aggression coming from.
17 I also just seen you in DMV the other week as well. You
18 need to check whoever feeding you the B.S. because we never
19 have any bad blood.

20 Q Okay. And above all of that, it has yesterday,
21 correct?

22 A Yes.

23 Q Okay. Now, then it switches to today. It says four
24 o'clock.

25 Is that correct?

Demetrius Brown - Direct examination
By Mrs. Butcher

- 1 A Yes.
- 2 Q Okay. So these next text, text messages were on
3 following day?
- 4 A Yes.
- 5 Q Okay. And that -- what was the date of today?
6 was it---
- 7 A Eight -- 8/11/2018.
- 8 Q Okay. And that was the day that you shot Lonnie Pack?
- 9 A Yes.
- 10 Q Okay. Can you read those please?
- 11 A well, this is like four o'clock. Like not -- like a
12 few minutes after the situation.
- 13 Q Uh-huh. (Affirmative).
- 14 A And I realized that it was his voice. So, I text him.
15 So you put---
- 16 Q Him being?
17 I'm sorry.
18 Him being?
- 19 A Seneca. So I text him. I said so, you put a hit on a
20 real bro, huh. He text me back. Don't text me, dude. I'm
21 out here daily. Keep my name out your mouth. So, I text
22 him back. Nah, don't try to back out now. Lonnie just rode
23 on me and called you, and called you and asked what to do
24 with me and I heard your voice. Stop for law. And he text
25 me back. I'm prepared for whatever, dude. Stay there,

Demetrius Brown - Direct examination
By Mrs. Butcher

1 nigga. I'm on -- I'm not a sucker. I'm on my way.

2 Q Okay. Now -- and you say you recognized Seneca's
3 voice.

4 That was on the phonecall that Lonnie made right there
5 when he was with you --

6 A Yeah, on speakerphone --

7 Q -- at the shop?

8 A -- in front of, in front of my daughter.

9 Q Okay. And did Seneca know where you were to your
10 knowledge?

11 A Not---

12 Q Had you told him where you were?

13 A No, I never told nobody where I was at -- going --

14 Q Oh.

15 A -- but the -- Steve. He the only one that called me.

16 Q Okay. But he says he's on the way?

17 A Yes.

18 Q Okay. Now -- okay. Now, these text messages, did you
19 do anything with them after this conversation?

20 A Yeah, I had screenshotted them and then I sent them
21 messages on Messenger the same day, the day after, and I
22 think another day after that to all the people that -- you
23 know, my family members and stuff so if something do happen
24 to me they know what's going on between the situation and
25 who's -- who sent them after me.

Demetrius Brown - Direct examination
By Mrs. Butcher

1 Q Okay. And here on Page 35 it appears to begin a thread
2 between you and, let's see if I've got this right, is that a
3 Chris McGee?

4 A Yes.

5 Q Is that someone you sent this to, the screenshot to?

6 A Yes.

7 Q Okay. And, and the way this is, it, it has like a
8 thread of your conversations with one person. Then it sort
9 of skips to another person and a thread in your
10 conversations with that person.

11 Is that how this works with Facebook?

12 A Yes.

13 Q Okay. So, here on 11, I'm sorry, 8/11/2018, you sent
14 this screenshot to Chris McGee.

15 Okay. Did you also send this to your mother?

16 A Yes.

17 Q And what's her name?

18 A Linda Brown.

19 Q Okay. And you -- that was sent on 8/11/2018 also?

20 Do you recall?

21 A I don't recall.

22 Q Okay. And here you sent on 8/13/2018 and this is
23 well -- okay. Can you, can you look through here and tell
24 who all you sent it to?

25 It's -- do you recall if it was anyone other than Chris

Demetrius Brown - Direct examination
By Mrs. Butcher

1 and your mother?

2 A It's kind of hard to tell. I mean I sent one to Vergal
3 Blanding.

4 Q Okay. But you sent this to several people?

5 A Yes.

6 Q And what was the reason that you sent these -- that
7 screenshots of those texts between you and Seneca to various
8 people?

9 A I was scared of something happening to me so they know
10 what, what, what -- what's going and, and who sent them and
11 who, what, and what was going on---

12 Q Okay. Did you receive---

13 A ---with those---

14 Q I'm sorry. I didn't mean to cut you off.

15 A No, that's all right.

16 Q Did you receive other threats also?

17 A Yes.

18 Q Okay. Do you see this?

19 Do you recognize that?

20 A Yes.

21 Q Okay. And is that also an excerpt out of this complete
22 package?

23 A Yes.

24 Q Okay. And what is that?

25 A This is Facebook Messenger from Sharneka and---

Demetrius Brown - Direct examination
By Mrs. Butcher

1 Q Who's that?

2 A She's one of my -- one of my friends on there. But she
3 was also friends with Lonnie and they family and stuff too.

4 Q Okay. And can, can you -- and, Your Honor, I'd like to
5 enter this into evidence as Defendant's Exhibit 47.

6 THE COURT: Subject to the State's objection, that's
7 already been stated.

8 SOLICITOR FINNEY: Thank you, Your Honor.

9 THE COURT: Yes, it is admitted.

10 (WHEREUPON, Defendant's Exhibit No. 47 was received
11 into evidence at this time.)

12 Q And can you tell me what was said on that text message
13 that came from her?

14 A That she sent me a Messenger at two o'clock on the
15 12th at two o'clock AM in the morning and it said, if I
16 see you, if I see you, dead on sight. If you really killed
17 my peoples, you won't have to worry about the police because
18 I been have want you and I knew you was gonna slip up. Your
19 A is grass. You better hope the police get you before we
20 do, F boy and I never responded.

21 And she text another text at 3:52PM and it said man,
22 just let us know where you at so you, so you can get this
23 straight. Love B.

24 Q Okay. And how did this make you feel?

25 A I ain't want to --.

Demetrius Brown - Direct examination
By Mrs. Butcher

- 1 Q How did that text message make you feel?
- 2 A Make me feel threatened and scared. I, I wasn't trying
3 to hang around.
- 4 Q Okay. When you -- you saw the video of a -- of what
5 appeared to be a black Explorer or Expedition leaving that
6 day.
- 7 was that your vehicle?
- 8 A Yeah, that was my truck.
- 9 Q Okay. So, you, you left when -- and then what did you
10 do?
- 11 A I went into my -- after I left in?
- 12 Q Yeah.
- 13 A I text Seneca the -- when -- because I recognized his
14 voice.
- 15 Q Oh.
- 16 A And then after that I had called, I had called a
17 lawyer.
- 18 Q Okay. And what did you ask that lawyer to help you do?
- 19 A Be able to help me be able to turn myself in.
- 20 Q Okay. And do you recognize this document?
- 21 A Yes.
- 22 Q What is that?
- 23 A That's the retainer agreement with you.
- 24 Q Okay. Okay. And what is that concerning?
- 25 A To, to be able to turn myself in.

Demetrius Brown - Direct examination
By Mrs. Butcher

1 MRS. BUTCHER: Okay. Your Honor, I would like to
2 introduce this as Defendant's 53 into evidence.

3 SOLICITOR FINNEY: No objection.

4 MRS. BUTCHER: Thank you.

5 THE COURT: 53 is admitted.

6 MRS. BUTCHER: Okay.

7 (WHEREUPON, the retainer agreement was marked as
8 Defendant's Exhibit No. 53 and received into evidence at
9 this time.)

10 Q And what -- now --.

11 A That was---

12 Q You didn't, you didn't sign this yourself, did you?

13 A No.

14 Q Okay. who, who did sign it?

15 A One of my Muslim brothers, Lou, Brother Lou.

16 Q Okay. And what's the date of this document?

17 A August 15th, 2018.

18 Q Okay. Okay. And can you read this paragraph right
19 here?

20 A which one?

21 Oh, you had paid \$400.00 so far. I mean -- yeah, so
22 far for my aid in turning yourself in and will be an
23 additional 400.

24 Q Uh-huh. (Affirmative).

25 A Huh?

Demetrius Brown - Direct examination
By Mrs. Butcher

1 400 at the time before bond. This thousand will go
2 towards the 8,000 for the further representation. Once
3 retained, I will not file a notice of appearance for full
4 representation until the full 8,000 is paid.

5 Q Okay. Now, you were picked up by law enforcement prior
6 to turning yourself in.

7 Is that correct?

8 A Yes.

9 Q Okay. And where were you picked up?

10 A Florida.

11 Q Okay. And when they picked you up in Florida, you
12 waived extradition back -- to come back to South Carolina,
13 correct?

14 A Yes.

15 Q And that actually put you back in South Carolina
16 sooner, correct?

17 A Yes.

18 Q Okay. And do you recognize this document?

19 A Yeah, my waiver of extradition to come back to South
20 Carolina.

21 Q Okay. And is this your signature on the second page?

22 A Yes.

23 Q Okay. And what's the date this was filed with the
24 Court?

25 A August 16th, 2018.

Demetrius Brown - Direct examination
By Mrs. Butcher

1 MRS. BUTCHER: Okay. And, Your Honor, I'd like to put
2 this in as Defendant's 54.

3 SOLICITOR FINNEY: No objection.

4 THE COURT: Fifty-four is admitted.

5 (WHEREUPON, the extradition paperwork was marked as
6 Defendant's Exhibit No. 54 and received into evidence at
7 this time.)

8 Q Do you recall what date you were picked up by law
9 enforcement?

10 A Yeah, it was almost midnight of 2015. I mean, I mean
11 August 15th, 2018.

12 Q Okay. That was not long after the retainer was signed,
13 was it?

14 A Yeah, the same day.

15 Q Okay. Why'd you shoot Lonnie Pack?

16 A I was scared. I thought he was going for another
17 weapon out the vehicle.

18 Q And you told him no, don't go for another weapon?

19 A I told him to stop, you know, don't, don't go nowhere
20 cause you know.

21 Q Okay. And why did you leave the State of South
22 Carolina?

23 A Cause I was in fear of getting killed by somebody else.

24 Q Okay. Did you take a gun to that scene?

25 A (WHEREUPON, there was no audible response.)

Demetrius Brown - Direct examination
By Mrs. Butcher

1 Q Whose gun was that?

2 A No, that was, that was Lonnie gun.

3 Q Okay. Did you feel -- and you knew you weren't suppose
4 to have a gun, correct?

5 A Yes.

6 Q Okay. Did you feel you -- it was your life or grab the
7 gun?

8 A Yes.

9 Q Okay. What did you do with the gun after you shot
10 Lonnie?

11 A Right there on the scene?

12 Q Tell me---

13 A Left it.

14 Q I'm sorry. All right. And tell me---

15 SOLICITOR FINNEY: Excuse me. I'm sorry.

16 What did the witness say?

17 THE WITNESS: I say I left it right there on the scene.

18 MRS. BUTCHER: Okay. So -- Court's indulgence.

19 (Pause.)

20 Q Okay. No further questions. Please answer anything
21 the State has.

22 SOLICITOR FINNEY: Please the Court.

23 THE COURT: Yes, sir.

24 CROSS-EXAMINATION

25 BY SOLICITOR FINNEY:

Demetrius Brown - Cross-examination
By Solicitor Finney

1 Q What kind of a gun did you shoot Lonnie Pack with?

2 A It was a semiautomatic.

3 Q How do you know that?

4 A I threw it on the ground.

5 Q Well, just cause you threw it on the ground and
6 cause -- just cause you fired it three times doesn't mean
7 that you know it was a semiautomatic.

8 How do you know it was a semiautomatic?

9 A Cause it has a magazine.

10 Q All right. Did you load the magazine?

11 A No.

12 Q Okay. You fired the gun three times?

13 A No.

14 Q How many times did you fire the gun?

15 A I fired the gun twice.

16 Q And so each time you fired it a shell came out on the
17 ground?

18 A I don't know.

19 Q That's what a semiautomatic does. There should be two
20 shell casings on the ground laying next to Lonnie or
21 somewhere close to him.

22 You don't have any idea what happened to the two shell
23 casings?

24 A No.

25 Q And you don't have any idea what happened to the gun

Demetrius Brown - Cross-examination
By Solicitor Finney

1 because it wasn't recovered at the scene according to the
2 testimony we've heard?

3 A No.

4 Q Did you do any drugs with, with, with Lonnie?

5 A No.

6 Q You ever talk to Lonnie on the phone?

7 A No.

8 Q Lonnie Pack has your number in his phone, and over for
9 a year, he never called you on that number and you never
10 called him on his number.

11 Truth?

12 A Yes.

13 Q You didn't have a beef with Lonnie Pack, did you?

14 A No.

15 Q How did you know Lonnie Pack?

16 A I see him at the junkyard.

17 Q You see him at the junkyard.
18 what junkyard?

19 A Jeremiah's, Tony Owens.

20 what's the other one?

21 Q How, how did you know him?

22 How did you know that was Lonnie Pack?

23 A Like I say, I told -- know him from the junkyard.

24 Q well, I mean you've seen -- if you come to Court every
25 day or you come to the junkyard every day and you see a

Demetrius Brown - Cross-examination
By Solicitor Finney

1 fellow, but you don't necessarily know, that doesn't give
2 you his name. You said to the, to the Seneca man on your
3 phone 10 minutes after you shot Lonnie Lonnie just rode up
4 on me.

5 How do you know Lonnie's name?

6 A I know him from being at the shop.

7 Q You talked -- at the shop?

8 A At the junkyard and the shop.

9 Q The shop on East Pike?

10 A No, Bennie's shop use to be over by McDonald's.

11 Q Okay. So you know Lonnie for a long time.

12 More than a couple months?

13 MRS. BUTCHER: Your Honor, I would ask that questions
14 are asked. Not statements or testimony.

15 THE COURT: I think he's asking it as a question.

16 SOLICITOR FINNEY: Let me rephrase, Your Honor.

17 Did you know Lonnie Pack for more than a couple of
18 months before you shot and killed him?

19 A Did I know him?

20 Q Yes.

21 A I knew of him and -- well, I gave him my business card.
22 That's how he got my number in the phone.

23 Q So y'all were cool?

24 A No.

25 Q Y'all -- you and Lonnie weren't cool?

Demetrius Brown - Cross-examination
By Solicitor Finney

- 1 A I ain't never hang out with him.
- 2 Q Were you cool or you weren't cool?
- 3 A Well, I'm --.
- 4 Q You know what that means.
- 5 Were you okay with him?
- 6 A I done never -- didn't have no business with him. So
- 7 --.
- 8 Q He didn't have no -- he never hurt you, did he?
- 9 A No.
- 10 Q Okay. You said, when you got on the testimony this
- 11 morning, that you were driving a black Ford truck
- 12 Expedition.
- 13 Is that correct?
- 14 A I never said what I was driving.
- 15 Q All right. I, I apologize. Those are my notes.
- 16 You just told your lawyer that the black Ford truck in
- 17 the video was the car you drove away after you shot Lonnie.
- 18 A Yes.
- 19 Q So you drove it there to the shop?
- 20 A Yes.
- 21 Q How -- what time did you get there?
- 22 A Probably about -- I'm not even sure really.
- 23 Q Well, give the jury the best information.
- 24 Do you remember getting up Saturday morning after your
- 25 good birthday party Friday night?

Demetrius Brown - Cross-examination
By Solicitor Finney

1 A Yes.

2 Q What time did you get to the shop?

3 A I'm not sure. I know I was there a couple hours. So
4 --.

5 Q Okay. And did you see the video of the police officers
6 arriving to the call that Steve McCain made?

7 A Did we show it?

8 Q At the shop.

9 Did you see the video of the, of the, of the officers
10 arriving at the scene?

11 A Yes.

12 Q All right. And you testified on the stand that, when
13 you got there, the 300 pulled up. That's what you said.

14 Is that correct?

15 A Yes.

16 Q Three men jumped out with the doors open.

17 A Yes.

18 Q And one of the men, I guess Lonnie, you said Lonnie,
19 said hold up a second.

20 Is that right?

21 Is that right?

22 Is that what Lonnie said to you, hold up a second?

23 A No.

24 Q That's what you said earlier on the stand. I'm asking
25 you.

Demetrius Brown - Cross-examination
By Solicitor Finney

1 A All right.

2 Q Did Lonnie say that or somebody else said that?

3 A Yes, he said that.

4 Q Okay. Did the other two men that were there, did they
5 ever say anything to you?

6 A No.

7 Q Okay. But when they jumped out, they left the doors
8 open on the 300?

9 A Yes.

10 Q Okay. I'm gonna show you State's Exhibit No. 29.
11 That's from the video of the first officer on the scene.

12 You recognize that car?

13 A Yes.

14 Q Do you recognize Lonnie laying on the ground?

15 A Yes.

16 Q Are the doors opened?

17 Yes or no, sir.

18 A No.

19 Q After you told -- well, after Lonnie told you to hold
20 up a second, you said Lonnie was on the phone.

21 How long was he on the phone?

22 A Almost a minute.

23 Q All right. Almost a minute.

24 And then the next thing you said -- what did he do
25 after that?

Demetrius Brown - Cross-examination
By Solicitor Finney

- 1 A He told me to get out the truck.
- 2 Q Did he put the phone down and put it back in his
- 3 pocket?
- 4 A Yes, the phone was in his pocket.
- 5 Q All right. And he told you to get out the -- of your
- 6 truck?
- 7 A Yes.
- 8 Q So you were in your truck. He was on the outside.
- 9 A Yes.
- 10 Q And the two other men that came with Lonnie were
- 11 standing somewhere behind your truck?
- 12 A Yes.
- 13 Q Now, the, the words -- the word surrounded your truck
- 14 was used earlier, but according to the -- but according to
- 15 the map the lawyer showed you, the two men were standing
- 16 behind your truck.
- 17 Yes?
- 18 A One was standing right there to the rear of the truck
- 19 and the other one right there behind the truck. So --.
- 20 Q Well both of them were at the rear of your truck?
- 21 A Yeah.
- 22 Q So, your truck wasn't surrounded. There was nobody on
- 23 your passenger side and nobody on your front side.
- 24 Is that correct?
- 25 A Yes.

Demetrius Brown - Cross-examination
By Solicitor Finney

1 Q Both men were standing behind your truck waiting for
2 Lonnie to finish talking to you as far as you knew?

3 A I don't know why they --.

4 Q As far as you knew, the two men were waiting on Lonnie
5 to finish talking to you?

6 A I don't know why they was there.

7 Q Okay. Did you know them?

8 A No.

9 Q Had never seen them in the junkyard?

10 A No.

11 Q Did they have weapons?

12 A I don't know.

13 Q Did they have weapons?

14 I'm asking you did you see them with weapons.

15 A I don't know what they had.

16 Q Okay.

17 A I'm---

18 Q You didn't see any weapons?

19 A No.

20 Q Okay. And at the time Lonnie came up to your truck, he
21 had a phone in his hand but he put in his pocket.

22 He didn't have a weapon either, did he?

23 A where is --?

24 Q Did he have a weapon at the time that he got off the
25 phone that you could see?

Demetrius Brown - Cross-examination
By Solicitor Finney

- 1 A No.
- 2 Q Okay. Then you -- what did you tell him when he said
- 3 you got to get out of the truck?
- 4 A I said I ain't getting out the truck.
- 5 Q Okay. And you tried to close the door of the truck?
- 6 A No, he grabbed the door.
- 7 Q What did he grab the door with?
- 8 A His hand.
- 9 Q Both hands?
- 10 A No.
- 11 Q Which hand?
- 12 A I, I can't remember which hand.
- 13 Q So Lonnie Pack---
- 14 A Damn.
- 15 Q ---tried to grab your door with at least one hand?
- 16 A Yes.
- 17 Q All right. And you were pulling on the door and he's
- 18 pulling on the door?
- 19 A I didn't pull on the door. I -- when he took -- opened
- 20 it all the way, I went to pull on the door, then he pulled
- 21 it back and it was open now.
- 22 Q Okay. So he's pulling on the door with one hand.
- 23 You're pulling on the door and you're sitting in your car.
- 24 A I'm in the truck, yes.
- 25 Q Yes, sir. I'm sorry. In your truck.

Demetrius Brown - Cross-examination
By Solicitor Finney

1 Is your key in the, in the car, in the truck?

2 A I can't remember if it was.

3 Q At that time you couldn't have left the scene?

4 A No.

5 Q why?

6 A I'm blocked in.

7 Q well, you can back up. Let's look at -- let's look at
8 State's Exhibit No. 4. This is where Lonnie's car was found
9 when the police got there.

10 Is there anything in front of Lonnie's where your car
11 was?

12 Is there anything blocking you to back up and leave?

13 A No.

14 Q State's Exhibit No. 4. Your vehicle is the only
15 vehicle that's me and Lonnie's at the time Lonnie's pulls
16 up.

17 And so, when you jumped in -- when you in your truck
18 and you left -- you did leave after you shot Lonnie. You
19 had to back up.

20 A Yes.

21 Q And you -- when you backed up a -- 10 yards -- how, how
22 far did you back up?

23 A Probably, probably a couple yards.

24 Q You backed up a couple yards and then you drove right
25 on out the gate.

Demetrius Brown - Cross-examination
By Solicitor Finney

1 Is that correct?

2 A Yes.

3 Q And you left Lonnie laying on the ground shot?

4 A Yes.

5 Q Okay. And the first person you called was Seneca.

6 Is that right?

7 A No.

8 Q All right. Well, tell us who's the first person you
9 called.

10 A The first person I called was a lawyer.

11 Q You call your lawyer.

12 who did you talk to?

13 A I called a lawyer.

14 Q who did you talk to?

15 You got two lawyers here. I don't know if you got the
16 same lawyer.

17 Is that the -- you called one of these lawyers?

18 A Yes.

19 Q who did you talk to?

20 A Mrs. Butcher.

21 Q Mrs. Butcher talked to you.

22 what did you -- what did you tell her?

23 MRS. BUTCHER: Your Honor, I'd object to attorney
24 client---

25 THE COURT: That's sustained.

Demetrius Brown - Cross-examination
By Solicitor Finney

- 1 MRS. BUTCHER: ---privilege.
- 2 Q You had a telephone to call to your lawyer.
- 3 Is that correct?
- 4 A Yes.
- 5 Q Where's that telephone right now today?
- 6 A I have no idea. It's been four years.
- 7 Q Okay. Well, you had a telephone when you were in
- 8 Florida?
- 9 A Yes.
- 10 Q And the police arrested you with your telephone?
- 11 A Yes.
- 12 Q And you, you and your telephone were brought back to
- 13 Sumter?
- 14 A Yes.
- 15 Q Who got your telephone?
- 16 A That wasn't the telephone.
- 17 Q Pardon me?
- 18 A That's not the phone.
- 19 Q So you had another phone when you were in Florida?
- 20 A Yes.
- 21 Q Okay. And who has that telephone?
- 22 A Whoever came and picked my property up.
- 23 Q All right. Let's talk about that. When Steve McCain
- 24 called the police and told them that Demetrius Brown had
- 25 done the shooting, he gave them the number that was in his

Demetrius Brown - Cross-examination
By Solicitor Finney

1 phone.

2 When did you get a new phone?

3 A I didn't get a new phone. The number he called me on
4 was my business number. That's from everybody having that
5 number.

6 Q Okay. Where's your business?

7 A In Sumter.

8 Q Okay.

9 A Well, it was in Sumter.

10 Q All right.

11 A I ain't got it no more.

12 Q And when you -- Steve McCain called your business line,
13 didn't it ring on your cellphone?

14 A Yes.

15 Q Okay. And you changed cellphones the next day after
16 you shot Lonnie Pack, didn't you?

17 A No, I have two phones.

18 Q You just told me that you got another phone in Florida
19 that was a, a rep -- that was brought back with you.

20 A No, I didn't say that. I say I---

21 MRS. BUTCHER: Your Honor, I would just object. Facts
22 not in evidence.

23 THE COURT: I'm gonna allow the question.

24 MRS. BUTCHER: Okay.

25 THE COURT: Thank you.

Demetrius Brown - Cross-examination
By Solicitor Finney

- 1 A I have two phones.
- 2 Q You had two phones?
- 3 A Yes.
- 4 Q When you shot Lonnie Pack, you had two phones with you?
- 5 A Yes.
- 6 Q Okay. And one was your business phone and one was your
7 personal phone?
- 8 A Yes.
- 9 Q All right. When you called -- when Steve called you,
10 did you -- and you called Steve, which phone did you use?
- 11 A The business phone.
- 12 Q Business phone?
- 13 A Yes.
- 14 Q And when you called Seneca and Seneca called you, which
15 phone did you use?
- 16 A I didn't call Seneca. We text -- I text Seneca after
17 the scene.
- 18 Q Which phone did you use?
- 19 A The business phone.
- 20 Q Okay. So when did you use the private phone?
21 Just after work?
- 22 A Yes.
- 23 Q All right. And when you got arrested in Florida, you
24 had one phone?
- 25 A Yes.

Demetrius Brown - Cross-examination
By Solicitor Finney

- 1 Q Which phone did you have with you?
- 2 A I had the personal phone.
- 3 Q Where was the business phone?
- 4 A I left it in Sumter.
- 5 Q Okay. Why did you leave your business phone in Sumter?
- 6 A Cause I don't need it. I don't need it.
- 7 Q Okay. So, when you got the black truck -- you got in
- 8 the black truck after the shooting and left, did you know
- 9 the Sheriff's Department was a mile away from the shop --
- 10 A Yes.
- 11 Q -- on 15 North?
- 12 A Yes.
- 13 Q Why didn't you go to the Sheriff's Department and
- 14 report what had just happened?
- 15 A I consult with my attorney first.
- 16 Q You, you did consult with your attorney?
- 17 You spoke with her?
- 18 A I say I wanted to consult with my attorney first.
- 19 Q Right.
- 20 But you said the first call you made -- the first call
- 21 you made you say was your attorney.
- 22 A Yes.
- 23 Q Okay. So, your attorney didn't say go see the police?
- 24 MRS. BUTCHER: Objection---
- 25 THE COURT: That---

Demetrius Brown - Cross-examination
By Solicitor Finney

1 MRS. BUTCHER: ---Your Honor.

2 THE COURT: That's sustained.

3 Q All right. So, did your -- okay. You called your
4 attorney. You spoke to her. On the 15th of August, you
5 were arrested.

6 Is that correct?

7 A Yes.

8 Q And on the 15th of August your attorney had somebody
9 that you know sign a retainer agreement?

10 A Yes.

11 Q And it says -- looks like \$400.00 was paid?

12 A Yes.

13 Q You didn't pay it. Somebody paid it for you.

14 A Nah, I paid it.

15 Q How did you pay it?

16 A I Cashed App it to my Brother Lou.

17 Q Okay. So you Cash App'ed it from Florida?

18 A You can Cash App anywhere. All over the world.

19 Q I'm just asking you.

20 From Florida?

21 A Yeah.

22 Q Okay. And you did that hours before you were arrested
23 cause that was---

24 A I had---

25 Q That's what you're saying?

Demetrius Brown - Cross-examination
By Solicitor Finney

1 A I did that in the morning and I wasn't arrested until
2 almost midnight at night.

3 Q So, on the 15th, after you been -- had been gone --
4 you left town. You left the shooting on the 11th.

5 what -- where were you on the 12th of August?

6 Sunday, August 12th, where were you?

7 A In Sumter.

8 Q But where, where did you stay?

9 A In Sumter. I don't --.

10 Q Okay. Where did you stay Saturday night after the
11 shooting?

12 A In Sumter.

13 Q And on Sunday you woke up. After you spent the night,
14 you woke up Sunday. That's the 12th.

15 what did you do Sunday, the 12th?

16 A After I got that message, I left and went to Florida to
17 tie up my businesses.

18 Q The less -- the message from Sharneka?

19 A Yes.

20 Q So you left South Carolina in what vehicle?

21 A In what vehicle?

22 Q Yeah.

23 what vehicle did you leave in?

24 A Matter of fact, I didn't leave in no vehicle. I left,
25 I left with an Uber down there and I caught Uber -- I was in

Demetrius Brown - Cross-examination
By Solicitor Finney

1 Uber when I got caught.

2 Q You didn't go to your house or your friend's house and
3 pick up a white Honda automobile --

4 A No.

5 Q -- and leave the black Ford truck here?

6 A No.

7 Q So you left because Sharneka sent you a harsh message
8 at two o'clock AM Sunday?

9 A Yes.

10 Q And when you left, you went to Florida?

11 A When I left, I went to Louisiana first to try to get
12 money to pay for my legal and then I went back to Florida to
13 my house in Florida to be able to tie up my affairs before I
14 was able to turn myself in.

15 Q Okay. But before you left South Carolina, Sumter, you
16 started texting Seneca who you had texted with on Friday
17 night about the party?

18 As a matter of fact, it says here if you -- I believe
19 you said it. At four o'clock, 10 minutes after you shoot
20 Lonnie, you were texting Seneca.

21 A Yes.

22 Q And you texted him several times that day?

23 A That's the whole conversation.

24 Q Did you ever see Seneca?

25 A No.

Demetrius Brown - Cross-examination
By Solicitor Finney

- 1 Q Did you think Seneca was coming to the shop?
- 2 A He say he was on the way.
- 3 Q Okay. But you didn't want to see Seneca?
- 4 A why would I stay there and he just sent somebody after
- 5 me?
- 6 Q How do you know he sent Lonnie to, to see you?
- 7 A Cause I just put on the text that you sent a hit and he
- 8 getting -- he -- you see what he just said.
- 9 Q You, you didn't hear Seneca say to Lonnie anything, did
- 10 you?
- 11 A Yes, I did.
- 12 Q what did he say to Lonnie?
- 13 A He said why the F are you calling me. Do what I tell
- 14 you to do.
- 15 Q Okay. You heard Seneca say that on the phone?
- 16 A Seneca said that on the phone.
- 17 Q But it took you 10 or 15 minutes to recognize the voice
- 18 after you had shot Lonnie?
- 19 A Yes.
- 20 Q Did you call 9-1-1, 9-1-1 on your phone?
- 21 A No.
- 22 Q why not?
- 23 A Cause I already heard somebody else say they was
- 24 calling 9-1-1.
- 25 Q Were you in -- did -- were you in any danger?

Demetrius Brown - Cross-examination
By Solicitor Finney

1 After you shot Lonnie and, and left in your car, were
2 you in any danger at that point?

3 A Yes, I was.

4 Q So 9-1-1 coming to where you were would of been a good
5 thing?

6 A Well -- and I about to -- I ain't about to hang around
7 till y'all get there.

8 Q And you didn't report it to the police down the road
9 and you left South Carolina on Sunday or Monday?

10 A I left on Sunday.

11 Q So you said to the jury you caught an Uber from South
12 Carolina and you told me just now you went to Louisiana.

13 You Uber'ed all the way to Louisiana to get money?

14 A Yes, that's what my Muslim brothers do.

15 Q And---

16 A They, they got taxis.

17 Q And how do you pay for the Uber to Louisiana?

18 A Cash.

19 Q Okay. And then from Louisiana to Florida and your
20 house, how do you pay?

21 A Cash.

22 Q So you had cash available to you?

23 A Yes.

24 Q Okay. Now, where did you leave the gun after you shot
25 Lonnie?

Demetrius Brown - Cross-examination
By Solicitor Finney

1 A Right there on the scene.

2 Q Where?

3 A Right when---

4 Q You, you were sitting in your car.

5 A No.

6 Q Lonnie was several feet away running away from your
7 car?

8 A No.

9 MRS. BUTCHER: Objection, Your Honor. Facts not in
10 evidence.

11 THE COURT: I'm gonna allow the question. I think it's
12 a fair question.

13 MRS. BUTCHER: It --.

14 THE COURT: Go ahead, sir.

15 Q Didn't you say that you saw Lonnie backing up and you
16 thought he was going to get something else out of his car?

17 A That's when I was already, already out the truck.

18 Q So you were already out of the truck. You had already
19 taken the gun from Lonnie and he was going to his car---

20 A And I---

21 Q ---several feet away?

22 A And I told him to stop.

23 Q And he was away from you at that point, running away
24 from you to get to his car.

25 A No, he was---

Demetrius Brown - Cross-examination
By Solicitor Finney

- 1 Q That's what you testified.
- 2 A He was not running away.
- 3 Q All right.
- 4 A I said he was backpedaling to his vehicle---
- 5 Q Backpedaling?
- 6 A ---on the passenger side.
- 7 Q Okay.
- 8 A On the passenger side.
- 9 Q All right.
- 10 A And I feared that he was gonna get another weapon out
- 11 the vehicle. So I shot him.
- 12 Q You shot him twice?
- 13 A No, I shot the gun twice.
- 14 Q And the bullets---
- 15 A And one of them jammed and I shook it out and it came
- 16 out and then I removed the magazine, dropped the gun, and
- 17 got back in the car.
- 18 Q So not only did you shoot him twice because that's what
- 19 the evidence testifies, you don't know how many times you
- 20 shot him apparently.
- 21 A I said---
- 22 Q Did, did you recall?
- 23 A ---the gun went off the -- before we even got out the
- 24 truck the gun went off. So, apparently he got shot when we
- 25 was tussling over the gun.

Demetrius Brown - Cross-examination
By Solicitor Finney

- 1 Q So you didn't -- I, I didn't hear you say that, sir.
- 2 A I said it.
- 3 Q So now there was a tussle at your door and the gun went
- 4 off?
- 5 A That's what I---
- 6 Q Is that correct?
- 7 A That's what I testified to.
- 8 Q Okay. And so he was backing up, backing up, backing
- 9 up, and you thought he was going to get a gun or something
- 10 even though you had taken his gun and you shot him again or
- 11 you shot the gun again?
- 12 A Yes.
- 13 Q And then you tried to shoot the gun again but it
- 14 jammed?
- 15 A Yeah, I shot it twice and it jammed.
- 16 Q Then you unhooked the --?
- 17 A I got the bullet out the thing and unhooked the
- 18 magazine, threw the gun down.
- 19 Q So, there's a magazine laying on the ground. There's a
- 20 gun laying on the ground and there's at least two shell
- 21 casings laying on the ground.
- 22 A I---
- 23 Q According to you. According to you.
- 24 A Yes.
- 25 Q And then you backed up your truck and drove out?

Demetrius Brown - Cross-examination
By Solicitor Finney

1 A Yes.

2 Q How did Lonnie know you were at the shop?

3 A Your guess as good as mine.

4 Q It is possible that Lonnie was hanging out with friends
5 at the El Cheapo, that he was enjoying a Saturday afternoon,
6 and he turned to go down Pike Road and he saw you --

7 MRS. BUTCHER: Now, that is---

8 Q ---in that black truck?

9 MRS. BUTCHER: ---speculation.

10 THE COURT: That's sustained.

11 Q So you don't know how Lonnie got to be at the shop that
12 day?

13 A No.

14 Q Okay. But you weren't expecting him?

15 A The only person I was expecting was Bennie.

16 Q So you weren't expecting Lonnie?

17 A No.

18 Q And you hadn't talked to Lonnie?

19 A No.

20 Q And he hadn't talked to you?

21 A No.

22 Q All right. And when he got out of the car, he didn't
23 have a weapon when he got out of the car. He was on his
24 phone.

25 Is that correct?

Demetrius Brown - Cross-examination
By Solicitor Finney

1 A He wasn't on the phone. He came -- he grabbed the
2 phone when he got to my truck door.

3 Q Okay. And once he had the conversation for a minute,
4 he put the phone back in his pocket and that's when there
5 was a tussle?

6 A No, after he grabbed my door and opened my door up and
7 my door was opened, that's when he pulled the gun out and we
8 started going for the gun---

9 Q So---

10 A ---and it went --.

11 Q So he pulled on the -- which hand did he pull the gun
12 out with?

13 A He pulled the gun out with his right-hand.

14 Q And so he had the left-hand on the door?

15 A The door was already opened. Like I explained already,
16 that, that door was already opened.

17 Q well I thought you were pulling on the door to keep it
18 closed.

19 A The door's already opened. He's in -- he's in my
20 space. Just like on the picture that Mr. Bradley or A.J.,
21 whoever you want to call him, right there --

22 Q Uh-huh. (Affirmative).

23 A -- so he's in my space now. He telling me to get, get
24 out. That's when he grabbed the gun. I grabbed his hands
25 like I told you with the pound strike. The gun got loose.

Demetrius Brown - Cross-examination
By Solicitor Finney

1 That's when we was trying to grab it. So I guess that's
2 what A.J. seen with the gun up in the air and it went off.

3 I gots a -- I got a hold of it. He started backpedaling.

4 Q For the last three years you been getting ready today
5 in Court.

6 Is that correct?

7 The last three years you been getting ready --

8 A Yes.

9 Q -- for the day in Court?

10 A Yes.

11 Q You had a chance to see all of the papers that your
12 lawyer got from my office, from the Solicitor's Office?

13 All the law enforcement investigation papers, you had a
14 chance to read and review.

15 A Not all of it.

16 Q Most of it?

17 A Yes.

18 Q All right. And so it's important to you that the doors
19 on the car, the silver car, were opened because they're
20 opened on that map but the pictures don't say that.

21 Is that correct?

22 A The pictures happened after the police got there.

23 Q That's right. But the pictures also happened after the
24 two guys that you said were standing with Lonnie ran away
25 and Lonnie ran the other way to his car.

Demetrius Brown - Cross-examination
By Solicitor Finney

1 A Lonnie didn't run nowhere.

2 Q He, he walked backwards to his car and got shot by you
3 and all the doors on the, on the Chrysler in State's Exhibit
4 4 are closed.

5 A After they took the -- after they got there and took
6 the pictures.

7 Q So you believe the police came to the scene, put up
8 evidence tape like they show in State's Exhibit 5 to keep
9 the scene clean, and then they close the doors?

10 A I don't know what happened.
11 where Mayfield at?

12 Q I don't know.

13 A You tell me.

14 Q Did you have a beef with Mayfield?

15 A No.

16 Q When you are a practicing Muslim, do you have certain
17 requirements that you must maintain certain dignity and
18 order?

19 A Yes.

20 Q Do you use curse words?

21 A You a man first.

22 Q Sir?

23 A Religion second.

24 Q Sir, I'm asking the questions.

25 Do you use curse words?

Demetrius Brown - Cross-examination
By Solicitor Finney

1 A Yes.

2 Q Okay. So why in court did you not say the curse words
3 that you wrote on your Facebook page trying to --?

4 A Cause---

5 Q Why is it different in --?

6 A Cause I didn't know I was allowed to say it on -- in
7 the court.

8 Q But, but you used the word, in, in your text, you used
9 strong, bad words --

10 A Well, if you call it strong. I don't know.

11 Q -- when you're talking to Seneca.

12 Is that correct?

13 A Yes.

14 Q So that's not in violation of your Muslim faith?

15 A No, because he became Muslim.

16 Q I didn't ask you about him.

17 A Oh okay.

18 Q I asked you about you.

19 MRS. BUTCHER: Your Honor, I would ask that he be
20 allowed to fully answer the question.

21 THE COURT: Sure.

22 Q Isn't it a violation of the Muslim faith for you to use
23 these kind of words when you're writing a text?

24 A Like, like I said, Seneca became---

25 Q I, I think I need an answer and then I'll let you

Demetrius Brown - Cross-examination
By Solicitor Finney

1 explain.

2 A She said let me---

3 Q Answer the question and then I'll let you explain.

4 A Okay. whatever.

5 Q Isn't it a violation?

6 A No, it's not no violation of the faith.

7 Q So you can use these kind of words and be a practicing
8 Muslim?

9 A It's not a---

10 Q I'm asking the question.

11 A Has nothing to do with your religion.

12 Q Okay.

13 A That what --.

14 Q Why didn't you leave before you shot Lonnie the second
15 time?

16 I understand you say there was a tussle over the gun
17 and he backed up away from you and he was going to his car.

18 Why didn't you leave at that point?

19 You were in your car. You had the ability---

20 MRS. BUTCHER: Your Honor, this has been asked and
21 answered several -- yeah, several times.

22 THE COURT: If you'll move on to your next question.

23 Q You have testified that you had a conviction for grand
24 theft in Florida. Three counts of grand theft.

25 Is that correct?

Demetrius Brown - Cross-examination
By Solicitor Finney

1 A Yes.

2 Q And that was in 2013?

3 A Yes.

4 Q All right. And apparently, after that, in 2017, you
5 had a conviction in Sumter County for burglary and for
6 forgery.

7 Is that correct?

8 A Yes.

9 Q And then, in 2019 in Charleston County, you had another
10 conviction for forgery.

11 Is that correct?

12 A Yes.

13 Q And as a result of one of more of these convictions,
14 you were not allowed to have possession of a handgun?

15 A That's correct.

16 Q And you knew that?

17 A Yes.

18 SOLICITOR FINNEY: Beg the Court's indulgence.

19 THE COURT: Yes, sir.

20 (Pause.)

21 Q Just a few more questions.

22 Tell us again -- I, I -- I'm, I'm sorry if I -- cause I
23 been asking questions.

24 where did Lonnie pull the gun from?

25 A His waistband.

Demetrius Brown - Cross-examination
By Solicitor Finney

1 Q And do you know what Lonnie had on at the time of his
2 death?

3 A I can't remember. So --.

4 Q Was it hidden when he walked from his car to your car?
5 Was, was the gun hidden?

6 A Yes, sir, I ain't see it. So --.

7 Q Do you know if his shirt was tucked in or not tucked
8 in?

9 A I don't know.

10 Q Well, if his shirt was tucked, and he walked to your
11 car, would you have been able to see the gun before he got
12 to you?

13 A I don't know.

14 Q I want you to see State's Exhibit No. 29 and see if
15 that's the clothing that Lonnie had on when he shot -- got
16 shot.

17 would you describe it to the jury?

18 A Green shirt and jeans.

19 Q What kind of shirt?

20 A I don't know what kind of shirt that is.

21 Q I'm just saying is it a button down shirt with a collar
22 or is it a t-shirt?

23 A Look like a t-shirt.

24 Q Is it tucked in or not tucked in?

25 A I can't really tell.

Demetrius Brown - Cross-examination
By Solicitor Finney

1 Q State's Exhibit No. 29.

2 When you saw Lonnie backing up away from you going to
3 his car, did he have his hands up and did he say anything to
4 you?

5 A No.

6 Q Did you hear Mr. Steve come out and say don't shoot?

7 A It was so much going on I really ain't even hear
8 nothing, you know. So it happened so fast. So --.

9 Q Can you show me on your Facebook data any messages that
10 you sent to anyone saying that Lonnie had a gun?

11 A No.

12 Q And after speaking with your attorney directly, you
13 left the State of South Carolina and went to Louisiana and
14 then somehow or another ended up in Florida?

15 A Yes.

16 Q You told your lawyer I believe or your testimony was
17 that you were scared of people sending you text messages
18 threatening your life.

19 Is that correct?

20 A No, I didn't say---

21 Q After you shot Lonnie, you got text messages which
22 caused you to leave the State because you thought you were
23 in danger.

24 A That's -- I got one message.

25 Q Okay.

Demetrius Brown - Cross-examination
By Solicitor Finney

- 1 A Yeah.
- 2 Q That's the reason you left the State?
- 3 Is that correct?
- 4 A Yes.
- 5 Q All right. Did you ever have any reason, before you
- 6 shot Lonnie, to be threatened by him or feel threatened by
- 7 him?
- 8 A Before I shot him?
- 9 Q Yes, sir.
- 10 A Yeah, he was trying to get me to go with him.
- 11 Q Okay. Other than what you said happened right there,
- 12 the confrontation right there at the door of your car, other
- 13 than that, before that when you saw him drive up, and you
- 14 saw him at the junkyard, any other time --
- 15 A Oh.
- 16 Q -- had you ever had any problems with Lonnie?
- 17 A No, I never had no dealings with him like that.
- 18 Q Had you ever seen him with a gun before?
- 19 A Did I ever see him with a gun before?
- 20 Q Have you ever seen Lonnie Pack with a gun before
- 21 August 11th?
- 22 A Yes.
- 23 Q You have?
- 24 A Yes.
- 25 Q That didn't cause you to have any fear for him?

Demetrius Brown - Cross-examination
By Solicitor Finney

1 A I know what he's about. So that's, that's, that's what
2 made me have fear of him.

3 Q Oh, so now you were afraid of him when you saw him that
4 day?

5 A No, I didn't say that. You just asked me about the
6 gun.

7 Q I just asked if you had, you had any problems with
8 Lonnie Pack --

9 A No, I said I never had no problem with him.

10 Q -- and you said no and I asked you did he -- you ever
11 see him with a gun.

12 A Yes.

13 Q Now, where did you see him with a gun?

14 A At Bennie's shop.

15 Q what kind of gun did he have?

16 A A stick.

17 Q A what?

18 A You know what a stick is.

19 Q No, sir, I don't.

20 A AK47, whatever.

21 Q So he had an automatic weapon?

22 A Or AR47. I mean AR15 or something like that, yeah.

23 Q All right. So he had an automatic rifle at Bennie's
24 shop?

25 A Yes.

Demetrius Brown - Cross-examination
By Solicitor Finney

1 Q Okay. And when you saw him at Bennie's shop, did he
2 have a gun stuck in the waistband of his pants?

3 A I don't know about no waistband.

4 SOLICITOR FINNEY: Beg the Court's indulgence.

5 (Pause.)

6 Q Thank you, Mr. Brown.

7 THE COURT: Redirect.

8 MRS. BUTCHER: Thank you, Your Honor.

9 REDIRECT EXAMINATION

10 BY MRS. BUTCHER:

11 Q This picture that was drawn by A.J., State's witness,
12 does it show Lonnie Pack's car with the doors open?

13 A Yes.

14 Q And you have no idea how they may have become -- gotten
15 closed when law enforcement took that picture, do you?

16 A No.

17 Q You had a chance to look at some of the evidence in
18 this case, correct?

19 A Yes.

20 Q Did you have a chance to look at A.J.'s red phone
21 before the State destroyed it and gave it back to A.J.?

22 A No.

23 Q Thank you.

24 No further questions.

25 SOLICITOR FINNEY: Nothing further.

1 THE COURT: You can step down, sir. Mr. Brown, you can
2 step down. You can just actually stay right there.

3 THE WITNESS: Uh-huh. (Affirmative).

4 THE COURT: Anything else before we, we adjourn for the
5 day?

6 MR. BUTCHER: Could I spend a minute looking at the
7 exhibit list to see if I'm -- we -- see if we've put
8 everything in?

9 THE COURT: Sure.

10 (Pause.)

11 MRS. BUTCHER: We rest, Your Honor.

12 THE COURT: Okay. Ladies and gentlemen, I'm gonna go
13 ahead and adjourn us for the day. In the morning when you
14 return you'll hear the closing arguments of counsel and then
15 I will give you the instructions on the law and then we will
16 turn it over to you for deliberations.

17 We will more than likely bring in lunch for you so you
18 don't have to try to negotiate lunch. So we'll bring that
19 in for you tomorrow just for your planning purposes.

20 Have a good night. Again, please don't begin
21 discussing the case.

22 THE BAILIFF: Your Honor, same time?

23 THE COURT: Yes, I'm sorry. 9:00 -- same time we've
24 been starting. About 9:20.

25 (WHEREUPON, the following takes place outside the

1 presence of the jury.)

2 THE COURT: Okay. I'm going to if -- do y'all want me
3 to print out a hard copy right now of my proposed jury
4 charges that -- so that y'all can take that with you?

5 I can email it to you but I'll be glad to do a hard
6 copy if that makes it's easier.

7 MR. BUTCHER: Since we're here. I'd, I'd like an
8 email, Your Honor.

9 SOLICITOR FINNEY: Email is fine, Your Honor.

10 THE COURT: Okay. Just to -- a little bit of
11 discussion about the proposed jury charges from the defense.
12 I have a list somewhere.

13 And, Mr. Finney, I think you were -- you got the same
14 email regarding proposed jury charges.

15 SOLICITOR FINNEY: I haven't seen an email, Your Honor.

16 THE COURT: Okay. I'll let you take a look as well. I
17 guess I need to know whether the defense is requesting a
18 charge on any lesser included offenses.

19 MR. BUTCHER: Your Honor, I, I think the hard part is
20 we don't have any factors that would warrant a lesser
21 included.

22 THE COURT: Well, I mean I -- that may very well be. I
23 just want to see if anybody was requesting that before we --

24 MR. BUTCHER: No, Your Honor.

25 THE COURT: -- go too much further.

1 The only thing -- it looks to me like most everything
2 that y'all have requested is included in the charges that
3 I'm gonna send you.

4 As far as duties of the judge, jury, and trial judge,
5 presumption of innocent.

6 Violent crimes, I wasn't gonna do the entire list of
7 violent crimes. I was only gonna list murder since that's
8 the only one he's charged with. Reasonable doubt.

9 Murder, the only thing that I have taken off of that is
10 there was some language that it may be inferred from certain
11 conduct, and the Supreme Court seems to be saying lately
12 that we should not give any examples of conduct to supply an
13 inference. So, my -- that's the only difference in my
14 murder charge is I don't have that malice may be inferred
15 from any specific conduct.

16 The charge on arrest and indictment looks like it's
17 identical to mine. The circumstantial Logan charge looks
18 identical.

19 The self-defense and the issue of any prior
20 difficulties, I don't know that there's a -- really a charge
21 on prior difficulties cause there's -- I don't think there's
22 been any testimony that the defendant and the victim had any
23 prior difficulties.

24 MR. BUTCHER: I, I think it was in anticipatory and I,
25 I don't think it kind of showed, showed out from that.

1 THE COURT: The two that I do have some issue with, the
2 South Carolina Protection of Persons & Property Act. State
3 versus Currie talks about whether or not you should charge
4 the Protection of Persons Act in a self-defense case.

5 I read that to say that it's the Protection of Persons
6 Act is pretrial and that does not get charged to the jury.
7 The jury gets a charge on self-defense.

8 MRS. BUTCHER: Your Honor, my understanding is that if
9 you did ask for the pretrial, you did not get the charge
10 after the trial. That's one reason I never did, did -- I'm
11 sorry. Do a Stand Your Ground, Your Honor. My brain's
12 gone.

13 THE COURT: Yeah, I think---

14 MRS. BUTCHER: So I---

15 THE COURT: My reading State versus Currie is that the
16 Stand Your Ground Statute is for pretrial hearing and it's a
17 bar to prosecution but that it doesn't get charged to the
18 jury and if you'll -- you take a look at State versus
19 Currie. That's my reading of it is that they don't get
20 charged on both. There's language in that case about how
21 that being -- that is hopelessly confusing to the jury to
22 charge both of those.

23 MRS. BUTCHER: Oh. Okay. And we'll look at that, Your
24 Honor.

25 THE COURT: And then the habitation charge, help me

1 understand how that's applicable here.

2 MR. BUTCHER: Because what I was, what I was looking at
3 was under the protection and privacy act, the Legislature
4 has extended the ability for someone to protect themselves
5 if they're in their car. And then if you look at the -- it
6 starts with a J. It's involved the parking lot and an
7 apartment. That was the -- that Judge Hearn wrote and it
8 was -- there were questions as to whether he was an invitee
9 or, or anything.

10 And while Judge Hearn authored it, I really think Judge
11 James was the genesis of it because he's always said, you
12 know, the way the Stand Your Ground Law is written is,
13 you're anywhere on the street, and if you were threatened in
14 such a way, you have no duty to retreat.

15 So, you know -- but from my prospective, I, I feel like
16 the defense of habitation, it should be converted in some
17 form to, you know, that your car is defensible and the
18 statute lays it out completely that you have the right --
19 and we have evidence, both from the State and from my
20 client, that says, you know, he was being, you know, pulled
21 out of the car and you remember A.J. Bradley. It was
22 disrespectful for him to be talking to the man from --
23 seated in the car and he was pulling him out.

24 So, from that prospective, we've got two sources of
25 evidence from other -- opposite sides. And so from that,

1 that prospective -- and I will review Currie, and its
2 progeny, as to that but I do believe that that's the
3 South -- that's the Legislature's intent is that that's
4 defensible, you know, so, that -- that's my interpret, or,
5 you know, our interpretation of it.

6 THE COURT: Do you want to be heard on that?

7 SOLICITOR FINNEY: Yes, sir. Yes, ma'am. I think that
8 the defense of habitation is clearly re, re -- designed and
9 restricted to the, the habit -- the habitat, the house.

10 THE COURT: I'm gonna look at it tonight in conjunction
11 with the Protection of Persons & Property Act and those
12 cases as to whether or not that affects the last prong of
13 self-defense which is the duty to retreat and I just want to
14 review that case law.

15 SOLICITOR FINNEY: And I, I would ask, in that regard,
16 that you look at State versus Santiago which stands for the
17 proposition that the defendant has a duty to retreat if he's
18 not on his property and could have done so rather than shoot
19 the victim was -- who was unarmed.

20 I also would ask, ask the Court to consider State
21 versus Lockemy which says the defendant is not entitled to a
22 charge of self-defense where he's no longer in danger when
23 he kills the victim.

24 I also would ask the Court to consider charging
25 voluntary manslaughter since a jury may fail to find all the

1 elements of self-defense but could find that there was
2 sufficient legal provocation and heat of passion to conclude
3 that defendant was guilty of manslaughter, not murder.
4 That's Wiggins, State versus Wiggins. I will try to find --
5 Wiggins. W-I-G-G-I-N-S.

6 THE COURT: Well, the State certainly has a right to
7 request a lesser included as well.

8 MR. BUTCHER: And, and, Your Honor, I, I, I would just
9 say there's no, no evidence of crime of -- of, of heat of
10 passion or provocation that would warrant a voluntary
11 manslaughter charge. And the other thing is by the tenor
12 and the substance of the questioning regarding Mr. Brown's
13 use of an attorney, I would like the Court to consider
14 charging that a -- it -- that a person has a right to
15 counsel and a right to see counsel.

16 THE COURT: If you want to submit a proposed charge
17 I'll be glad to look at any verbiage that you'd like me to
18 include.

19 MR. BUTCHER: Okay.

20 SOLICITOR FINNEY: What about the defense of necessity?

21 THE COURT: I think that it only pertains to the gun
22 charge but it looks to me that it's a correct statement of
23 the law.

24 SOLICITOR FINNEY: The only facts that are in evidence
25 are that there was a confrontation at the door of the truck.

1 My -- Mr. Pack pulled out a gun and Mr. Brown got the gun.
2 Once he got control over it, I don't see whether there -- I
3 don't see how he gets the benefit of the use of necessity
4 once he's got the gun in his hand and it's the only gun --
5 it's not like a club where everybody's shooting at
6 everybody.

7 This is a one gun case where he's got control of the
8 gun and I, I don't believe that necessity should, should fit
9 this situation.

10 THE COURT: Well, again, I think the necessity's only a
11 defense to the gun charge. Not to, to possession of the, of
12 the weapon by a person not allowed to have a weapon. It's
13 not a defense to murder.

14 SOLICITOR FINNEY: Well, I think a jury might be
15 confused as to the second gun charge, possession, possession
16 during a violent crime.

17 THE COURT: Well, I do think it would be a defense to
18 both gun charges.

19 SOLICITOR FINNEY: And that's my issue, Your Honor,
20 especially when there's only one story. It's not a
21 situation where we're trying to find out who shot first and
22 who pulled out his gun first. It's a one gun situation.
23 And once he got possession of the gun, according to his
24 version of the facts, there was no necessity.

25 THE COURT: The way I interpret is, and y'all correct

1 me if I'm wrong, they want a charge on necessity for why he
2 took the gun from Lonnie Pack and had it in his possession.
3 Not, not as a defense to murder but as a defense to being --
4 why he was in possession of that -- a handgun.

5 Is that correct, Mr. Butcher?

6 SOLICITOR FINNEY: Then it wouldn't apply---

7 MR. BUTCHER: Yes, ma'am.

8 SOLICITOR FINNEY: If he convicts him of murder -- if
9 the jury convicts him of murder, then he would
10 automatically, I -- under my scenario, be guilty of
11 possession of the weapon during the violent crime.

12 THE COURT: Well, I mean usually that -- one does
13 follow the other in -- on the verdict forms, yes, sir.

14 SOLICITOR FINNEY: which is the underlying reason for
15 why I don't believe the defense of necessity should be
16 charged because it would lead to a possible --.

17 THE COURT: Well, I mean there could ultimately be a
18 verdict of not guilty of murder but guilty of the other two
19 absent a necessity, a necessity charge.

20 You know what I'm saying?

21 That's what -- when it would come into play is if the
22 jury determined that he was not guilty of murder and then
23 they were looking at the gun charge and whether or not the
24 defense of necessity came into play with the two gun
25 charges.

1 SOLICITOR FINNEY: well, I, I believe you're gonna
2 charge them that they can't find him guilty of possession of
3 a weapon during a violent crime if they don't find him
4 guilty of the violent crime.

5 THE COURT: No. But they could find him guilty of
6 possession of the firearm.

7 SOLICITOR FINNEY: Right.

8 MRS. BUTCHER: And just -- I think you mentioned
9 spoliation, that you were gonna look at it more.

10 Am I wrong or I just wanted to make sure that was
11 covered, Your Honor?

12 THE COURT: I just -- before we -- before I decide or
13 not, I need, I need to give Mr. Finney a chance to read
14 that.

15 MRS. BUTCHER: Okay.

16 THE COURT: I, I do have -- it looks like the content
17 of it is identical I think to what I've got in my charge
18 books. So, I don't have any problem with the content of it.
19 It's really just whether or not it's applicable.

20 MRS. BUTCHER: Thank you.

21 THE COURT: So, if we can discuss that in the morning
22 and I'll give y'all my final answer on the Protection of
23 Persons & Property charge and habitation and the lesser
24 included of voluntary manslaughter.

25 MRS. BUTCHER: Thank you, Your Honor.

1 THE COURT: Will y'all give me your email addresses and
2 I'll email these to you?

3 I think I've got yours, Mr. Finney.

4 SOLICITOR FINNEY: Yes.

5 MR. BUTCHER: And I emailed both you and your clerk
6 earlier, earlier. But you -- I'm sure you get a lot. It
7 starts R. Butcher.

8 MRS. BUTCHER: We'll write it down.

9 MR. BUTCHER: And does your email auto-populate?

10 THE COURT: Not sure.

11 MR. BUTCHER: And Debbie's is easy. It's D. Butcher.

12 MRS. BUTCHER: We're, we're gonna write it down for
13 you, Your Honor, and hand it up.

14 THE COURT: Okay. I've just sent, sent those by email.

15 MRS. BUTCHER: Thank you, Your Honor.

16 THE COURT: Okay. We're adjourned.

17 MRS. BUTCHER: Thank you, Your Honor.

18 And 9:30 what you said, Your Honor?

19 (WHEREUPON, there was no audible response.)

20 MRS. BUTCHER: Okay.

21

22 (WHEREUPON, Court was in recess for the evening.)

23

24

25

1 Friday, February 18th, 2022

2
3 THE COURT: Okay. I wanted to talk with y'all about
4 the jury charges.

5 First of all, on the issue of the charge on the
6 Protection of Persons and Property Act, I have reviewed I
7 think every case published on it. I'm still of the opinion
8 that it's not a proper charge to go to the jury.

9 It appears to me very clear from the case law that
10 whether a person's entitled to immunity under the act is a
11 pretrial determination. The Circuit Court sits as the trier
12 of fact. The defendant has the burden of proof by
13 preponderance of the evidence versus now that we've already
14 gone through the trial and, of course, the burden's on the
15 State to prove it -- every element beyond a reasonable doubt
16 and to disprove self-defense beyond a reasonable doubt.

17 So I think Currie controls and Justices Pleicones --
18 Justice Pleicones' concurring and dissenting opinion where
19 he says, while a criminal defendant's entitled to have the
20 issue of statutory meaning be decided prior to trial by a
21 judge, once the case goes to trial, a defendant's right to a
22 jury charge on these defenses is determined under common law
23 principles.

24 So, you'll see I've got the common law self-defense
25 jury instruction and the proposed charges that you've been

1 given a copy of.

2 I've also looked at Wiggins and State versus Starnes on
3 the issue of voluntary manslaughter. I do think it's an
4 appropriate charge, that there are sufficient facts to allow
5 that to go to the jury on either murder or the lesser
6 included of voluntary manslaughter.

7 Anything else that we need to discuss?

8 You will see that I added a section on the prior record
9 can only be considered for purposes of impeachment and not
10 for determining whether he committed the offense on trial
11 for. I added the charge for voluntary manslaughter.

12 Anything else we need to talk about with respect to the
13 jury charges?

14 MR. BUTCHER: Yes. Yes. We've -- and, you know, I'll
15 go -- we'll go ahead and object to the manslaughter, the
16 voluntary manslaughter charge, and I would ask that the
17 Court -- what, what are -- and, for the record, what are
18 the, what are the specific findings that the Court --?

19 THE COURT: Sure. So there's got to be both, let me
20 find the language here, sudden heat of passion and
21 sufficient legal provocation.

22 So, the case law does say that fear resulting from an
23 attack can constitute a basis for voluntary manslaughter.
24 So, the issue is his testimony that there was a tussle over
25 this firearm and that he then shot him immediately after

1 this tussle.

2 In Starnes, the Court said it was either, under those
3 particular circumstances, it was either murder or it was
4 self-defense where the person was not pointing a gun at the
5 defendant. But I think, in this case, we've got enough
6 facts from your client over this tussle over the gun and
7 then the immediate shooting to meet both of those prongs.

8 MR. BUTCHER: Thank you, Your Honor.

9 THE COURT: And, of course, the state law -- the case
10 law says that if there's any evidence to support the
11 voluntary manslaughter charge that it should be charged.

12 MR. BUTCHER: Thank you, Your Honor, and---

13 THE COURT: Sure.

14 MR. BUTCHER: ---should the State comment negatively in
15 any fashion regarding Mr. Brown exercising his
16 constitutional right to seek counsel, I, I, I would ask the
17 Court to consider some type of corrective instruction that,
18 that seeking counsel is not evidence of guilt or innocence
19 in any form in any capacity and, and that's acknowledged by
20 the Courts around the country.

21 So, I, I think if, if that is addressed in that way I
22 think that's a -- that should be an issue --

23 THE COURT: Okay.

24 MR. BUTCHER: -- and we would ask that --.

25 SOLICITOR FINNEY: Your Honor, I do plan to make a

1 comment on the actions of the defendant after the shooting.

2 THE COURT: Uh-huh. (Affirmative).

3 SOLICITOR FINNEY: But I don't think I'm gonna cross
4 the line of saying that he must of thought he was guilty
5 because he called his lawyer. I'm not gonna do that.

6 THE COURT: well, I guess I'll have to hear it in order
7 to determine what---

8 SOLICITOR FINNEY: Yes, ma'am.

9 THE COURT: ---a proper charge would be.

10 MR. BUTCHER: Also, I made an error on Exhibit 13. I
11 uploaded Mr. McCain's video onto that thumb drive instead of
12 Mr. Bradley's video, and I would ask to substitute it, and
13 I've asked Mr. Finney, and he said it was okay. It's in
14 without any objection.

15 SOLICITOR FINNEY: No objection.

16 THE COURT: Okay.

17 MR. BUTCHER: All right.

18 THE COURT: we'll substitute 13 then.

19 MR. BUTCHER: Let me hand that to the court reporter.

20 THE COURT: You-all have had a chance to review the
21 verdict forms?

22 MRS. BUTCHER: I'm, I'm sorry, Your Honor. I didn't
23 hear what you said.

24 MR. BUTCHER: The verdict forms.

25 MRS. BUTCHER: Oh.

1 MR. BUTCHER: We -- you know, again renewing the
2 objection to the voluntary manslaughter but --

3 THE COURT: Yes, sir.

4 MR. BUTCHER: -- do -- have we closed?

5 MRS. BUTCHER: Yeah. Yeah.

6 MR. BUTCHER: Oh, oh, and we've done directed verdict
7 or --?

8 THE COURT: You have not.

9 MRS. BUTCHER: Yeah, that's right.

10 MR. BUTCHER: I'd like to do that.

11 Is it okay to do that now?

12 THE COURT: Sure.

13 MR. BUTCHER: All right. Your Honor, we renew our
14 motion for directed verdict. We believe the State has not
15 shown any, any, any elements of the crime he's been charged
16 with, which is murder. We believe -- and hold on. Just
17 lost what I was suppose to be holding.

18 So, we do not believe that the State has shown that he
19 has -- that Mr. Brown had malice aforethought in, in this
20 and, and we believe that there's no evidence for the Court
21 to consider.

22 With that, the additional charges involving weapons
23 should be dismissed as if he didn't commit a violent crime
24 or then we believe that that should be dis, dismissed also.

25 THE COURT: Do you want to respond, Mr. Finney?

1 SOLICITOR FINNEY: Your Honor, please.

2 Thank you for the opportunity.

3 I believe that, that the testimony and evidence that's
4 been submitted, all of the elements of the crime of murder,
5 possession of a weapon during the commission of a violent
6 crime, and unlawful possession of a weapon have been met and
7 there is -- it's up to the jury to decide if they believe
8 the evidence. But they, they -- all of the elements have
9 been checked.

10 THE COURT: Thank you.

11 Again, I do think that there is sufficient evidence for
12 the jury to make the determination. So, the motion for a
13 directed verdict is respectfully denied.

14 MR. BUTCHER: Thank you, Your Honor.

15 SOLICITOR FINNEY: Your Honor, could you give us
16 instructions on the format for closing?

17 THE COURT: Yes, sir.

18 So the State's gonna give their closing in full, then
19 the defendant, and then, Mr. Finney, you'll get a chance for
20 a reply but it needs to be true reply. Can not bring up any
21 new matters in your reply.

22 SOLICITOR FINNEY: Thank you, Your Honor.

23 THE COURT: Anything else we need to address?

24 SOLICITOR FINNEY: None from the State.

25 MR. BUTCHER: No, Your Honor.

1 But, one, once the jury is charged and, and we have all
2 the exhibits out and the jury is settled, I -- Debbie and I
3 would like to have a conference with you and Mr. Finney in
4 chambers --

5 THE COURT: Sure.

6 MR. BUTCHER: -- if that's possible please.

7 THE COURT: Sure. And we'll see what the timing is,
8 whether we needed to let the jury take a break between --
9 either between closings or between closings and my
10 instruction. I don't like to leave them sitting there for
11 too long for fear that they will drift off.

12 SOLICITOR FINNEY: I don't expect to be very long. I
13 mean---

14 THE COURT: I'm sure it will be rivetting. I don't
15 mean to say that you're gonna put them to sleep at all. But
16 my, you know, my instructions aren't exactly the most
17 rivetting thing in the world. So, sometimes it's better to
18 let them stretch their legs a little bit before I start
19 reading to them.

20 MR. BUTCHER: Do you---

21 THE COURT: Okay. We're ready.

22 MR. BUTCHER: Do you send your instructions back with
23 the, the jury?

24 THE COURT: Generally I don't unless they ask for it.
25 I -- and I know there's differing schools of thought. I

1 mean if y'all both wanted me to send it back I can send it
2 back. Sometimes they get a little in the weeds with it if
3 we send back 20 pages of instructions.

4 MR. BUTCHER: I'm fine, I'm fine with it but it's --
5 I've never had problems with that.

6 SOLICITOR FINNEY: I think, if they want them, let them
7 ask for it.

8 THE COURT: Yeah. Generally I mean, if they ask for
9 it, I will give them the full instruction.

10 MR. BUTCHER: All right.

11 THE COURT: Okay. If you will bring the jury in for
12 us.

13 THE BAILIFF: Yes, ma'am.

14 THE COURT: Thank you.

15 (WHEREUPON, the following takes place within the
16 presence of the jury.)

17 THE BAILIFF: The jurors are all seated, Your Honor.

18 THE COURT: Thank you.

19 Okay. Ladies and gentlemen, we are gonna move straight
20 into closing arguments.

21 Mr. Finney.

22 SOLICITOR FINNEY: Please the Court, Your Honor.

23 Good morning, Your Honor.

24 Good morning, ladies and gentlemen.

25 (WHEREUPON, the jurors respond good morning.)

1 SOLICITOR FINNEY: I am very glad that I don't have to
2 wear my mask for me. So, I'm, I'm sorry you have to wear
3 yours.

4 I'm also very glad that you-all, 14 of you, agreed to
5 follow the process and come in and spend the week with us.
6 It is a very important week for the system of criminal
7 justice.

8 We have been shut down for the past two years because
9 of COVID and it has really affected our ability to move
10 cases and to get people together safely to keep the wheels
11 of justice turning.

12 I have four courthouses that I supervise, Williamsburg,
13 Clarendon, Sumter, and Lee. So, I've got four times the
14 problems that I had before COVID.

15 But it always, always has been a pleasure to serve the
16 community when I know that people like you will come up and
17 do your civic duty to serve jury service.

18 One of the judges that I grew up under use to tell the
19 juries that, next to going into the military and serving
20 your country, jury service is the next most important thing
21 that you can do as a citizen. And, as a lawyer, I know
22 that's the case because I see people all the time trying to
23 get out of jury service.

24 And what we need in this community and in this system
25 is good people to spend their time and help us because the

1 system really depends on good people coming and using their
2 common sense, and listening to the law, and giving their
3 time to say yes, this is a problem and we're gonna help
4 solve the problem.

5 I always like to thank the family for letting me work
6 the case for them. I've gotten to know the Pack family very
7 well over the last year or two and they've had to wait
8 through COVID. They've had to wait almost -- it will be
9 four years this summer that they've had to wait for their
10 day in court. So, I want to thank them for giving me the
11 opportunity to represent them.

12 The staff here, law enforcement, Mrs. Gwen, who's a
13 special assistant, she works at the Sheriff's Office but she
14 helps me with all my cases. She's the only human being that
15 we have been able to find that still writes in shorthand.
16 So, she can take everything down from a trial for five days.
17 Everything that's been said is in her notebook cause she
18 takes the shorthand, which is a little easier than dealing
19 with the computer cause we don't have time to stop sometime
20 to deal with computers.

21 The State versus Demetrius Brown charged with murder,
22 possession of a weapon during a violent crime, and unlawful
23 possession of a pistol or a weapon.

24 The judge is gonna charge you the law after the lawyers
25 talk to you this morning. I believe you've been listening

1 closely. I don't think it's been a complicated case.
2 Tuesday, Wednesday, Thursday, we had three days of testimony
3 and very clear witnesses that this was a, a tragedy. It's
4 gonna be a tragedy if you find him guilty and send him, send
5 him away because he's a young man. But there are
6 consequences to your actions.

7 I'm gonna talk a little bit about the law. Then I'm
8 gonna talk a little bit about the facts that you've heard.
9 And then I'm gonna ask you to do what we have asked you to
10 do the whole week, listen and use your common sense.

11 Saturday, August the 11th, 2018, it's about 3:40 in the
12 afternoon. Nice day. Mr. Steve McCain is running his shop,
13 which he just opened, and he is right here on South Pike
14 right near -- right here is on South Pike. His shop is
15 right here. He's got a nice shop. He's got a big area
16 where he can work on cars.

17 Demetrius Brown comes down there that day. He's
18 hanging around because he's got a car there being worked on.
19 Got a battery charger on the car trying to charge the
20 battery and Mr. McCain hears a pop. D. Brown's been there
21 for a while. Maybe an hour. Maybe longer. Just walking
22 around doing what he does.

23 There's a guy in there named Mayfield Johnson. He's --
24 he works there. He's working on cars and Mr. McCain's
25 daughter is there. She's doing what -- whatever, office

1 work, or helping her dad.

2 Mr. McCain hears a pop. He thinks it's the battery
3 charging. It's done blown up a battery, which is concerning
4 to him cause, you know, he might have to pay for it if
5 somebody's made a mistake or something. So, he gets up to
6 look and then he hears two more pops and he tells you that
7 he saw Demetrius Brown firing a weapon at a man, he didn't
8 know the man, and the man was going to the ground.

9 He heard this and saw this all so fast cause he wasn't
10 expecting it. He said stop, don't shoot. The man who did
11 the shooting, the man who had the gun, didn't stop to tell
12 Steve McCain anything. Didn't explain himself. Didn't say
13 call the police. Didn't say oh, my God, you should of seen
14 what happened. This man came up to me with a gun, pulled a
15 gun on me, told me I had to go with him. He didn't say any
16 of that. He jumped in his black Ford Expedition and sped
17 away.

18 Steve McCain did not see a gun in Lonnie's hands, and,
19 more importantly, Steve McCain never saw a gun that
20 Demetrius Brown says that he threw down on the ground before
21 he sped away with the clip out.

22 Steve McCain called 9-1-1, according to the timeline,
23 at 3:47 in the afternoon on that day, and, within three or
24 four minutes, police officers from the city had arrived and
25 they put up the tape and they started working on Lonnie to

1 try to save him till the ambulance got there, and they
2 looked around to see what was going on. One of them had a
3 body cam, one of the officers had a body cam, and I'm gonna
4 show you the video so you can see it again of what Steve
5 told the officer he had seen, and what had happened, and who
6 did it, and what he looked like, and what car, everything.
7 Steve was a great witness.

8 when the police got there, put up the evidence tape,
9 they didn't find any gun laying on the, on the ground. They
10 didn't find any empty bullet clippings. Two or three shell
11 clippings should of been there on the ground. Weren't
12 there.

13 A.J. Bradley, young man lives in Sumter, he's a friend
14 of Lonnie's. They been riding around. They been to
15 Bishopville that Saturday. A.J. got picked up when another
16 guy, we don't know him, couldn't find him, he -- the three
17 of them rode together to Bishopville, spent the morning
18 talking about Lonnie was gonna get some equipment for his
19 lawn service business. They might of eaten something. They
20 come back. They come to the El Cheapo.

21 They get to the El Cheapo at 3:39 in the afternoon.
22 That's less than 10 minutes before the 9-1-1 call was made.

23 A.J. says he spent the day with Lonnie. Heard nothing
24 about going to, to -- having, having Lonnie -- they didn't
25 discuss anything about going to hurt anybody, going to fight

1 anybody, going to threaten anybody.

2 They get to the shop. They get out of the car. He
3 says Lonnie doesn't have a gun. He doesn't have a gun. He
4 doesn't know the man in the car or next to the car,
5 Mr. Brown. A.J. doesn't know him but he knows that
6 Mr. Brown pulled out a gun, that there was no struggle.
7 Mr. Brown pulled out a gun, and as soon as he saw the gun he
8 started running, the other young man started running, and
9 Lonnie started running.

10 Mr. Brown, who's not suppose to have a gun, has already
11 pulled his gun and is getting ready to use his gun. That
12 action at that time is where you find us believing he formed
13 the malice that is necessary to convict him of murder.

14 As the judge is gonna charge you, murder is defined as
15 the intentional killing of another person with malice
16 aforethought. Aforethought means it came in your mind, you
17 thought about it, and you acted on it.

18 You got to have the malice. You got to, you got to
19 understand that he was prepared for by having a gun he
20 wasn't suppose to have and he thought about it. I'm not
21 gonna let this happen and I've decided I'm gonna do what I
22 need to do and he fired that gun multiple times, at least
23 twice, probably three times. We don't know because the
24 shell casings weren't where they were suppose to be and the
25 gun was never there where he says it was but it was never

1 there.

2 As soon as the first shot rang out, Lonnie,
3 started running, A.J started running, and this other guy
4 started running.

5 Let's talk about Lonnie Pack. All week long the
6 defense has tried to paint Lonnie Pack as a drug dealer or
7 someone in the drug business.

8 We couldn't wait to bring the SLED agent from SLED to
9 show you the toxicology report that Lonnie didn't have any
10 drugs, any alcohol, any marijuana in his system at all
11 according to the report. Negative, negative, negative,
12 negative. Twelve panels, negative on all.

13 Yes, there was marijuana in the car. I'm not stupid.
14 I saw the pictures. But there were two other people in the
15 car.

16 Lonnie's 35 years old. He got a clean tox. He's
17 hanging out with two guys who are 25 years old and they like
18 to have some marijuana apparently. One of them's got a
19 scale. I don't know who the bags belong to.

20 Lonnie Pack, there's no evidence that should be able to
21 convict -- convince you that Lonnie Pack knew there was
22 marijuana in the car, knew that there -- the scale was
23 there. It's a little black box. It looks like a cellphone
24 if you just look at it from the outside.

25 A pill bottle in the back. Doesn't have Lonnie's name

1 on it. Doesn't have Lonnie's family's name on it. We don't
2 have any evidence, evidence to connect it to him.

3 As a matter of fact we really don't have any evidence
4 that that car he was driving was his car. It was a Chrysler
5 300 with temporary tags but he was driving the car.

6 No evidence of any weapons in the car. No evidence
7 that they were doing anything but coming to see Brown.

8 Oh, there is more evidence. Lonnie's on the ground.
9 They check his pockets. He doesn't have maybe a, a couple
10 dollars in, in change. That's not how a high rolling, drug
11 mans rolls usually. No money.

12 Matter of fact, you had information given to you that
13 Lonnie was kind of looking for some help with his finances
14 cause he had some bills he had to pay. Doesn't sound like
15 much of a drug dealer to me.

16 Don't forget, the facts, they matter. Clean tox
17 report. No money in his pocket. No drugs in his pocket.
18 Haven't -- looking for some help to make ends meet with his
19 bills. That's Lonnie Pack.

20 Let's talk about the instant messages that were shown
21 by the, the defense. In the exhibit you see that there's a
22 lot of texts going on between Lonnie and a guy named Seneca.

23 I would say, from my reading of the texts, and you have
24 your ability to go back in the jury room and talk among
25 yourselves and come to a conclusion, I would say that Seneca

1 had a real problem with Mr. Brown. Apparently there was a
2 car deal that didn't go very well and Seneca was upset about
3 it. But there's nothing in here to show that Lonnie had any
4 problems with Mr. Brown.

5 Mr. Brown told you on the stand yesterday that he seen
6 Lonnie at the junkyard. They had no problems. There was no
7 reason for Mr. Brown to be fearful of Lonnie rolling up in
8 the Chrysler that day at the shop. But they've had a long
9 time to put together their story and their story is Brown
10 was afraid of Lonnie.

11 Lonnie, this big bad guy whose got this plan to, to
12 hurt him, comes up to the, to the shop with a gun and this
13 guy, who isn't expecting any trouble, manages to take the
14 gun from Mr. Brown -- from Mr. Pack.

15 I -- you've got the autopsy report. Look at how big
16 Mr. Pack is. He's a big fellow. Look at the picture of him
17 laying on the ground. Lonnie Pack is a big fellow. But
18 this guy took his gun from him and shot him with it multiple
19 times and think about this.

20 Who's the one person in this case who exhibited a lot
21 of experience handling a gun that he had never handled
22 before?

23 That man testified, after he shot Lonnie, the gun
24 jammed. He cleared the jam and took the cartridge out and
25 threw it on the ground. Come on.

1 He took Lonnie's gun and did all that in two minutes
2 and then left the gun on the ground with his fingerprints on
3 it knowing that he had shot somebody?

4 And then he drives past the police station and doesn't
5 call 9-1-1. He doesn't even drive to Camden to see his
6 lawyers 40 miles down the road.

7 He calls them on the phone and then what does he do?

8 He gets somehow another -- back to a safe place cause
9 he spends the night in Sumter. I guess he's on the phone
10 talking to his brothers about getting me a Uber, I got to
11 have -- I got to get out of here. I got to go to Louisiana.

12 Come on. He's gone for four days. Saturday he shoots
13 Lonnie. Sunday he's in Sumter. He gets a text from some
14 girl. We don't know what, what -- she's got anything about
15 and he says he feels threatened. So he leaves.

16 He's gone Sunday. He's gone Monday. He's gone
17 Tuesday. He's gone Wednesday. The 15th he's captured in
18 Florida by the officials and brought back.

19 He had more important things to do than tell his story.
20 He had more important things to do than to report this. He
21 had more important things to do. He had to check on a house
22 in Florida. He had to go to Louisiana and get some things
23 straight.

24 Come on. He's had three, almost four years to put this
25 story together.

1 Conversation's in here for you to review. There was
2 conversations between Lonnie and, and Seneca. Seneca's
3 phone number is in Lonnie's phone. You can see that. They
4 called all the time.

5 Brown's phone number is in Lonnie's phone under D. Pack
6 or Big D. It's never been called. From 2017 to 2018 Lonnie
7 never called D. Brown. As far as I know, I think we
8 checked, D. Brown never called Lonnie.

9 The time information on these details is, is not
10 correct. I didn't trust it. That's why I didn't put it in
11 evidence. If you want to know why I don't trust it, look at
12 the Page 55. It's Exhibit Number 40 I believe is what I'm
13 looking at.

14 After the shooting took place and Lonnie was carried to
15 the hospital and his phone was put into the pocket, well
16 taken out of his pocket and put in the hands of EMS, the
17 report says instant message, outgoing, from Lonnie's phone,
18 August the 11th, 2018, at 6:47.36PM to Seneca. Brah, I
19 need you. I'm gonna make that happy. I need to pay my
20 light bill before five o'clock. It 250. I don't like to
21 ask.

22 6:47, three hours after the shooting, the phone is
23 reporting Lonnie is sending a message to Seneca. The
24 message is on the report between Seneca and Lonnie starts
25 off with got a major little job, buddy, for you. Dude sold

1 my people a car that was stolen.

2 So, their theory is let's make it look like there was a
3 hit. That's the word he used on the, on the messages that
4 he sent to Seneca. It's in evidence.

5 So you put a hit on a real brah. That's Brown talking.
6 Seneca says keep -- don't text me. I'm out here.

7 (Indiscernible) keep my name out of your mouth.

8 The next message from Brown. Nah, don't try to back
9 out now. Lonnie just rolled up on me. Call you and ask
10 what to do with me. I heard your voice.

11 So, if Lonnie Pack rolled up there and he didn't know
12 what to do with Brown, so he's -- I mean he didn't know --
13 yeah, he didn't know what to do with Brown. So he's calling
14 Seneca. Fifty-seven second phonecall we know was the last
15 phonecall Lonnie made before his life was taken.

16 For 57 seconds he's standing there with Brown right
17 here in the car. I'm on the phone talking to him. I got my
18 two partners with me cause we just been together all day in,
19 in Bishopville and I don't know what to do.

20 It makes me think that Lonnie was not looking for Brown
21 but he found Brown. He left the gas station heading around
22 the go -- corner to go somewhere to do something, to eat, to
23 drink a beer, whatever they do that Saturday afternoon, and
24 he saw the black Ford. He saw Mr. Brown. He pulled into
25 the shop. He got on the phone and said hey, Seneca, I got

1 Brown here. What you want me to do with him.

2 When Brown heard that, he overreacted because he had
3 been sending messages to Seneca. He pulls out his gun like
4 A.J. said, and before the three guys started running, Brown
5 started firing.

6 I thought at first that we were gonna hear something
7 about why the shell casings weren't there when Mr. Brown got
8 on the stand. I don't get to talk to Mr. Brown. I don't
9 get to take a deposition of him before we start this trial.
10 I come in here blind. That's part of the rights he has.

11 He doesn't have to say anything to me. He doesn't --
12 he gets to get a copy of all of these people---

13 MR. BUTCHER: Objection, Your Honor. Burden shifting
14 and Fifth Amendment.

15 THE COURT: Ladies and gentlemen, the Constitution
16 guarantees every person the right to remain silent, and
17 that's one of the cornerstones of our Constitution, both
18 state and federal.

19 So, Mr. Finney's correct. The defendant does not have
20 to make any statements whatsoever to law enforcement and has
21 the absolute Constitutional right to remain silent.

22 Thank you.

23 SOLICITOR FINNEY: Thank you, Your Honor.

24 So I don't know what happened because I asked the
25 police obviously when I, when I got the file, the man's been

1 shot. SLED says it's a .380 auto. That means it was a
2 semiautomatic pistol. That means the shell casings.

3 where are the shell casings?

4 well, maybe the shell casings are in his car if he was
5 inside the car but A.J. says no, he kept -- he got out the
6 car. The shooting didn't happen. Mr. Brown says, when he
7 shot, Lonnie was backing up. Mr. Brown says Lonnie was
8 backing up away from him with his hands up. I wrote it
9 down. Lonnie was backing up with his hands up. I shot
10 twice.

11 That's what he said happened. But he says he had taken
12 Lonnie's gun from him and then he says he broke down the gun
13 after shooting him twice and put it on the ground.

14 Let me just go over the timeline with you for a minute.
15 On the video that you have in evidence which you can look at
16 again if you'd like to, Lonnie's car is at the El Cheapo.
17 The video shows him pulling in at 3:39 for 20 seconds.
18 That's what the, the stamp on the clock says.

19 I made -- you know, this -- I'm not -- this is off two,
20 three seconds maybe from the time that's on your cellphone.
21 I don't know. That's, that's what we're working with.

22 At 1:43, I'm sorry, 3:43:08, Lonnie's leaving the El
23 Cheapo. Three or four minutes he's in the car. I think
24 there's a tape of that. Lonnie doesn't get out of the car.
25 He's sitting there. He comes out around the gas station.

1 As you see on the video, he -- and I'm talking about
2 the map that we've put in, State's Exhibit 1, he comes into
3 the gas station, parks under the canopy, pulls out of the
4 gas station, comes up the pike, turns right. You last see
5 him leaving about 3:43. It doesn't take him very long to
6 get down to the shop.

7 He gets down to the shop and we've had testimony about
8 what happened at the shop, and, at 3:46, I think it's
9 3:46:46, you see the black SUV of Mr. Brown coming by the El
10 Cheapo. Three minutes. Three minutes. That's from Lonnie
11 to get to the El Cheapo -- I mean leave the El Cheapo, get
12 to the shop, get out of his shop, have a 57 second
13 conversation with Seneca. Nothing was going on while he was
14 talking on the phone. Brown was sitting in the car. My, my
15 guy Lonnie's talking on his phone. He takes the phone down,
16 puts it in his pocket, and Brown shoots him two or three
17 times, gets in his car and leaves.

18 Remember what Mr. McCain said when the lawyer asked him
19 did Brown stick around after the shooting. Mr. McCain said
20 yeah, he lingered for a little bit, something to that
21 effect. He only had three minutes to get to the camera that
22 caught him driving away. Lonnie was on the phone for one of
23 those minutes, 57 seconds. So, he really only had two
24 minutes.

25 In two minutes he decided to pull out his gun, fire it

1 at a man who was backing away with his hands up, put the gun
2 down on the ground, get, get in his car and come back to be
3 caught on camera.

4 Next thing on the timeline is 3:44. Let me put that in
5 here because, at 3:44, the 9-1-1 call is made by Steve
6 McCain.

7 Please -- play the 9-1-1 call and I'm -- I apologize.
8 I made a mistake. It was at 3:47. It should go down here.

9 (WHEREUPON, the 9-1-1 call was played at this time.)

10 SOLICITOR FINNEY: One minute after you see the black
11 SUV on the camera at the El Cheapo the call comes in from
12 Mr. Steve.

13 The one thing that I wanted to put up here at 3:44 is
14 the 50 second -- according to the report, the last call on
15 that phone that Lonnie had was at 3:44. He called Seneca,
16 and, according to Brown, he said something to the effect of
17 what you want me to do with him.

18 Doesn't sound like much of a plan had been put
19 together. It doesn't sound like Lonnie even knew -- I mean
20 there's no evidence that Lonnie knew where Brown was that
21 day. No evidence Brown knew where Lonnie was and nobody
22 knows where Seneca was.

23 I believe, when Lonnie left the El Cheapo, he saw the,
24 the car. He saw Brown. He pulled in and he said I'll get
25 on the phone and call him. 3:44 to 3:46, in two minutes

1 between the call, the shooting, and his leaving. Two
2 minutes.

3 Mr. Brown never told you there was any scratches on
4 him. Never told you there was any -- a big fight. A.J.
5 says there was no fight. Brown was sitting in his car.
6 Lonnie came up to talk to him. Brown pulled out his gun and
7 Lonnie pushed on the door, which means he didn't have
8 anything in his hands, pushed on the door to keep Lonnie --
9 Brown in the car. And when that didn't work, Lonnie ran.
10 The other guys ran. Lonnie got shot.

11 we know Mr. Kellahan had the phone from the EMS
12 operator. we know that they put everything they could from
13 inside the car to Lonnie's phone to everything to try to
14 bring it to Court so that we could have a complete, thorough
15 picture of what happened that day.

16 There's gonna be some talk about investigators of my
17 office giving away or destroying evidence, the red iPhone.
18 A.J. had a right to get his phone back I thought. I checked
19 with the officers. They didn't have a problem with it. I
20 didn't have a problem with it. It didn't seem to be
21 connected.

22 I would never throw away evidence if it had some value
23 to the case. The man had lost or left his iPhone in the
24 car. He wasn't prepared for what they found that day.

25 The other man left his property in the car, a scale and

1 whatever else he had. I gave it -- the, the iPhone back.
2 Signed it out proper. We do that from time to time.
3 People -- I mean there's times when crimes get committed in
4 the cars and we have to give the cars back. We take
5 pictures. We make sure we got everything. We give it back.

6 we weren't trying to hide anything. There's nobody --
7 nobody said there was anything on the phone.

8 what was he doing, taking pictures at the time?

9 Doesn't sound like it. He couldn't. He was at the
10 back of the car. By Brown's own testimony, the car -- the
11 camera was in -- I mean the, the phone was in the car. He
12 wasn't on the phone. He wasn't taking pictures with the
13 phone.

14 So, what good was the phone doing?

15 why would they make such a big issue out of it?

16 Because it takes your vision away from the facts that
17 need to be adjudicated today, the murder charge. Anything
18 to take your attention away from the murder charge.

19 Let's talk about the iPhone. Let's make it look like
20 they hid evidence. Let's talk about the marijuana even
21 though it -- we don't have any connection with Lonnie and
22 the marijuana, even though Lonnie's tox is clean, he got no
23 drugs in his system, he got no money in his pockets to even
24 buy drugs, let's talk about something else.

25 Get the jury to think about other things instead of the

1 main thing. The man who wasn't suppose to have a gun comes
2 to the place with a gun and uses the gun and takes the gun
3 and the shell casings away from the crime and does not
4 report a thing and has to be brought back from Florida.

5 Mr. Brown is guilty as charged of the crime of murder
6 because he facilitated the death of Lonnie Pack without
7 justification.

8 You're gonna hear the Court tell you about
9 self-defense. Self-defense has four steps.

10 The first step is that you must not be -- you must not
11 have brought on the difficulties. Mr. Brown, in order to
12 claim self-defense, has to -- we have to show that he
13 brought on the difficulties.

14 well, here's what I think. I think he brought a gun to
15 the shop that day. I think he was armed when he got that
16 day to the shop. He was armed when the Chrysler came up and
17 he used the, the pistol that he had armed himself with. So,
18 he's not clear on the issue of not bringing -- of, of having
19 brought about the difficulties.

20 He did bring about the difficulties cause Lonnie came
21 there to talk to him. Not to beat him up. We don't have
22 any evidence of that. Not to take him anywhere else.
23 Lonnie didn't know what to do. That's why he calls Seneca.
24 what do you want me to do. I got Brown here.

25 Brown brought upon the difficulties because he pulled

1 out his gun.

2 Secondly, imminent danger. We have to prove that he
3 wasn't in any -- in, in imminent danger.

4 Imminent danger means he believed, reasonably believed,
5 that he was getting ready to be killed or hurt very badly.

6 How can you be killed or hurt very badly if you bring
7 the gun, if you believe our version, or if you are so cool
8 that you've taken the gun away from Lonnie and you got him
9 backing up with hands up in the air?

10 There's no imminent danger there. The only person in
11 danger was Lonnie Pack and he shot him twice.

12 The right to act on appearances. He's gonna tell you
13 he was scared of Lonnie Pack. He told you he was having
14 a -- he knows him. He didn't -- he got his phone number.
15 They got each other's phone number.

16 They -- I asked him you ever had any problems with
17 Lonnie?

18 No.

19 The right to act on appearances. Lonnie drives up in
20 the gray Chrysler. They didn't get out with sticks and
21 chains. Nobody said they heard anybody say oh, we getting
22 ready to rumble here.

23 No. The right to act on appearances. He was waiting
24 on the phonecall to end before he decided what he was gonna
25 do, and when the phone call ended, he decided I'm gonna show

1 these guys I'm not playing.

2 The final, fourth step of self-defense, no other way to
3 avoid the danger. Mr. Brown would have to show that he had
4 no other way to avoid the danger and he had to use deadly
5 force to stop an imminent attack.

6 This is the man who was sitting in his car with a gun
7 and who, within minutes of the last call, within two minutes
8 of the last call, he was already driving away and he wants
9 you to believe he left the gun at the scene. I know that
10 ain't true. You know that ain't true because you've got
11 common sense and you're gonna use it.

12 No other way to avoid the danger?

13 He was in his car. He had to back up the car to leave
14 after he shot Lonnie. He could of done the same thing. The
15 two guys had run away. Lonnie was trying to run. All he
16 had to do was jump in the car and leave. He didn't do that.
17 He doesn't get self-defense, ladies and gentlemen, because
18 he didn't act properly that day.

19 The judge is also gonna charge you that you may
20 consider the charge of voluntary manslaughter. As you
21 consider murder and self-defense, if you grant him
22 self-defense, he goes home. If you say no, he hasn't proved
23 self-defense, we got to consider the murder, you can also
24 consider voluntary manslaughter.

25 MR. BUTCHER: Objection, Your Honor. Burden shifting.

1 THE COURT: I -- I'm gonna instruct the jury on the
2 law.

3 But, ladies and gentlemen, the State always has the
4 burden of proof. The defendant does not have any burden of
5 proving himself innocent of the charges.

6 Thank you.

7 SOLICITOR FINNEY: Voluntary manslaughter is the
8 unlawful killing of a human being in sudden heat and passion
9 upon legal -- sufficient legal provocation.

10 The judge is gonna charge you the law. You may
11 consider voluntary manslaughter in your deliberations.

12 I want to thank you again for your service. I want to
13 ask you to go back. This is not something that is -- it
14 took five days for us to try this case. We're not asking
15 you to not go back and talk about it.

16 Think about it. Look at any evidence you, you may, you
17 need to look at. Consider this a serious matter. I know
18 you do and we will be waiting for your verdict. The family
19 will be waiting for your verdict. It's important.

20 Demetrius Brown killed Lonnie Pack with malice
21 aforethought. He's guilty of murder. We ask of you to
22 write the verdict of murder. He used a weapon to commit the
23 murder. We ask you to find him guilty of possession of a
24 weapon during a violent crime and he wasn't suppose to have
25 a pistol at the time that he used the pistol. We find --

1 ask you to find him guilty of the third charge which is
2 unlawful possession of a firearm.

3 Thank you.

4 MR. BUTCHER: May it please the Court, Your Honor?

5 THE COURT: Yes, sir.

6 MR. BUTCHER: Ladies and gentlemen, I normally don't do
7 criminal cases. Debbie likes to do criminal cases and
8 normally we, we also do a lot of civil rights cases together
9 representing kids that are get -- get abused in foster care
10 and we sue the agency and the caseworkers and we do some
11 police misconduct cases and sometimes school cases.

12 And generally, when I talk to juries, I, I tell them
13 that teachers and social workers and police officers, those
14 are jobs that you do not because you're gonna get rich.
15 It's a vocation. It's an absolute -- it has to be a
16 vocation and a vocation isn't a job.

17 A vocation is something you do because you have love
18 for the work and for others. And when my son-in-law became
19 a young solicitor, one of the things I talked to him about
20 was your job is not to win cases.

21 Your job is do justice and you're gonna meet all sorts
22 of people and my son-in-law's a good kid. Pretty
23 privileged, you know, and you're gonna meet people from all
24 different backgrounds and have to learn to understand where
25 they come from, whether they're victims, or, or who the

1 defendants are in the case. But you always have to keep
2 your eye on the ball and do justice.

3 It's hard work. It sucks. I'm working on two and a
4 half hours of sleep right now and haven't had much more the
5 rest of the week but it's always hard work to do justice.

6 I want you to remember, once again, as many times as
7 Mr. Finney has tried to shift this burden upon D., they have
8 the burden. A hundred percent the State's burden.

9 We didn't have to bring any witnesses. We didn't have
10 to introduce any evidence. But, ladies and gentlemen, this
11 whole case has been a clown show, an absolute clown show,
12 and I'm gonna tell you something.

13 You've heard many things said over the past few
14 minutes. My words and Mr. Finney's words are not evidence.
15 The evidence is right there. It's gonna be pack -- taken
16 back, and if you don't remember with your eyes and your --
17 or, or with your ears what was said during this trial, you
18 can ask the judge to play any bit of testimony. You can say
19 the last few minutes. You can say I want to hear the whole
20 testimony.

21 Now, I had a judge who had tee times on Fridays and he
22 always told me I couldn't tell the jury that they could do
23 this. I still did it. It is so important for you guys to
24 get the facts.

25 Don't -- you know, the argument of common sense is so

1 frustrating because you normally hear it in prosecutions.
2 They want you to just use your common sense. Just listen to
3 me. Use your common sense.

4 Someone died. He had to have killed him. He had to
5 have murdered him, you know, and what they want you to do is
6 just jump to the conclusion.

7 Life is not clean and common sense, you know.

8 How about any true story, they make a movie, what
9 happens?

10 They change it.

11 Do you know why?

12 Because life is messy. Life is complicated. You have
13 to dig. You have to look and it's just not that easy and
14 you can't have a clean story in life. It's not gonna be two
15 hours and 18 minutes like a movie or break it up into 12
16 episodes.

17 So, the story is getting cut by the State and you need
18 to hold their feet to the fire, every misstatement,
19 everything they've left out, everything they've added.

20 And I think one of the most important things is being
21 honest with the jury and bringing all the problems to the
22 forefront with the jury and what didn't we see?

23 They didn't show you the marijuana in the car. They
24 didn't show you the pills in the car.

25 who brought that in?

1 The defendant.

2 They didn't show you the baggies. They didn't show you
3 the scales.

4 We had to twist Investigator's Bonner's arm to say that
5 baggies can be used to put marijuana in?

6 What did he say?

7 Sandwiches.

8 For crying out loud, this is a man whose been working
9 16 or 18 years and he actually thought that that would be
10 sufficient. I don't know. He must of been the worst police
11 officer award, the most incompetent police officer, or he's
12 just dishonest. I mean that's a gimme. You can't throw an
13 easier softball to a police officer you know. I mean how --
14 that's half of how they get probable cause on people when
15 they pull them over.

16 I smell marijuana. I see baggies. You're going to
17 jail.

18 I mean it's, it's absolutely amazing and you heard both
19 Sergeant Monahan and Bonner talked about having to be pushed
20 by the defendants to turn in evidence to SLED to get looked
21 at, to get reviewed three years after this case had started,
22 two and a half years after this case had started.

23 Absolutely ridiculous. Absolutely inexcusable. It's
24 inexcusable for D. Brown. It's inexcusable for the victim's
25 family to have this level of incompetence.

1 So, start at the beginning with what Mr. Finney said.
2 He talked, he talked about two other people being present,
3 Mayfield Johnson and Mrs. Singleton or Ms. Singleton and you
4 heard the 9-1-1 call.

5 What type -- what's, what's happening?

6 Ms. -- Mr. McCain testified. Mayfield Johnson took off
7 in one of his customer's cars. He said that. He took off
8 and you heard him screaming.

9 Looks like every disk is different. There we go.
10 Here's part of the 9-1-1 call.

11 Oops -- is that not -- is there a volume?

12 (WHEREUPON, a portion of the 9-1-1 call was played at
13 this time.)

14 MR. BUTCHER: Your Honor, I -- I'll -- I can just move
15 the laptop in front of the -- try it again. Yes, sir.

16 (WHEREUPON, a portion of the 9-1-1 call was played for
17 the jury at this time.)

18 MR. BUTCHER: Do, do y'all feel uncomfortable that I --
19 if I sit some stuff here?

20 They've got Mayfield Johnson back in the interview
21 room. You heard testimony from Mr. Bonner and -- or
22 Investigator Bonner and Sergeant Mc -- the sergeant and
23 nobody bothered to GSR, the test.

24 Why?

25 What?

1 They didn't look?

2 I mean you have people there. You have three people
3 there.

4 why wouldn't we just GSR everybody?

5 You know, it's not about whether you're guilty or not.
6 This is our process. We do this to everybody. We had a gun
7 present, a gun missing.

8 This case -- this incident didn't start at 3:40PM. It
9 started the day before. It started the day before with a
10 threatening text from Seneca and you're gonna see it in
11 Exhibit 45, ladies and gentlemen.

12 Now it's interesting. The Sheriff's Office subpoenaed
13 Facebook data to investigate the case. But then when it
14 put -- gets put in and it helps Mr. Brown's case, well, you
15 can't trust that evidence. That's not good evidence.

16 When they put Mr. Pack's cellphone in, in this 57
17 second phonecall, they bring, they bring someone all the way
18 from Tennessee, ladies and gentlemen, a computer, some
19 computer guy, to extract it from Mr. Pack's cellphone, and,
20 you know, it's good evidence and then we put evidence in and
21 the next day when Investigator Bonner is reading the texts,
22 and he said he read it last week, but suddenly none of those
23 texts are good texts.

24 They brought the guy. They've got the guy. They can
25 certainly bring him in -- you know, they could certainly

1 have asked him if they had read it. You think if they had
2 read their own evidence they would of realized that there
3 were those texts and they would of realized that some texts
4 were still coming through.

5 Have you ever been inside a brick, a brick building and
6 like in the middle of the building and you go outside and
7 all of a sudden a zillion texts come in and everything you
8 sent goes out?

9 well, where were they earlier in the day?

10 They drove from Bishopville to Sumter.

11 Any dead spots between Bishopville and Sumter?

12 Possible.

13 But you know what?

14 It's not our burden. They came in. They brought --
15 they said this cellphone dump was good evidence and now they
16 don't like it. It's shameful. Absolutely shameful.

17 And, ladies and gentlemen, there is absolutely no way
18 to look at Exhibit 41 and look at these texts and not
19 believe that they're criminal activity and not believe that
20 this was a hit on this fake ass Muslim, D. Brown.

21 And why'd we bring up the fact that he's Muslim?

22 well, because that's why they refer to him as a Muslim.
23 Not because we're trying to show what a good man he is or
24 that he's of the faith or anything. And I don't know why
25 that was such an issue yesterday.

1 Do you say bad words?

2 I mean Lord, it's hard enough to be a man and, ladies
3 and gentlemen, that wasn't the purpose. The purpose is
4 because the hit was set up. And just to remind you, in this
5 center column, it's in chronological order. This is a full
6 timeline No. 40 -- actually No. 40 is and it's got calls and
7 texts. It's got contacts when they're entered. And so you
8 can go through that.

9 In order to speed up your work, there's a second report
10 but this is just texts. So you'll have to switch it around
11 to start looking at calls.

12 Okay. And those are in there. Then you'll see, about
13 two minutes after the shooting, you've got D.V. calling
14 Lonnie's phone number. And a couple minutes later you've
15 got Seneca calling Lonnie.

16 Guess what time it is?

17 It is about a minute after four o'clock when Mr. Brown
18 sends a text and says so you put a hit on me on a real bra.
19 so you -- so you put a hit on me basically.

20 What did I do -- there we go.

21 The toxicology. Remember, what I say is not evidence
22 but what'd the toxicologist say they're even measuring for?

23 They measured for impairment. So, it's a level of
24 impairment in your system and I had a nice PowerPoint but
25 the electronics aren't doing too well here.

1 Come on. This is State's Exhibit. They put it in
2 here. It's okay. You're being productive. There it is.
3 Yep.

4 All right. Toxicology report. Here's what's real cool
5 is they put the threshold right here and the first thing
6 that they're looking at is ethanol.

7 What did the expert say ethanol is?

8 That's alcohol.

9 What's the threshold on here?

10 .10.

11 What's the legal limit in South Carolina that you can
12 have in your blood for alcohol?

13 It's .10. That's why it's impairment.

14 So, when Mr. Finney says he had nothing in his system
15 and that the SLED person said it, that's not accurate and
16 she testified to that in front of you. Don't believe your
17 ears. Just believe my story. Use your common sense and
18 believe my story, ladies and gentlemen, and here's the
19 bottom line.

20 A -- what'd A.J. Bradley say?

21 I normally drive Lonnie and then I asked him well, do
22 you take care of his car. He said no, he takes care of his
23 car. And he normally drives that car.

24 There's no -- you know, it -- it's suddenly not my car?

25 I mean that's, that's just really weak. You've got

1 marijuana. You've got other drugs, the pills. You've got
2 scales. You've got a man who drives you around on the
3 regular. Only other people that have people driving them
4 around are elderly, disabled, and Bill Gates, you know, rich
5 folks. For the most part you don't have people that just
6 drive other people around on the regular.

7 This chart helps really reduce it. Everything happened
8 quick and, Mr. Finney, you might want to -- well, it's not
9 gonna -- why's it doing that?

10 There we go.

11 All right. This is Exhibit 26. I want you to look.

12 What you got here, a car there, a car there.

13 Can anybody see any light into those bays?

14 And then here's State's Exhibit 3. Got all these cars
15 around here.

16 Whose vehicle is that?

17 It's Mr. Pack's, correct?

18 Again, another version, State's Exhibit 9, and here's
19 why I'm showing you this. Let me go back up here, ladies
20 and gentlemen.

21 You remember A.J. Bradley drew a drawing and it's
22 December -- it's Defendant's 6 and his testimony -- the
23 first time he testified he said he stood in front of
24 Lonnie's car. The second time he testified or, or when I
25 cross-examined him and corrected him with his drawing, he

1 said that Lonnie stood in-between the open door and he stood
2 more behind the car and D.V. stood behind the car.

3 what we -- what did he say?

4 They were just smoking.

5 All right. So this middle car right here he said was
6 D. Brown's, and even if you -- and, and what, what, what did
7 A.J. say, say?

8 He said that D. Brown was being disrespectful and
9 Mr. Pack started to open the door to -- and told him to get
10 out.

11 So, even if you, if you believe Mr. Bradley, from that
12 prospective, you've got two men standing behind you at the
13 end of your car and you've got a man trying to force you out
14 of your car.

15 what'd Investigator Bonner say?

16 That's kidnapping, ladies and gentlemen.

17 So, even if you take Mr. Bradley's story, the ability
18 to defend himself begins right there. Even if you believe
19 the solicitor's story that Mr. Brown had a gun, that D.
20 Brown had a gun, his ability to defend himself, because his
21 star witness, Mr. Bradley, says he tried to open the door
22 and force him out of his vehicle but use common sense and
23 don't listen to that and remember my words aren't evidence.

24 It's what you heard and what's in that court reporter's
25 computer when -- with the tapes and it's gonna be those,

1 those documents there.

2 But, ladies and gentlemen, if your friend's going to go
3 from here to go talk to someone, why do you have to -- and I
4 don't -- you know, this, this -- a -- to be drawn that way
5 that they walked around that way or did they walk around?

6 It doesn't really matter.

7 why would somebody go -- need to go take a position
8 behind your vehicle where, if you opened your door, ladies
9 and gentlemen -- ladies and gentlemen, if you opened your
10 door or if your door is forced open, this is where you are.
11 Right here.

12 where do you turn?

13 I mean how far is your door gonna open?

14 You got it.

15 Lonnie Pack, not a big guy, right?

16 And the two men behind him, and in a tactical
17 situation, what is that called?

18 The fatal frontal.

19 whether you're in a ravine, whether you're in a
20 hallway, when you are trapped right, left, and above, it's
21 not above in this situation, but right and left and behind,
22 you're in a fatal funnel. You trap a cat, a raccoon, a dog
23 that, that you don't know in a situation like that, it's a
24 good chance you're gonna get bit.

25 This is just A.J. Bradley's testimony. Yet, he

1 couldn't remember who he was with. He couldn't remember who
2 picked him up in the gold Saturn. He couldn't remember
3 whose house he went to. He wouldn't go to the police
4 station. He didn't call 9-1-1 on his mentor, on his buddy,
5 his crew member. He didn't stick around to help and what is
6 extremely frustrating, extremely frustrating is these men
7 roll in and do this and the Sumter County Sheriff's Office
8 wants to be friends.

9 We're not -- you're not in any trouble. I mean these
10 guys are terrorizing Sumter and they want to be friends with
11 him. They want to hide evidence. You know, if, if hiding
12 -- my conspiracy theories, I mean it's, it's just -- blows
13 my mind that we're here in this situation.

14 Here's the other thing. When D. testified, and he wow,
15 he was not shaken. It's consistent.

16 I mean the most that was, you know, about the doors,
17 which, you know, Mr. Bradley had already told him the doors
18 to the -- Mr. Pack's vehicle were opened. You know, as to
19 whether there was a tucked or untucked shirt, and whether or
20 not he was a good Muslim cause he used curse words, I mean
21 that, that was about it.

22 But, you know, if we're trying -- if Mr. Brown is
23 trying to make up a story, why is he gonna add an extra he
24 dis -- he, he discharged a bullet -- not discharged. But
25 he, he chambered a bullet -- he cycled out a bullet from the

1 gun. I mean that's, that's an additional thing that should
2 be there and here's the other thing.

3 You're talking about these two minutes. This -- one of
4 the -- the worst event in the -- D. Brown's life, and he has
5 to sit in front of you and try to remember everything,
6 everything that happened in that flash of a second. I
7 believe it's this one, and I want to give you an example so
8 you can see it in real time.

9 This is from when they get on site, when law
10 enforcement gets on site, and it's a cut from Exhibit 25.
11 There we go. Maybe. Maybe not. That's not it.

12 Okay. You guys can listen to it. Basically, when law
13 enforcement gets there, they've -- asking him about D.

14 What was he wearing, and, Mr. McCain, he's like I don't
15 know. Shorts maybe. But he, you know, he'd spent the day
16 around him. Something traumatic had just happened, and
17 everybody there, it was traumatic for everybody. But that's
18 what happens when something traumatic happens. You --
19 certain things will be seared in your brain crystal clear.
20 Then the other things you just can't remember.

21 You can hear some things clearly. You can't hear
22 some -- others. You know, some of my foster kids, they
23 can't stand the smell of certain clothes. They can't smell
24 the -- stand the smell of candy. It's just those, those
25 different things. But -- and then other things they

1 absolutely can't remember why things happen.

2 Remember A.J. testified he was standing behind the
3 Expedition. So he couldn't see much. But he wants to
4 testify that he saw my client draw a gun.

5 Again -- so they're a couple things. Hearing a vehicle
6 and somebody is getting aggressive with you, first of all,
7 they open the door, you're not gonna stick your legs out
8 cause they're gonna get broken. The other thing is you
9 don't have to stick your gun out, ladies and gentlemen.
10 There's no reason to come out with a gun because you're,
11 you're in a box. You're in a shell.

12 You keep your gun here and, ladies and gentlemen, we
13 didn't go into it -- onto why D. knows how to operate a, a
14 weapon. But I can tell you one of the best shots in this
15 room right now is my wife. Probably the best shot.

16 All sorts of people shoot weapons. All sorts of people
17 grow up shooting weapons. Maybe I can get more cause of
18 this. Let me try one more thing. See if we can get this
19 working.

20 (WHEREUPON, a portion of an interview was played for
21 the jury at this time.)

22 MR. BUTCHER: D. Brown didn't know he had problems with
23 Mr. Pack cause he wasn't aware that Seneca was sending
24 Mr. Pack. Sumter is a surprisingly small town. And, if
25 you're in certain communities, people know who each other

1 are. And if you're in certain communities, people with --
2 know what you've done before you've even done it. It is not
3 that large of a place where someone doesn't know someone
4 else. And, if you run a business, you can be in people's
5 phones.

6 The obligation to do justice includes providing
7 exculpatory evidence. It includes providing a drug test for
8 the drugs that might be in the victim's car that might look
9 bad upon the victim. It means not giving away a cellphone.

10 You know, the questions were there -- was he taking
11 pictures?

12 No. We're looking for the same stuff that we found in
13 Mr. Pack's phone and we were obligated to -- Mr. Finney was
14 obligated to give it to us. He had absolutely no right to
15 do that, and, ladies and gentlemen, when someone destroys
16 evidence, and you've -- you know, when someone says they
17 gave away evidence, you still have to go through the motion.
18 That's why, when Mr. Bradley was on the stand, we handed him
19 the subpoena that we had served on him, and the subpoena
20 said bring your red iPhone with you. And I could of told
21 you exactly what he was gonna say from the stand and what he
22 didn't.

23 I gave away my phone or it was gonna be I lost it. You
24 knew that puppy was gone. We knew it. But we still had to
25 come here and show it and the reason why we have to bring it

1 is we have to demonstrate the proof to you-all that they had
2 evidence in a murder case from an eye witness who showed up
3 with someone who had been hired to take a hit on my client
4 and they gave it away.

5 This is, this is a -- fundamental fairness, fundamental
6 ethics, fundamental doing justice. None of the experts
7 testified that any of the expert evidence that they were
8 gave -- giving could help determine whether or not D. Brown
9 knew self-defense. And you got to remember, after -- they,
10 they gave A.J. Bradley his phone back after he'd already
11 been convicted of shooting into a dwelling. They knew he
12 was a bad apple and you heard that on the stand that he'd
13 been convicted of that.

14 Investigator Bonner, how -- you know, to -- we, we had
15 to get out of him that he was in charge and everything he
16 did or didn't do and everything that was done or failed to
17 happen in his investigation he was responsible for. But
18 when you asked him what happened to this, why wasn't this
19 sent out, there were always excuses.

20 It's just amazing. It's a lack of interest. It's
21 indolence. It's you don't know. I mean, you know, to go
22 and strip search my client, he's an investigator for crying
23 out loud, to go and strip search my client at the jail, it's
24 absolutely no need for that.

25 with the way that you've seen law enforcement coddle

1 all these other associates of Lonnie Pack, do you have any
2 wonder why D. wasn't only afraid of these folks who have
3 threatened to kill him but also didn't have any trust in the
4 police?

5 We'll take care of you. It's scary.

6 I mean the El Cheapo video. You saw what the State put
7 on.

8 why didn't they show the three cars leaving and people
9 going back and forth in-between cars?

10 Sure. They could of been getting ready for a picnic.

11 But where'd Lonnie go right after that?

12 He went to go put a hit out on D. Brown.

13 Don't let the State change Mr. Brown's testimony. You
14 can hear it. You can debate it. You can come back and hear
15 it.

16 Listen to his testimony. Listen to A.J. Bradley's
17 testimony. Listen to Mr. McCain's testimony. We know
18 Mr. McCain didn't see anything. It's like walking in on
19 your parents fighting.

20 what's going on and they're, you know, everything's
21 ended, but everybody's kind of pissed off, you just don't
22 know, don't know what it is. You know, that's what McCain
23 walked in on. You know, he didn't -- he saw part of
24 something, you know, and he couldn't really tell us that
25 much.

1 So the people there are Mr. Brown and A.J. Bradley.
2 A.J. didn't see anything. He's -- was certain. In his
3 testimony then he will say I didn't see anything. You know,
4 he'll say he saw our -- my client draw a weapon, you know,
5 but that, that goes along with the other tall tales. I mean
6 he's told so many lies but he's smart about it. He, he
7 always try to include a little piece of truth in that lie to
8 make it sound a little more digestible. But he's told so
9 many lies he would climb a tree to tell a lie.

10 Where is Mayfield Johnson?

11 Why hasn't the State produced him?

12 Why hasn't the State produced Ms. Singleton?

13 Why hasn't the State produced D.V.?

14 This is -- you know, they've got these holes and they
15 want to blame it on, on, D. and who has the burden of proof,
16 ladies and gentlemen?

17 And here's what he wants you to do. He said my guy's a
18 bad guy and he wants you to say, you know, ah, he -- he's
19 done something in the past. He might of done it.

20 Well, let's just give him involuntary manslaughter.
21 Let's just -- you know, cause he might of done it.

22 Ladies and gentlemen, the evidence -- and you, you
23 heard Mr. Bradley didn't want to tell us but the evidence
24 was that Lonnie Pack, Mr. Pack, was coming into my client's
25 car. Now it's your choice but -- on who to believe on what

1 happened.

2 But as soon as Mr. Pack starts coming into his car, my
3 client has a right to defend himself. And if he's going
4 backwards towards his vehicle to rearm himself, and we
5 have -- if that's -- and that would be a small escalate.
6 Let me see if I can make it big.

7 That's not big, is it?

8 But, ladies and gentlemen, if that's the escalate, and
9 you look at the drawings from A.J. Bradley, again, and
10 that's a car blocking him in, there's so many places when
11 A.J. and D.V. scatter. Within seconds. He gets control of
12 the gun. Lonnie Pack, Lonnie Pack is backpedaling. He has
13 two men behind him and he has to come around his door and
14 Lonnie Pack is backpedaling towards his car. He already had
15 a gun.

16 where are these two guys?

17 Behind me.

18 He has a right, a God given right, a right given by our
19 Legislature, a right given by the common law, and you'll
20 hear the judge charge that right, to stop the threat and he
21 can use as much force as he thinks necessary. Not as much
22 force as Mr. Finney thinks necessary or the court reporter
23 or my wife. As much force as he thinks necessary because he
24 has two threats.

25 when this went down, A.J. Bradley didn't say I'm

1 running and D.V. didn't say I'm running. He didn't know
2 what was behind him or what was coming at him and that's his
3 right. That's his right when someone puts a hit out on you
4 and someone tries to take you out of your car.

5 It's a horrible thing. Any death is horrible and it's
6 on D.'s soul and the weight is on the family. You know, you
7 can't get away from that and you are here to judge today.
8 You're the judge of the facts.

9 All right. You're going to see the Facebook messaging,
10 ladies and gentlemen. It's a big thick document. It's not
11 overwhelming.

12 what I wanted to show you-all is, and this is the first
13 page, and up top you're gonna -- it will say thread and
14 right below it it's gonna -- it will actually say current
15 participants. So, that's what's in blue. And then it will
16 have the first message and it'll say the author and when it
17 was sent and what's the body of the message and then it
18 will -- the next -- the green one is the next message.

19 Now, ladies and gentlemen, when there's an, an
20 attachment to the text, somebody sending a meme or a photo,
21 it's gonna have thread. It's gonna have who the people are
22 on -- who are making contact with each other and then the
23 author. And then, in purple, is gonna be that text and it's
24 all gonna be associated with it. And then you go down at
25 the bottom with green. That's a new text or, or a new

1 message and -- on Facebook and here's -- the remainder are
2 green and then there's the attachment, ladies and gentlemen,
3 and this shows you -- this is gonna show you who these text
4 messages were sent by D., so if he got killed by Mr. Pack's
5 family, his mom and other people would know what happened to
6 him.

7 Same thing with the message that he got that was
8 threatening to kill him from Ms. Shameka Wilson I believe is
9 her name. You saw the retainer or you'll, you'll see the
10 retainer agreement that was signed on August 15th. It's
11 not signed by him but he -- it's signed and he paid the
12 retainer to turn himself in.

13 You also saw the waiver of extradition. Mr. Brown ran
14 but you've got the evidence that shows he was being
15 threatened. You have the evidence that someone put a hit
16 out on him.

17 But physical items are in evidence right here and
18 you've got pictures of them. You -- which you'll be able to
19 see.

20 I've also included the Sumter County Sheriff's Office
21 policies regarding evidence and property retention.
22 Somebody's got to be nerdy enough to read policies. But,
23 look, bottom line, they knew their obligation.

24 Ladies and gentlemen, you-all have worked very hard.
25 Please consider the evidence. This is the most important

1 decision of D. Brown's life.

2 He didn't ask for someone to put a hit on him. He
3 didn't ask for someone to show up. He was there legally
4 working -- I mean he, he was working on his car. So he, he
5 was there legally and you'll hear from the Court that that's
6 one of -- and, and that's one of the things, you know,
7 for -- from self-defense, he had a right to be there. He
8 didn't bring this on on his own. They went and found him.
9 They hunted him down.

10 who turned him in?

11 was it Bennie?

12 was it Mayfield?

13 we don't know. we'll never know.

14 But, ladies and gentlemen, they showed up. They pulled
15 a gun. I'm sorry. Mr. Pack pulled a gun and it's important
16 from that prospective is A.J. Bradley --.

17 (WHEREUPON, a portion of an interview was played for
18 the jury at this time.)

19 MR. BUTCHER: And, look, he's looking up. He's looking
20 up.

21 who's the one sitting down in the vehicle?

22 who would have to look up to, to fumble?

23 He's got a gun pointed. He has a gun pointed in his
24 face. That's that nugget of truth that he's got in his
25 lies.

1 I want you to look at that. You can review that. It's
2 Exhibit 14. It's a snippet from that video cause it --
3 cause he can't help it cause he saw it and he's trying to
4 tell his own story but, you know, his hands are -- they're
5 betraying him. His eyes are betraying him when he looks up,
6 you know, cause there's no way Lonnie Pack was looking up at
7 D. who's sitting in a vehicle.

8 And, you know, got to remember A.J. Bradley, first he
9 denied he ever said he fumbled. Then, when he saw the
10 video, he said, he said he fumbled and then, at the end of
11 his testimony, he said he never fumbled.

12 what is the sudden heat of passion?

13 what has the State proven that is a sudden heat of
14 passion that would cause you to give a voluntary
15 manslaughter charge?

16 And, ladies and gentlemen, if you're ever confused
17 about any of the charges, you can ask the Court to hear them
18 again and again and she will list out each of the charges.
19 She'll list out the elements if you have any confusion.

20 You know, voluntary manslaughter, unlawful killing of a
21 human being without malice in a sudden heat of passion.

22 what, what is the State's evidence?

23 I mean they're, they're just making up story time, you
24 know.

25 A.J. Bradley said he couldn't hear what was going on.

1 He also tried to say he was standing behind the vehicle and
2 couldn't see very much. They didn't bring the other guy,
3 D.V., and, you know, and, and -- so the sudden heat of
4 passion upon sufficient provocation.

5 what they want to say is they want you to say that he
6 was in fear for his life. So that's the heat of passion.
7 Being in -- afraid for your safety is standing your ground.
8 Being afraid for your -- for -- from, from being harmed or
9 being kidnapped is standing your ground. It's not a sudden
10 heat of passion, ladies and gentlemen.

11 we have the right to be in our vehicles. We have the
12 right to be in our homes. We have the right to walk safe
13 streets every single day of the week and we have the right
14 to defend ourselves and we -- up to and including killing
15 someone and you got to remember he stopped.

16 He didn't go and I want you to remember, when Mr.
17 Finney tried to say well, Mr., Mr. Brown, why didn't you
18 just leave, you know, why didn't you just drive off, go back
19 to Mr. McCain's testimony.

20 what did he say?

21 He had to back in and out to get his vehicle out.
22 Listen to that testimony cause it's in there and Mr. McCain,
23 to the best of his ability, was a pretty reliable witness.
24 Don't take my word for it. Listen to it unless you already
25 remember that.

1 What I say is not evidence. What Mr. Finney says is
2 not evidence.

3 Read -- D. Brown had no fault in bringing his -- this
4 difficulty. He was in imminent danger from the moment
5 Lonnie Pack accepted the job to take the hit and said that
6 he needed some funds.

7 Do you think people talk openly even in private
8 messages?

9 It's -- it, it certainly is code, you know. I think
10 that's why Investigator Bonner thought he could be smart and
11 say it didn't mean what it meant.

12 You guys have a collective wisdom of experience and
13 intelligence. I've seen people that are illiterate that
14 have more common sense than some people with Ph.D's. I've
15 seen all sorts of folks and the greatest part about the jury
16 is you-all are able to take your collective wisdom and
17 experience and look at this information and make judicial
18 and wise choices and it's -- the evidence is here and the
19 state just wants you to guess. They want you to do common
20 sense.

21 Every single thing, the reasonable doubt is there. The
22 reasonable doubt is with Seneca's text. The reasonable
23 doubt is with Lonnie Pack's replies to those texts. The
24 reasonable doubt is Seneca's text to D. Brown. The
25 reasonable doubt is, you know, Seneca's response to D. Brown

1 and then his immediate text and phonecall after the shooting
2 to Lonnie Pack.

3 Reasonable doubt is the State destroying evidence so we
4 can't have it to further defend ourselves. You can use that
5 as an inference that the State -- that that evidence would
6 of been helpful, and, ladies and gentlemen, shameful,
7 absolutely shameful. There's no -- absolutely no excuse.

8 I was nine years old 40 years ago, ladies and
9 gentlemen. Nine years old. No lawyer should ever think
10 it's okay to dispose of evidence.

11 Ladies and gentlemen, we've shown you there was no way
12 for D. Brown to avoid the danger and there was no where to
13 go. He was trapped in a fatal funnel. And although he had
14 the right to use unlimited, unlimited force, he did limit
15 it. He did stop.

16 We're gonna talk about the defense of necessity, ladies
17 and gentlemen. The defense of necessity is a lot like
18 self-defense except I have the -- D. Brown has a burden of
19 proof and it actually has a different burden.

20 It's we have to show by a preponderance of the
21 evidence -- let me double-check. Yep, preponderance of the
22 evidence. That's gonna be far different than beyond a
23 reasonable doubt.

24 You know, beyond a reasonable doubt is something
25 that -- where you hesitate to act. Preponderance of the

1 evidence is we, we have to show 51 percent chance or 51
2 percent of proof that he had no option but to arm himself
3 when he seized that weapon. That's it.

4 If you found that he seized that weapon in
5 self-defense, then, under the necessity doctrine, he could
6 legally -- he, he has a legal justification for, for the
7 weapons charges and you should find him not guilty.

8 I apologize. This is so important and, and, and I did
9 talk a tremendous amount. But the truth is in here and the
10 truth is on the record, ladies and gentlemen.

11 Please take your time. Please look. This is the most
12 important day of D. Brown's life.

13 Thank you.

14 SOLICITOR FINNEY: Please the Court?

15 THE COURT: Yes, sir.

16 SOLICITOR FINNEY: Ladies and gentlemen, the law of --
17 the rules in South Carolina are that I have an opportunity
18 to reply to what Mr. Butcher has discussed with you.

19 I think it would be insulting for your -- to your
20 intelligence for me to stand up here and try to go over all
21 the ends and outs, the commas that were missed, the T's that
22 weren't crossed and the I's that weren't dotted. I trust
23 you. I trust that I covered everything sufficiently when I
24 spoke to you this morning.

25 But when he says that he wanted his client or his

1 client wanted the world to know that the Pack family might
2 be mad at him, and might be after him, and he left town, and
3 so he puts a text messages out on the, on the screen, I
4 wondered why he didn't say, in those text messages to the
5 world, that I had to shoot Lonnie Pack because he attacked
6 me because Lonnie Pack had a gun. He didn't do that. That
7 didn't happen.

8 He was beefing. Mr. Brown was beefing with Seneca.
9 Lonnie Pack got caught in the middle and Mr. Brown solved
10 his problem by shooting Lonnie Pack and then he gets on
11 Facebook and talks about Seneca -- he and Seneca talking.

12 The Pack family, they were upset. They want justice
13 and they know where to come to get justice. And that's in
14 this room with the people that are here now.

15 Thank you.

16 THE COURT: Okay. Ladies and gentlemen, we're gonna
17 take about a 10 minute break before I give you the
18 instructions on the law. Again, please don't begin
19 discussing the case yet.

20 (WHEREUPON, a short recess was taken at this time.)

21 THE BAILIFF: The jurors are all seated, Your Honor.

22 THE COURT: Okay. Ladies and, ladies and gentlemen,
23 you've heard all the testimony and the evidence in this
24 case, and it's now my duty to instruct you on the law that
25 applies.

1 The indictments in this case charge the defendant with
2 murder, with possession of a weapon during the commission of
3 a violent crime, and unlawful possession of a pistol.

4 I remind you that the fact the defendant was arrested,
5 charged, and indicted in this case is not evidence and can
6 not be considered by you as evidence of guilt. Nor does it
7 create any presumption or inference of guilt.

8 This document is simply the formal written instrument
9 which contains the charges made against the defendant. It's
10 the formal document by which this case is brought into
11 Court.

12 The indictments in this case allege several different
13 offenses against the defendant. The charges are murder,
14 possession of a weapon during the commission of a violent
15 crime, and unlawful possession of a, of a pistol. Each
16 indictment contains a separate and distinct offense.

17 You must decide each indictment separately on the
18 evidence and the law applicable to it uninfluenced by your
19 decision as to any other indictment. The defendant may be
20 convicted or acquitted on any or all of the offenses
21 charged. You will be asked to write a separate verdict of
22 guilty or not guilty for each charge.

23 The defendant has pled not guilty to this indictment
24 and that plea puts the burden on the State to prove the
25 defendant guilty. A person charged with committing,

1 committing a criminal offense in South Carolina is never
2 required to prove himself innocent of the charge.

3 I charge you that it is an important rule of law that
4 the defendant, in a criminal trial, no matter what the
5 trial -- the seriousness of the charge may be will always be
6 presumed to be innocent of the crime for which the
7 indictment was issued unless guilt has been proven by
8 evidence satisfying you of that guilt beyond a reasonable
9 doubt.

10 This presumption of innocence does not end when you
11 begin your deliberations but it accompanies the defendant
12 throughout the trial unless or until you reach a verdict of
13 guilt based on evidence satisfying you of that guilt beyond
14 a reasonable doubt.

15 The presumption of innocence is not just legal theory.
16 It's not just a legal phrase. It is a substantial right to
17 which every defendant is entitled unless you, the jury, are
18 satisfied from the evidence of the defendant's guilt beyond
19 a reasonable doubt.

20 what is a reasonable doubt in the law?

21 It's the kind of doubt for which you can give a reason.
22 It's also described as the kind of doubt that would cause a
23 reasonable person to hesitate to act.

24 Proof beyond a reasonable doubt is proof that leaves
25 you firmly convinced of the defendant's guilt. They're very

1 few things in this world that we know with absolute
2 certainty, and, in criminal cases, the law does not require
3 proof that overcomes every possible doubt.

4 If, based on your consideration of the evidence, you're
5 firmly convinced that the defendant is guilty of the crime
6 charged, then you must find the defendant guilty. If, on
7 the other hand, you think there's a real possibility that
8 the defendant is not guilty, you must give the defendant the
9 benefit of the doubt and find him not guilty.

10 I remind you that, during this trial, you and I have
11 certain duties to perform. As the trial judge, it's my
12 responsibility to preside over the trial of this case and I
13 also have the duty to rule on the admissibility of the
14 evidence offered during the trial.

15 You are to consider only the competent evidence before
16 you. You are to consider only the testimony which has been
17 presented from the witness stand, the exhibit, exhibits
18 which have been made a part of the record in this case, and
19 the stipulations of the parties which has been read into the
20 record.

21 I have the additional duty to charge you the law
22 applicable to this case. As the presiding judge, I'm the
23 sole judge of the law of the case. It's your duty, as
24 jurors, to accept and apply the law as I now state it to
25 you. If you already have any idea as to what the law is or

1 what the law ought to be, and it does not agree with I
2 now -- what I now tell you the law is, you must abandon your
3 previous idea because you're sworn to accept the law and
4 apply the law exactly as I state it to you.

5 In every case tried before a jury the jury becomes the
6 sole and exclusive judges of the facts of the case. A trial
7 can -- judge can not make any comments or any statement to a
8 trial jury about the facts in a case.

9 Since you are the sole judges of the facts, you're not
10 to infer from what I've said during the progress of this
11 trial in ruling on the admissibility of evidence or
12 otherwise or anything that I say now during the course of
13 this instruction to you that I have any opinion about the
14 facts of the case. The law does not permit me to have an
15 opinion about the facts.

16 This is a matter solely for you, the jury, to
17 determine. As jurors, it's your duty to determine the
18 effect, value, weight, and truth of the evidence presented
19 during this trial.

20 They're two types of evidence which are generally
21 admitted during the course of the trial, direct evidence and
22 circumstantial evidence.

23 Direct evidence directly proves the existence of a fact
24 and does not require deduction. Direct evidence is the
25 testimony of a person who claims to have actual knowledge of

1 a fact such as an eye witness.

2 Circumstantial evidence is proof of a chain of facts
3 and circumstances indicating the existence of a fact.
4 Crimes may be proven by circumstantial evidence. The law
5 makes no distinction between the weight or value to be given
6 to either direct or circumstantial evidence nor is a greater
7 degree of certainty required of circumstantial than of
8 direct evidence. You should weigh all of evidence in this
9 case.

10 However, to the extent the State relies on
11 circumstantial evidence, all of the circumstances must be
12 consistent with each other, and when taken together, point
13 conclusively to the guilt of the accused beyond a reasonable
14 doubt. If these circumstances merely portrayed the
15 defendant's behavior as suspicious, the proof has failed.

16 After weighing all of the evidence, if you are not
17 convinced of the guilt of the defendant beyond a reasonable
18 doubt, you must find the defendant not guilty. The State
19 has the burden of proving the defendant guilty beyond a
20 reasonable doubt and this burden rests with the State
21 regardless of whether the State relies on direct evidence,
22 circumstantial evidence, or some combination of the two.

23 Necessarily, you must determine the credibility of the
24 witnesses who have testified and credibility simply means
25 believability. It becomes your duty, as jurors, to

1 evaluate -- analyze and evaluate the evidence and determine
2 which evidence convinces you of its truth.

3 In determining the believability of witnesses who have
4 testified in the case, you may believe one witness over
5 several or several witnesses over one. You may believe a
6 part of the testimony of a witness and reject the remaining
7 part of the testimony of the same witness. You may believe
8 the testimony of a witness in its entirety or you may reject
9 the testimony of a witness in its entirety.

10 You may consider whether any witness has exhibited to
11 you any interest, bias, prejudice, or other motive in this
12 case. You may also consider the appearance and manner or
13 demeanor of the witness while on the witness stand.

14 A person who has a past criminal record is competent to
15 testify during a trial. A past record does not affect the
16 ability of that witness to testify. The past record may
17 only be, be considered by you, if at all, in determining the
18 witness' believability. Remember, you are the sole judges
19 of the facts in the case and of the believability of any and
20 all of the witnesses.

21 You have heard evidence that the defendant was
22 convicted of a crime other than the one for which the
23 defendant is now on trial. This evidence may be considered
24 by you, if you conclude it is true, only in deciding whether
25 the defendant's testimony is believable and for no other

1 purpose. You must not consider the defendant's prior record
2 as any evidence of the defendant's guilt of the charge that
3 we are trying today.

4 The rules of evidence ordinarily do not permit
5 witnesses to testify to opinions or conclusions. An
6 exception to this rule exists for witnesses we call expert
7 witnesses. A witness, who by education and experience, has
8 become expert in some art, science, profession, or calling
9 may state an opinion as to relevant and material matter in
10 which the witness claims to be an expert and may also state
11 the reasons for the opinion.

12 In this case you've heard expert testimony in the areas
13 of forensic pathology, forensic chemistry, and toxicology,
14 firearms and tool mark examination, and drug analysis. You
15 should consider any expert opinion received in evidence in
16 this case, and like any other evidence, give it the weight
17 you think it deserves.

18 If you decide that the opinion of an expert is not
19 based on sufficient education and experience, or if you
20 conclude that the reasons given in support of the opinion
21 are not sound, or that the opinion is outweighed by other
22 evidence, you may disregard the opinion entirely.

23 An expert witness' testimony is to be given no greater
24 weight than that of other witnesses simply because the
25 witness is an expert. Further, you're not required to

1 accept an expert's opinion even though it's not
2 contradicted.

3 The defendant is charged with murder. The State must
4 prove, beyond a reasonable doubt, that the defendant killed
5 another person with malice aforethought.

6 Malice is hatred, ill will, or hostility toward another
7 person. It is the intentional doing of a wrongful act
8 without just cause or excuse and with an evil intent to
9 inflict an injury. Malice aforethought does not require
10 that malice exists for any particular time before the act is
11 committed but malice must exist in the mind of the defendant
12 just before and at the time the act is committed.
13 Therefore, there must be a combination of the previous evil
14 intent and the act.

15 Malice aforethought may be expressed or inferred.
16 These terms express and inferred do not mean different kinds
17 of malice but merely the manner in which malice may be shown
18 to exist. That is either by direct evidence or by inference
19 from the facts and circumstances which are proved.

20 If you find that the State has failed to prove, beyond
21 a reasonable doubt, that the defendant committed murder, you
22 may consider whether the State has proved, beyond a
23 reasonable doubt, that the defendant committed the lesser
24 included offense of voluntary manslaughter.

25 To prove voluntary manslaughter, the State must prove,

1 beyond a reasonable doubt, that the defendant took the life
2 of another in the sudden heat of passion based on sufficient
3 legal provocation. Both heat of passion and sufficient
4 legal provocation must be present at the time of the killing
5 to constitute voluntary manslaughter.

6 Sudden heat of passion may, for a time, affect a
7 person's self-control and temporarily disturb a person's
8 reason. The sudden heat of passion must be the type that
9 would make an ordinary person unable to coolly reflect on his
10 actions and would produce an uncontrollable impulse, impulse
11 to do violence.

12 Sufficient legal provocation must be the type that
13 would make a person of ordinary reason and caution become
14 enraged and to lose control temporarily. The provocation
15 needed for voluntary manslaughter must come from some act of
16 or related to the victim. Words alone, however vulgar or,
17 or insulting, are not enough to be legal provocation. Where
18 death is caused by the use of a deadly weapon, the words
19 must be accompanied by some overt threatening act which
20 could of produced the heat of passion.

21 The exercise of a legal right, no matter how offensive
22 it is to another, is never sufficient legal provocation for
23 voluntary manslaughter. If the heat of passion had cooled
24 or if there was enough time between the provocation, if any,
25 and the killing for the passion of a reasonable person to

1 cool, the killing would not be voluntary manslaughter.

2 In deciding whether a reasonable person would of had
3 enough time to cool off, you should consider all the
4 circumstances surrounding the killing. You may consider the
5 nature of the provocation, if any, the defendant's mental
6 and physical state, and the circumstances and relationships
7 between the parties.

8 The defendant has raised the defense of self-defense.
9 Self-defense is a complete defense, and if it is
10 established, you must find the defendant not guilty.

11 The State has the burden of disproving self-defense by
12 proof beyond a reasonable doubt. If you have a reasonable
13 doubt of the defendant's guilt after considering all of the
14 evidence, including the evidence of self-defense, then you
15 must find the defendant not guilty. On the other hand, if
16 you have no reasonable doubt of the defendant's guilt after
17 considering all the evidence, including the evidence of
18 self-defense, then you must find the defendant guilty.

19 The following elements are required to establish
20 self-defense:

21 First, the defendant must be without fault in bringing
22 on the difficulty. If the defendant's conduct was the type
23 which was reasonably calculated to and did provoke a deadly
24 assault, the defendant would be at fault in bringing on the
25 difficulty and would not be entitled to an acquittal based

1 on self-defense.

2 The second element of self-defense is that the
3 defendant was actually in imminent danger of death or
4 serious bodily injury or that the defendant actually
5 believed he was in imminent danger of death or serious
6 bodily injury.

7 If the defendant was actually in imminent danger, it
8 must be shown that the circumstances would of warranted a
9 person of ordinary firmness and courage to strike the fatal
10 blow to prevent death or serious bodily injury. If the
11 defendant believed he was in imminent danger of death or
12 serious bodily injury, it must be shown that a reasonably
13 prudent person of ordinary firmness and courage would of had
14 the same belief.

15 In deciding whether the defendant actually was or
16 believed he was in imminent danger of death or serious
17 bodily injury, you should consider all the facts and
18 circumstances surrounding the crime including the physical
19 condition and characteristics of the defendant and the
20 victim.

21 The defendant does not have to show that he was
22 actually in danger. It is enough if the defendant believed
23 he was in imminent danger and a reasonably prudent person of
24 ordinary firmness and courage would of had the same belief.
25 The defendant has the right to act on appearances even

1 though the defendant's beliefs may have been mistaken. It
2 is for you to decide whether the defendant's fear of
3 immediate danger of death or serious bodily injury was
4 reasonable and would have been felt by an ordinary person in
5 the same situation.

6 The final, final element of self-defense is that the
7 defendant had no other probable way to avoid the danger of
8 death or serious bodily injury then to act as the defendant
9 did in this particular instance. A person can not be
10 required to make an exact calculation as to the degree or
11 amount of force which may be needed to avoid death or
12 serious bodily injury.

13 Therefore, in self-defense, the defendant has the right
14 to use the force needed to avoid death or serious bodily
15 harm. The force used in self-defense does not have to be
16 limited to the, the degree or amount of force used by the
17 victim. The defendant has the right to use so much force as
18 appeared to be necessary for complete self-protection and
19 which a person of ordinary reason and firmness would have
20 believed to be needed to prevent death or serious bodily
21 harm. The relative sizes, ages, and weights of the
22 defendant and the victim may be considered in deciding
23 whether the apparent or actual need for force in
24 self-defense and the amount of force needed.

25 If the defendant is justified in defending himself, and

1 in firing the first shot, then the defendant is also
2 justified in continuing to shoot until it is apparent that
3 the danger of death or serious bodily injury has completely
4 ended.

5 The defendant is also charged with possession of a
6 weapon during the commission of or attempt to commit a
7 violent crime. The State must prove, beyond a reasonable
8 doubt, that the defendant was in possession of a firearm or
9 visibly displayed what appeared to be a firearm during the
10 commission of a violent crime.

11 A firearm means any machine gun, automatic rifle,
12 revolver, pistol, or any weapon which will, is designed to,
13 or may be readily converted to expel a projectile.

14 In order to find the defendant guilty of possession of
15 a weapon during the commission of a violent crime, you must
16 first find the defendant guilty of either committing a
17 violent crime or attempting to commit a violent crime.
18 Murder and voluntary manslaughter are both classified as
19 crimes of violence under our South Carolina Code of Laws.

20 The State must prove, beyond a reasonable doubt, that
21 the weapon furthered, advanced, or helped in the commission
22 of the crime.

23 As to the offense of unlawful possession of a pistol,
24 the State must prove, beyond a reasonable doubt, that the
25 defendant did knowingly possess or acquire a pistol while he

1 was legally prohibited from doing so.

2 As to the offense of unlawful possession of a pistol,
3 the defendant has asserted the defense of necessity. In
4 order to prove necessity, the defendant must show that
5 there's a present and immediate emergent, excuse me, a
6 present and imminent emergency arising without fault on the
7 part of the defendant, the emergency is of such a nature as
8 to induce a well grounded apprehension of death or serious
9 bodily harm if the act is not done, and there's no other
10 reasonable alternative other than committing the crime to
11 avoid the threat of harm. Necessity is an affirmative
12 defense which must be established by the defendant by a
13 preponderance of the evidence.

14 In this case there are allegations of spoliation or
15 destruction of evidence. The State not only has the burden
16 of proof of guilt but also it has the burden of producing
17 evidence which could establish the innocence of the
18 defendant.

19 When evidence is lost or destroyed by a party, you may
20 infer that the evidence which was lost or destroyed by that
21 party would of been adverse to that party. If you find
22 first that evidence was spoiled or destroyed, and if you
23 further find that the evidence could help establish the
24 innocence of the defendant, you may then consider those
25 facts in deciding whether or not the State has met its

1 burden.

2 Ladies and gentlemen, we're gonna send you back into
3 the jury room with three verdict forms.

4 The first verdict form -- you'll see the caption of the
5 case at the top and it states, as to the charge of murder,
6 we, the jury, unanimously find the defendant, and then
7 you'll see a place for guilty and you'll plea -- see a place
8 for not guilty. Please don't read anything into the order
9 in which these choices appear. One has to come first and
10 one has to come second. There's no significance in the
11 order.

12 The first option is guilty in which case you would stop
13 your deliberation on that charge. The second option is not
14 guilty. And if you select not guilty, it prompts you that
15 you'll go to question two.

16 Question two is as to lesser included offense of
17 voluntary manslaughter, and it states, as to the charge of
18 voluntary manslaughter, we, the jury, unanimously find the
19 defendant and again you'll either choose guilty or not
20 guilty.

21 Your next verdict form pertains to the charge of
22 possession of a weapon during the commission of a violent
23 crime, and it states we, the jury, unanimously find the
24 defendant, there's an option for guilty. It also reminds
25 you that you may only find the defendant guilty of this

1 offense if you've also found him guilty of a violent crime
2 of either murder or voluntary manslaughter. So, you'll
3 select guilty or not guilty.

4 And then, finally, you have a verdict form for unlawful
5 possession of a pistol that states, as to the charge of
6 unlawful possession of a pistol, we, the jury, unanimously
7 find the defendant and again you'll select guilty or not
8 guilty.

9 Your verdict must be unanimous. All 12 jurors must
10 agree.

11 We have two alternate jurors who have been so gracious
12 to stay with us all week, Mrs. Milkey and Ms. Pearson or Mr.
13 Pearson.

14 Okay. I'm gonna ask the other 12 jurors, is everyone
15 okay to continue deliberations this morning or this
16 afternoon?

17 (WHEREUPON, the jurors nod affirmatively.)

18 THE COURT: Everyone is good.

19 Okay. Then when I dismiss you, I'm gonna ask if our
20 two alternate jurors will just remain in the courtroom with
21 us.

22 Any exceptions or additions from the State?

23 SOLICITOR FINNEY: None from the State.

24 THE COURT: From the defendant?

25 MR. BUTCHER: None from Mr. Brown, Your Honor.

1 THE COURT: Okay. Ladies and gentlemen, I'm gonna
2 excuse the 12 of you back to the jury room. We will be
3 bringing all the exhibits back to you momentarily along with
4 the verdict forms and then you may start your deliberations,
5 deliberations.

6 Thank you.

7 And we're also gonna bring your lunch in.

8 (Whereupon, the following takes place outside the
9 presence of the jury.)

10 (WHEREUPON, the alternate jurors were excused at this
11 time.)

12 THE COURT: Okay. If I could get y'all to come up and
13 make sure we have all of the exhibits together. Looks like
14 they're in pretty good order here and let me give you the
15 verdict forms.

16 THE BAILIFF: Yes, ma'am. The lunch is already here
17 when you're ready.

18 THE COURT: Okay. Good.

19 (WHEREUPON, the jury retired from the courtroom at
20 12:27PM.)

21 THE COURT: -- date and the signature of the foreman,
22 Mr. Ripstein. I don't recall that being offered into
23 evidence.

24 Is that correct?

25 SOLICITOR FINNEY: It was not.

1 THE COURT: So what I would suggest is we just bring
2 the jury in so that I can tell them there's no written
3 report in evidence.

4 THE BAILIFF: Get them, Your Honor?

5 THE COURT: Mr. Butcher.

6 MR. BUTCHER: That's fine, Your Honor.

7 SOLICITOR FINNEY: What about the defendant?

8 THE COURT: Oh, yeah, let's wait for him. Sorry.

9 THE OFFICER: Your Honor, he's on his way up.

10 THE COURT: Thank you.

11 (Pause.)

12 SOLICITOR FINNEY: Your Honor, would it be
13 appropriate -- well, I guess we need to wait. Anyway, we'll
14 wait.

15 (WHEREUPON, the Defendant comes into the courtroom at
16 this time.)

17 THE COURT: Okay. For Mr. Brown's information, we did
18 receive a note from the jury just asking for a copy of the
19 autopsy report.

20 THE DEFENDANT: Okay.

21 THE COURT: Mr. Finney, was there something you were
22 gonna say?

23 SOLICITOR FINNEY: I want to add for the record would
24 it be appropriate to instruct them that they could hear the
25 testimony of the pathologist if they want to?

1 MRS. BUTCHER: We're fine with that.

2 SOLICITOR FINNEY: I mean once they're in the
3 courtroom.

4 Thank you.

5 THE COURT: Okay. If you want to bring them on.

6 THE BAILIFF: All right.

7 (Whereupon, the following takes place within the
8 presence of the jury at 1:59PM.)

9 THE COURT: Okay.

10 THE BAILIFF: The jurors are all seated, Your Honor.

11 THE COURT: Thank you.

12 Ladies and gentlemen, I do have your note. I presume
13 that this is requesting a copy of the autopsy report.

14 There is not a written report that is entered into
15 evidence. We can certainly play back the testimony from
16 you -- for you and to do that you would return to the
17 courtroom and we would just play that back over the sound
18 system.

19 So, if y'all want to return to the jury room, and if
20 there's anything further that you need from us, we'll be
21 glad to accommodate you.

22 THE FOREMAN: Okay.

23 (WHEREUPON, the jury leaves the courtroom at 2:01PM.)

24 (WHEREUPON, the note from the jury was marked as
25 Court's Exhibit No. 3 and received into evidence at this

1 time.)

2 THE COURT: Now, y'all might want to hang tight for a
3 few minutes---

4 THE OFFICER: Okay.

5 THE COURT: ---just in case they want to come back in.

6 MR. BUTCHER: No objection to the --.

7 (WHEREUPON, Court was in recess in this case awaiting
8 the jury verdict.)

9 (WHEREUPON, the note from the jury was marked as
10 Court's Exhibit No. 4 and received into evidence at this
11 time.)

12 THE COURT: Okay. We have an additional note that says
13 can we hear the testimony of the autopsy/medical examiner.

14 So, y'all have any objection to us bringing them in and
15 we'll let Sherry get set up first before we bring them in?

16 MR. BUTCHER: Then do we abandon the courtroom and you
17 let them listen with the court reporter or do we stay in
18 here?

19 THE COURT: I feel more comfortable with y'all
20 remaining in the courtroom just so you know that nothing --.

21 MR. BUTCHER: Untoward has happened?

22 THE COURT: Yeah.

23 MR. BUTCHER: Okay.

24 (WHEREUPON, the jury came in and listened to the
25 testimony requested.)

1 THE COURT: ---and---

2 SOLICITOR FINNEY: Nothing from the State.

3 MR. BUTCHER: Was -- and there was no recross in there?

4 MRS. BUTCHER: I thought there was.

5 THE COURT: That was it?

6 MR. BUTCHER: Okay.

7 MRS. BUTCHER: No. Okay. Thank you.

8 (WHEREUPON, the jury returned to the courtroom at
9 2:52PM with a verdict.)

10 THE BAILIFF: The jurors are all seated, Your Honor.

11 THE COURT: Okay. I understand that you have reached a
12 verdict.

13 THE FOREMAN: We have.

14 THE COURT: If you will please hand your verdict forms
15 to the bailiff.

16 (WHEREUPON, the foreman complies.)

17 THE COURT: Thank you.

18 Okay. I have the jury's verdict form and it states, as
19 to the charge of murder, we, the jury, unanimously find the
20 defendant guilty.

21 As to the charge of possession of a weapon during the
22 commission of a violent crime, we, the jury, unanimously
23 find the defendant guilty.

24 And as to charge of unlawful possession of a pistol,
25 we, the jury, unanimously find the defendant guilty.

1 Ladies and gentlemen, let me ask you to confirm that
2 this is your verdict.

3 (WHEREUPON, jurors answer in the affirmative.)

4 THE COURT: Anything on behalf of the State?

5 SOLICITOR FINNEY: Your Honor, we sincerely like to
6 thank the jury on behalf of the family and the State of
7 South Carolina. Appreciate their time and their talents.

8 THE COURT: Anything on behalf of the defendant?

9 MR. BUTCHER: Your Honor, we'd ask for a judgment
10 notwithstanding the verdict and also a poll of the jury and
11 --.

12 THE COURT: If -- we'll go ahead and poll the jury and
13 then I'll dismiss them. And if you want to, to make any,
14 any motions or I can give you the standard time to make the
15 motions.

16 MR. BUTCHER: Thank you, Your Honor.

17 THE BAILIFF: May it please the Court, Your Honor?

18 THE COURT: Yes, sir.

19 THE BAILIFF: Ladies and gentlemen of the jury, call
20 your, call your juror number and your name. All I needed
21 was a yes or no answer.

22 Juror Number 91, Angela Lee, is this your verdict and
23 still your verdict?

24 THE JUROR: Yes, sir.

25 THE BAILIFF: Juror Number 51, Barbara A. Felver, if

1 this is your verdict and still your verdict?

2 THE JUROR: Yes, it is.

3 THE BAILIFF: Juror Number 6, Jerry D. Ballentine, is
4 this your verdict and still your verdict?

5 THE JUROR: Yes, sir.

6 THE BAILIFF: Juror Number 32, Leah Carlisle, is this
7 your verdict and still your verdict?

8 THE JUROR: Yes, sir.

9 THE BAILIFF: Juror Number 37, Michael Chomko -- how
10 you pronounce that?

11 THE JUROR: Chomko.

12 THE BAILIFF: Michael W. Chomko, is this your verdict
13 and still your verdict?

14 THE JUROR: Yes, sir.

15 THE BAILIFF: Juror Number 163, Karen Wadford --

16 THE JUROR: Yes, sir.

17 THE BAILIFF: -- is this your verdict and still your
18 verdict?

19 THE JUROR: Yes, sir.

20 THE BAILIFF: Juror Number 142, John Ripstein, is this
21 your verdict and still your verdict?

22 THE JUROR: Yes, sir.

23 THE BAILIFF: Juror Number 82, Anthony Jones, is this
24 your verdict and still your verdict?

25 THE JUROR: Yes.

1 THE BAILIFF: Juror Number 44, Danielle Cullum, is this
2 your verdict and still your verdict?

3 THE JUROR: It is, yes.

4 THE BAILIFF: Juror Number 116, Shlonda, Shlonda T.
5 Nelson, is this your verdict and still your verdict?

6 THE JUROR: Yes.

7 THE BAILIFF: Juror Number 111, Tia Moody, is this your
8 verdict, still your verdict?

9 THE JUROR: Yes.

10 THE BAILIFF: Juror Number 97, Patricia Ludd, is this
11 your verdict and still your verdict?

12 THE JUROR: Yes.

13 THE BAILIFF: Your Honor, all jurors have been polled.

14 THE COURT: Okay.

15 (WHEREUPON, the jury panel was dismissed at this time.)

16 THE COURT: If you-all want to take a look at the
17 verdict forms, I'm glad for you-all to look at them.

18 (Pause.)

19 SOLICITOR FINNEY: Your Honor please.

20 The mother of Mrs., Mr. Pack, Mrs. Pack, Betty Pack,
21 has asked me to ask the Court and the defense, she would
22 like to have her son's driver's license that is in evidence
23 and I wanted to make a motion to ask if we could agree to
24 put in a copy of the driver's license for the record and
25 then she could have the actual item returned to her.

1 MR. BUTCHER: We, we agree.

2 THE COURT: Okay. Then we'll substitute a copy and
3 that---

4 SOLICITOR FINNEY: I have sentencing sheets, Your
5 Honor.

6 THE COURT: Okay. Okay. Does the State want to be
7 heard on sentencing?

8 SOLICITOR FINNEY: May I have a moment, Your Honor?

9 THE COURT: Yes, sir.

10 (Pause.)

11 SOLICITOR FINNEY: Your Honor please.

12 The State thanks the Court for their time and -- this
13 week and you -- the job you had to do. Nobody from the
14 family wants to speak.

15 But as far as sentencing is concerned, we would like
16 for you to know that there are -- I, I believe you've seen
17 the entire record of Mr. Brown including the old stuff that
18 started back in 1997 I believe. I believe there are at
19 least five states where he has been convicted.

20 He kept the officers here working diligently for a long
21 period of time trying to find him. My information is that,
22 when he left Sumter, he went to North Carolina, traveled
23 through Tennessee, down to Georgia, left Georgia, and went
24 through Florida and was captured in Jacksonville on the
25 15th. Made no effort to talk to anybody about the case

1 here, and we just feel like he really did not act
2 responsibly.

3 Obviously he was not suppose to have a weapon. The
4 jury found he did have a weapon and we are asking you to
5 impose the sentence that you feel appropriate. He is a,
6 a -- on the young side but he has been trouble to a lot of
7 people for a long time.

8 And, certainly, Mr. Pack was not, according to the jury
9 verdict, was not given a fair chance that, that day to, to
10 stay around and live a little bit longer.

11 Thank the Court.

12 THE COURT: Thank you.

13 Mr. Butcher.

14 MR. BUTCHER: Your Honor, although he -- although
15 Mr. Brown does, does have a record, which, which you've
16 seen, it is majority property crimes. It's majority
17 business and transaction related. And from that
18 prospective, I do not believe he has been a, a -- caused
19 violence to society and I -- everything is pretty much
20 related to some type of transactional issue.

21 I would ask the Court to consider that we, we believe
22 that the, the trial -- during the trial, they showed
23 substantial amount of mitigation regarding that. We
24 understand the jury verdict stands as during sentencing.
25 But I think the Court can consider that in, in its

1 sentencing.

2 So, from that prospective, we would ask the Court to,
3 to consider reducing and mitigating the, the sentence as
4 much as possible and with the additional charges having them
5 run concurrent.

6 Okay. Yeah, there's not much to inform you since
7 you've spent the past, you know, four days listening to us.

8 Thank you.

9 THE COURT: And I have reviewed the, the record of
10 Mr. Brown in, in detail.

11 MR. BUTCHER: And, and, Your Honor, may I, may I add
12 one thing and I apologize.

13 THE COURT: No, you're fine.

14 MR. BUTCHER: We've known Mr. Brown for many years and
15 I -- we know his mom. We, we, we, we do know his family and
16 we, we understand the, the trouble that this has caused
17 Mr. Pack's family. But, you know, out -- outside the
18 trouble, he is -- he's been absolutely wonderful person to
19 be around. He's always, in, in, in spite of spending the
20 past three years in pretty much solitary confinement, he
21 is -- always has a, a smile on his face and there's
22 optimism.

23 You know, we -- we've had long talks about the current
24 trouble and what, what we're looking towards in, in, in the
25 future and I do believe, you know, we, we, we are 40 years

1 old now.

2 And so, from that prospective, I, I would also ask
3 Court to consider that.

4 THE COURT: Thank you, sir.

5 I do want to thank the family members. I know it's
6 been a long time since August 11th, 2018. And so I
7 appreciate y'all being here. I hope that this -- I know
8 it's a tragic situation all the way around and I, I do hope
9 that this will give y'all some closure, that you're able to
10 put this part of it at least behind you.

11 I am taking into consideration the ages of both
12 Mr. Pack and Mr. Brown. I'm taking into consideration the
13 criminal history. I do note that the -- there's, there's
14 not a violent criminal history. So, I mean this is a
15 significant departure from what has happened to him in the
16 past.

17 So, it gives me no pleasure but the sentence of the
18 Court, as to the murder charge, is 30 years, which is the
19 statutory mandatory sentence.

20 I am giving him, on the possession of a weapon during a
21 violent crime, a concurrent five years, and on the
22 possession of a pistol, I'm giving him a concurrent one year
23 sentence.

24 Thank you to the State and to the defendants. I
25 appreciate the attorneys working hard and still being very

1 professional and collegial and I appreciate that.

2 MR. BUTCHER: Thank you, Your Honor.

3 SOLICITOR FINNEY: Thank you, Your Honor.

4 THE COURT: Mr. Butcher, if there's any post-trial
5 motions that you want to make in writing, I'm certainly
6 gonna give you time to submit --.

7 MR. BUTCHER: Yes, ma'am, we only have 10 days and we,
8 we will work on that.

9 THE COURT: All right. We are adjourned.

10 MR. BUTCHER: Thank you, Your Honor.

11 SOLICITOR FINNEY: Thank you, Your Honor.

The State of South Carolina

County of SUMTER

COURT OF GENERAL SESSIONS

JANUARY TERM 2019

THE STATE

vs.

DEMETRIUS ALEXANDER BROWN

Indictment for

Murder / Murder

Weapon / Poss. Weapon during commission of a violent
crime

Weapon / Unlawful Poss. Pistol, prior crime of violence

Ernest A. Finney III

ERNEST A. FINNEY, III, SOLICITOR

STATE OF SOUTH CAROLINA)
)
 COUNTY OF SUMTER)

INDICTMENT FOR

Murder / Murder
 Weapon / Poss. Weapon during commission of a violent crime
 Weapon / Unlawful Poss. Pistol, prior crime of violence

At a Court of General Sessions, convened on January 3, 2019 the Grand Jurors of
 SUMTER County present upon their oath:

COUNT ONE

MURDER

That Demetrius Alexander Brown did in Sumter County, on or about August 11, 2018, willfully, feloniously, and intentionally kill the victim, Sharmine Pack, with malice aforethought, either express or implied, by means of shooting the victim, and the victim did die as a proximate result thereof on or about August 11, 2018 in Sumter County, in violation of Section 16-03-0010, S. C. Code of Laws, 1976, as amended.

COUNT TWO

POSSESSION OF A WEAPON DURING THE COMMISSION OF A VIOLENT CRIME

That Demetrius Alexander Brown did in Sumter County, on or about August 11, 2018, possess a firearm, or visibly display what appeared to be a firearm, or visibly displayed a knife, during the commission or attempted commission of a violent crime, in violation of Section 16-23-0490, S. C. Code of Laws, 1976, as amended.

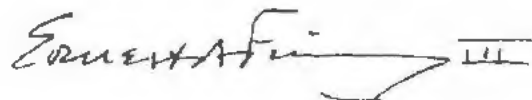

COUNT THREE

UNLAWFUL POSSESSION OF A PISTOL

That Demetrius Alexander Brown did in Sumter County on or about August 11, 2018 knowingly possess or acquire a pistol after having been convicted of a crime of violence defined in Section 16-23-10, S. C. Code of Laws, 2003, as amended, in violation of Section 16-23-0030(B), S. C. Code of Laws, 1976, as amended.

Against the peace and dignity of the State, and contrary to the statute in such case made and provided.

Yesterday 2:32 PM

As salaam alaikum Charlotte at masjid what's good Ackee we have a cookout here for my birthday today

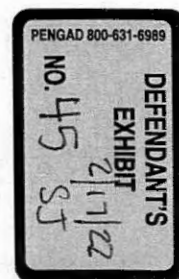

Call me

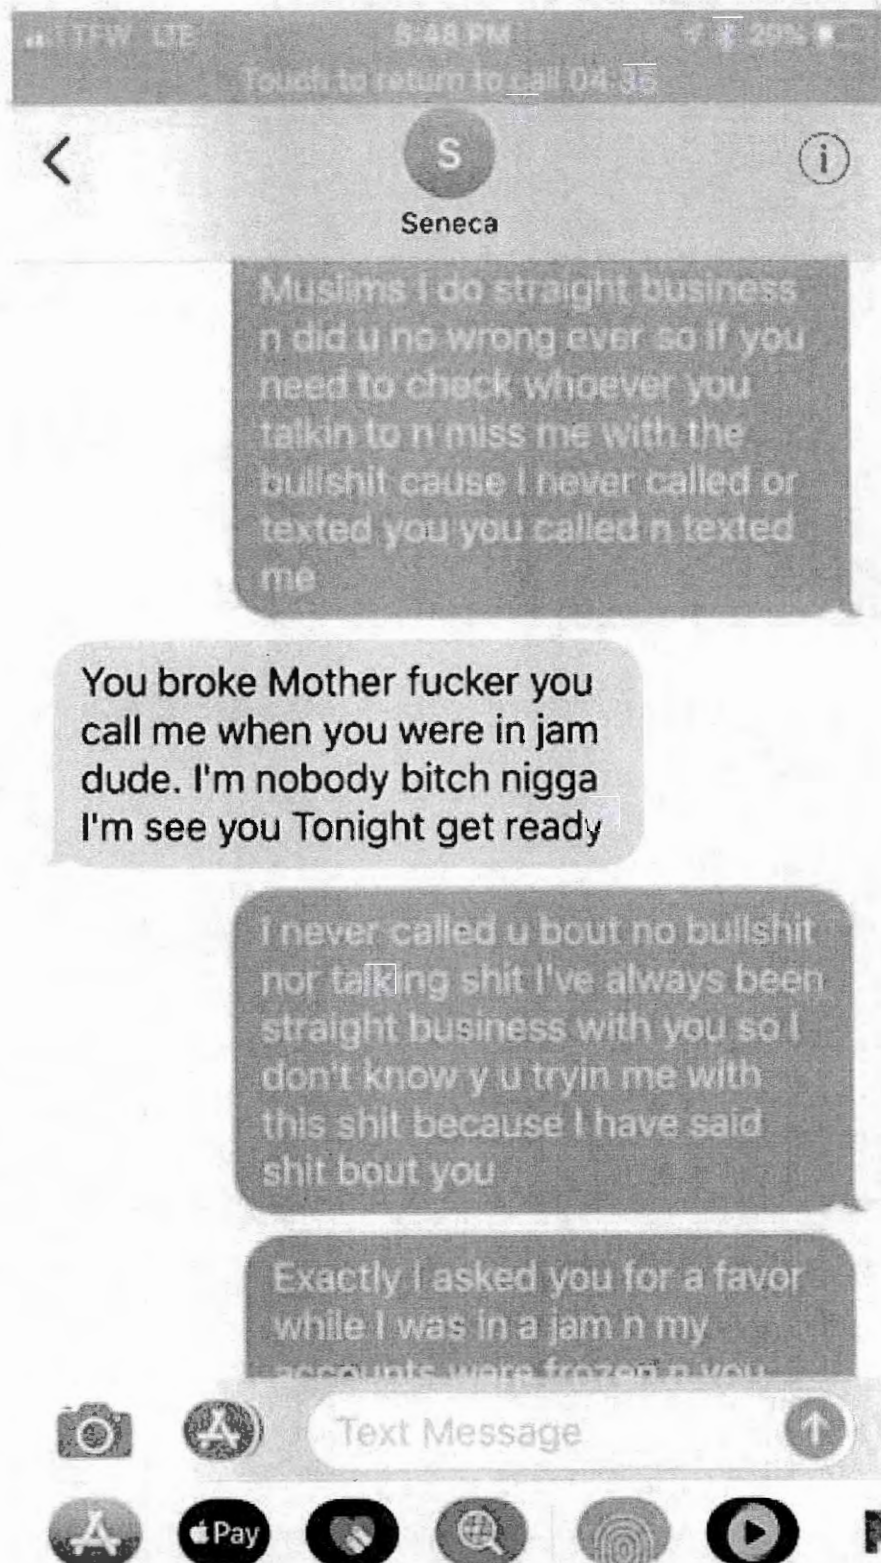

911

Don't call my phone with that bullshit yo n Yakoo keep that bitch shit over there I don't need any body I'm myself nigga. Like I said I've been Muslim from birth I'm not a five percenter like y'all jail house Muslims I do straight business n did u no wrong ever so if you need to check whoever you talkin to n miss me with the bullshit cause I never called or

Seneca

Exactly I asked you for a favor while I was in a jam n my accounts were frozen n you helped with no problems so what's with the shit now I have do anything or said anything bout you negative to anyone I don't eat of my brothers flesh so where all the aggression coming from I also just seen you in dmv the other week as well

U need to check whoever feeding u the bullshit because we never had any bad blood

Today 4:00 PM

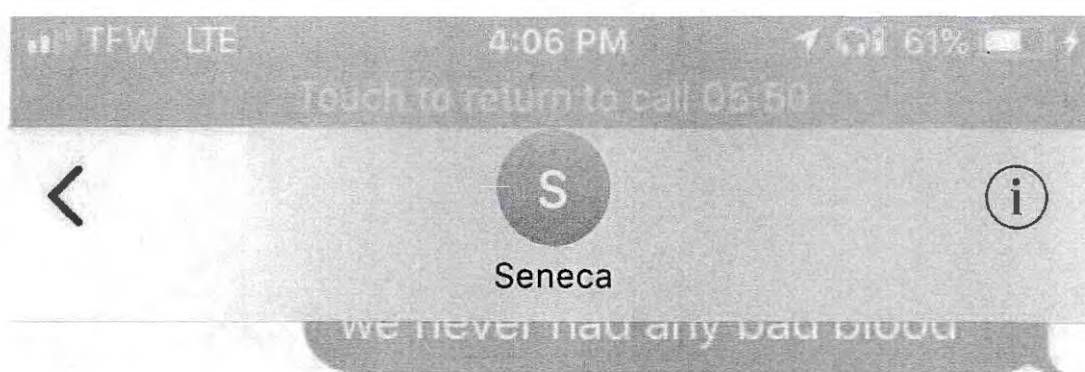

So u put hit on a real bro huh

Don't text me dude I'm out here

Text Message

Today 4:00 PM

So u put hit on a real bro huh

Don't text me dude I'm out here
daily keep my name out your
mouth

Naw don't try to back out now
Lonnie just rolled on me n
called u n asked what to do
with me n I heard your voice
stafallah

I'm prepared for whatever dude
stay there nigga

I'm not sucker

Otw

Extraction Report - Samsung SM-B311V Gusto 3

Cellebrite
www.cellebrite.com

Summary

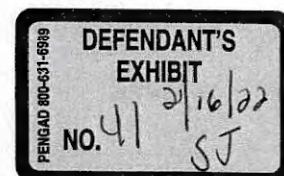

Cellebrite Physical Analyzer version	7.45.0.96
Report creation time	7/18/2021 7:40:26 PM -04:00
Time zone settings (UTC)	Original UTC value
Examiner name	Wilmoth
Location	ROCIC
Case number	18110339
Case name	3rd JC SC Solicitor's Office 18110339
Evidence number	CF01235
Department	The Solicitor's Office of the 3rd Judicial Circuit of South Carolina
Investigator	Inv. Robert Burnish
Crime type	Homicide

Source Extraction

Physical	
Extraction start date/time	6/24/2021 1:07:29 PM(UTC-5)
Extraction end date/time	6/24/2021 1:13:25 PM(UTC-5)
Unit identifier	7209258
UFED version	7.45.1.43
Internal version	7.45.1.43
Selected manufacturer	Samsung CDMA
Selected device name	SM-B311V Gusto 3
Machine name	TOUCH2-7209258
Connection type	Cable No. 100
Extraction type	Physical
Extraction ID	52CF250C-E519-48CE-917E-EF93B13BBA62
Extraction (UFD) file data integrity	Intact

STATE OF SOUTH CAROLINA

COUNTY OF SUMTER

State of South Carolina,

Plaintiff,

v.

Demetrius Brown,

Defendant,

IN THE COURT OF GENERAL SESSIONS OF

2019 FEB 28 3:11 PM THE THIRD JUDICIAL CIRCUIT

Case No.: 2019-GS-43-00053

**DEFENDANT'S
MOTION FOR A NEW TRIAL**

Defendant Demetrius Brown asks the Court to issue an order granting a new trial for the following reasons:

Pursuant to Rule 29, S.C.R.Crim.P., Defendant Demetrius Brown asks the Court to grant a new trial. Rule 29 states:

Except for motions for new trials based on after-discovered evidence, post-trial motions shall be made within ten (10) days after the imposition of the sentence. In cases involving appeals from convictions in magistrate's or municipal court, post-trial motions shall be made within ten (10) days after receipt of written notice of entry of the order or judgment disposing of the appeal. The time for appeal for all parties shall be stayed by a timely post-trial motion and shall run from the receipt of written notice of entry of the order granting or denying such motion. The time within which to make the motion shall not be affected by the ending of a term of court or departure of the judge from the circuit, and the circuit judge shall retain jurisdiction of the action for the purpose of hearing and disposing of the motion if not heard and disposed of during the term. Except by consent of the parties, argument on the motion shall be heard in the circuit where the trial or hearing was held. The motion may, in the discretion of the court, be determined on briefs filed by the parties without oral argument.

Rule 29, S.C.R.Crim.P.

I. Defendant's right to a fair trial was impaired by the destruction of evidence by the Solicitor.

The Due Process Clause of the Fourteenth Amendment to the United States Constitution guarantees a defendant's fundamental right to a fair trial. *State v. Reaves*, 414 S.C. 118, 125, 777 S.E.2d 213 (2015); U.S. Const. amend XIV. Where a defendant's right to a fair trial due to

missing or destroyed evidence is at issue, the applicable standard is derived from the United States Supreme Court's opinion in *Arizona v. Youngblood*, 488 U.S. 51, 109 S. Ct. 333, 102 L. Ed. 2d 281 (1988). *State v. Reaves*, at 125.¹

Defendant concedes that there is no absolute duty to preserve evidence, but if the State acts in bad faith or intentionally, as the solicitor acted, the destruction of evidence by the State is a Due Process violation.

The United States Supreme Court has held that the failure to preserve evidentiary material, of which no more can be said than that it could have been subjected to tests, the results of which might have exonerated the Defendant, violates due process when the criminal defendant can show bad faith on the part of the [State]. *Arizona v. Youngblood*, 488 U.S. 51, 57-58 (1988); *United States v. Agurs*, 427 U.S. 97 (1976).

“To establish a due process violation, a defendant must demonstrate (1) that the State destroyed the evidence in bad faith, or (2) that the evidence possessed an exculpatory value apparent before the evidence was destroyed and the defendant cannot obtain other evidence of comparable value by other means.”

State v. Breeze, 379 S.C. 538, 545, 665 S.E.2d 247 (Ct. App. 2008) (quoting *State v. Cheeseboro*, 346 S.C. 526, 538-39, 552 S.E.2d 300, 307 (2001)).

The collection of cell phones at crime scenes is a standard procedure in criminal investigations. In this instance, Anfernee Bradley abandoned his phone when he fled the scene after the Defendant wrestled the gun away from the decedent. The Defendant was entitled to have access to this evidence and the consequence of the State's actions have prevented him from having a fair trial.

¹ The majority of the case law addresses the bad faith destruction of evidence by law enforcement, because, really, most lawyers know better than to destroy evidence.

With this knowledge, the State acted in bad faith and intentionally. It is an uncontroverted fact that Solicitor knowingly destroyed exculpatory material evidence two weeks before first calling this case to trial. It is uncontroverted that the decedent's phone, Exhibit 41, showed he was paid to physically harm the Defendant:

Exhibit 41, Cellebrite Extraction Report – Timeline, *37-39, 46, 48-49.

There is strong evidence that Anfernee Bradley's phone would have similar information. During trial, the Court learned that Anfernee Bradley lied to law enforcement and that he lied on the stand on direct and during cross examination. The Court heard evidence through Bennie Haynsworth that Anfernee Bradley saw the decedent pull a gun and that the decedent tried to remove Defendant from the car. In addition, all of the instrumentalities of drug distribution were present in the vehicle which Anfernee Bradley regularly drove the decedent. This Court often finds probable cause to search for weapons when drugs are present because weapons are often associated with the distribution of illegal narcotics. There is no reason not to believe that

Anfernee Bradley had knowledge of the hit on the Defendant and communicated with others about some of the details of the hit. This evidence was vital to Defendant's self-defense. The solicitor admitted in closing arguments that he was responsible for destroying the evidence.

The solicitor's claims that he did not know that disposing of the evidence was wrong is without merit, is implausible, and asks the Court to impute a level of ignorance the solicitor truly does not possess. Several times during the trial, the Solicitor told the jury he had been practicing law for over forty years. He is an experienced attorney, and he knew that destroying electronic evidence, the week before first calling this case to trial, was an intentional violation of the Defendant's Due Process Rights. In *State v. Adams*, the South Carolina Supreme Court wrote:

[I]t is a well-established principle, often advanced by the State in criminal prosecutions, "that ignorance of the law is no excuse." *State v. Binnarr*, 400 S.C. 156, 160 n.7, 733 S.E.2d 890, 892 n.7 (2012). There would be a "fundamental unfairness [in] holding citizens to 'the traditional rule that ignorance of the law is no excuse,' while allowing those 'entrusted to enforce' the law to be ignorant of it." *United States v. Chanhassouxi*, 342 F.3d 1271, 1280 (11th Cir. 2003) (internal citation omitted) (quoting *Bryan v. United States*, 524 U.S. 184, 196, 118 S. Ct. 1939, 141 L. Ed. 2d 197 (1998)).

State v. Adams, 409 S.C. 641, 763 S.E.2d 341. The Court goes on to state that the law was enacted six years prior which provided sufficient notice to the officers. Like in *Adams*, the solicitor has had knowledge of his Due Process obligations to not destroy evidence since 1988, when *Youngblood* was handed down by the United States Supreme Court. The South Carolina Supreme Court affirmed these obligations in *Cheeseboro* in 2001 and *Reaves* in 2015. See *State v. Cheeseboro*, 346 S.C. 526 539, 552 S.E.2d 300, 307 (2001); *State v. Reaves*, 414 S.C. 118, 125, 777 S.E.2d 213 (2015). See also, Rule 3.4, Fairness to Opposing Party and Counsel, Rule 407, Rules of Professional Conduct, SCACR (Comment 2: "...the right of an opposing party, including the government, to obtain evidence through discovery or subpoena is an important

procedural right. The exercise of that right can be frustrated if relevant material is altered, concealed or destroyed. Applicable law in many jurisdictions makes it an offense to destroy material for purposes of impairing its availability in a pending proceeding or one whose commencement can be foreseen.”).

Without a doubt, the Solicitor destroyed evidence in bad faith a week before first calling this matter to trial. He held onto the phone for almost three years prior and he failed to inform the Defendant that he was disposing of the phone. He instructed his own investigator, Robert Burnish, to check the phone out of evidence and then he instructed Burnish to give the phone back to Anfernee Bradley. The fact that the solicitor noticed the case for trial three days later shows evidence of bad faith. This Court can only conclude that the solicitor destroyed evidence in bad faith. *See also*, Trial Testimony of Robert Burnish; Ex Parte Motion for Order to Seize Phone for Evidentiary Purposes and Other Relief (October 8, 2021), Exhibits 7 and 8.

In addition, the solicitor’s explanation of his intent was not available to the Defendant until he made the disclosure in closing.

The Court should consider the solicitor’s actions and intentions after he disposed of the phone to determine that he acted in bad faith. The solicitor refused to provide any hand receipts for the destruction of the phone until after the Defendant filed a motion to compel. The Court should also remember that when it reviewed Defendant’s Motion for Order to Seize Phone for Evidentiary Purposes and Other Relief, the solicitor at first refused to tell the Court that he would not contact Anfernee Bradley about the Defendant’s request to seize the cell phone while the Court considered the Defendant’s Motion for Order to Seize Phone for Evidentiary Purposes and Other Relief. *See*, Transcript of Record, *35-37 (October 8, 2021). The solicitor also stated that opening Anfernee Bradley’s phone “...would probably prove crimes that were not in the

indictment.” *See*, Transcript of Record, *30 (October 8, 2021). When the Court takes all of the evidence into consideration, the facts show that the solicitor knew the evidence would be harmful to the State when he destroyed the evidence.

Based upon the evidence before the Court, to include the solicitor’s own statements, the Court should grant a new trial and dismiss the Indictment due to the State’s misconduct and violation of the Defendant’s Due Process Rights under Amend. XIV, U.S. Const.

II. The Court abused its discretion in excluding Bennie Haynsworth’s testimony regarding the victim carrying a gun and presenting a gun at others.

The admission of evidence is within the discretion of the trial court. *State v. Pitman*, 375 S.C. 527, 577, 647 S.E.2d 144 (2007). Generally, all relevant evidence is admissible. Rule 402, SCRE; *State v. Saltz*, 346 S.C. 114, 551 S.E.2d 240 (2001). Relevant evidence is “evidence having any tendency to make the existence of any fact that is of consequence to the determination of the action more probable or less probable than it would be without the evidence.” Rule 401, SCRE. Relevant evidence may be excluded where its probative value is substantially outweighed by the danger of unfair prejudice. *Id.*

During Defendant’s questioning of Mr. Haynsworth, Defendant’s counsel asked him if the decedent was known to carry a gun. Mr. Haynsworth answered, “I don’t know.”

Defendant laid the proper foundation by asking Mr. Haynsworth had he previously told law enforcement that the decedent had carried a gun on September 19, 2018. Defendant then played a video, submitted in Exhibit 52, Videos. In Exhibit 52, the video entitled “004 – Bennie”, Mr. Haynsworth is asked if he knew the decedent carried a gun, at 00:58. Bennie then told law enforcement that the decedent carried a gun.

This evidence is admissible pursuant to Rule 404(a)(2), which states:

(a) Character evidence generally. Evidence of a person's character or a trait of character is not admissible for the purpose of proving action in conformity therewith on a particular occasion, except:

(1) Character of accused. Evidence of a pertinent trait of character offered by an accused, or by the prosecution to rebut the same;

(2) Character of victim. Evidence of a pertinent trait of character of the victim of the crime offered by an accused, or by the prosecution to rebut the same, or evidence of a character trait of peacefulness of the victim offered by the prosecution in a homicide case to rebut evidence that the victim was the first aggressor;

Rule 404(b), SCRE. In addition, the State opened the door to the decedent's peacefulness during opening argument. "It is firmly established that otherwise inadmissible evidence may be properly admitted when opposing counsel opens the door to that evidence." *State v. Page*, 378 S.C. 476, 482, 663 S.E.2d 357, 360 (Ct. App. 2008). "When a party introduces evidence about a particular matter, the other party is entitled to explain it or rebut it, even if the latter evidence would have been incompetent or irrelevant had it been offered initially." *State v. Simmons*, 430 S.C. 1, 18, 841 S.E.2d 845, 854 (2020), reh'g denied (May 22, 2020). "A party may introduce otherwise inadmissible evidence in rebuttal when an opponent introduces evidence as to a particular fact or transaction." *State v. Heyward*, 426 S.C. 630, 636, 828 S.E.2d 592, 595 (2019), reh'g denied (June 28, 2019).

As the Defendant alleged the defense of self-defense for the murder charge and necessity for the weapons charges, Defendant asserts that the Court abused its discretion in excluding relevant evidence related to the decedent carrying a gun.

III. The Court abused its discretion in excluding Bennie Haynsworth's testimony impeaching Anfernee Bradley's testimony.

During the proffer of Bennie Haynsworth's testimony, the Defendant sought to present evidence that the decedent had a gun the day of the incident and attempted to forcibly remove the Defendant from his vehicle.

Earlier, Anfernee Bradley was asked upon cross examination if, prior to September 19, 2018, he had previously told Bennie Haynsworth that the decedent brought a gun to the scene and the decedent tried to force Defendant from his vehicle. Anfernee Bradley denied this statement.

Bennie Haynsworth denied that Anfernee Bradley made the statement, but the videotaped evidence in Exhibit 52, Videos, show that the opposite is true.

The Defendant laid the proper foundation with both Anfernee Bradley and Bennie Haynsworth. The evidence Defendant sought to present was not collateral evidence, rather it directly addressed self-defense and his reactions to the decedent's gun and attempt to remove him from his vehicle. *State v. Brock*, 130 S.C. 252, 254-255, 126 S.E. 28 (1925).

Rule 613(b), SCRE states:

Extrinsic evidence of prior inconsistent statement of witness. Extrinsic evidence of a prior inconsistent statement by a witness is not admissible unless the witness is advised of the substance of the statement, the time and place it was allegedly made, and the person to whom it was made, and is given the opportunity to explain or deny the statement. If a witness does not admit that he has made the prior inconsistent statement, extrinsic evidence of such statement is admissible. However, if a witness admits making the prior statement, extrinsic evidence that the prior statement was made is inadmissible. This provision does not apply to admissions of a party-opponent as defined in Rule 801(d)(2).

Rule 613(b), SCRE.

"Extrinsic evidence of a prior inconsistent statement by a witness is not admissible unless the witness is advised of the substance of the statement, the time and place it was allegedly made, and the person to whom it was made, and is given the opportunity to explain or deny the statement. If a witness does not admit that he has made the prior inconsistent statement, extrinsic

evidence of such statement is admissible.” *State v. Hawes*, 423 S.C. 118, 813 S.E.2d 513, 523 n. 8 (Ct. App. 2018), *reh’g denied* (May 24, 2018).

Rule 613(b), SCRE, works in tandem with Rule 611(a), SCRE, which arms the trial court with vast discretion in controlling the mode and order of witness testimony. *State v. Barnes*, 421 S.C. 47, 59, 804 S.E.2d 301, 308 (Ct. App. 2017). The rule does not require extrinsic evidence of the prior statement be admitted immediately. It merely authorizes the use of extrinsic evidence to prove the inconsistency. Because the impeaching evidence is “extrinsic,” the avenue of its admissibility may not always run through the witness to be impeached by it, for that witness may not be competent to authenticate the extrinsic evidence. *State v. Barnes*, 421 S.C. 47, 58, 804 S.E.2d 301, 307 (Ct. App. 2017).

When a witness is presented with the requisite circumstances surrounding an alleged inconsistent statement and nevertheless continues to deny before the court ever making the statement, another person’s testimony that the witness did, in fact, make that statement is admissible under Rule 613(b), SCRE. *State v. Slater*, 360 S.C. 487, 497, 602 S.E.2d 90, 96 (Ct. App. 2004).

The Defendant asks the Court to review Exhibit 52 and issue an order for a new trial.

IV. The prosecution’s burden shifting and comments on Defendant’s assertion of his constitutional rights during closing arguments prejudiced the Defendant.

On at least three occasions, the State argued that the Defendant had to prove self-defense, shifting the State’s burden of proving the indicted charges and disproving self-defense. *State v. Taylor*, 356 S.C. 227, 235, 589 S.E.2d 1, 5 (2003) (“Through [*State v. Burkhardt*, 350 S.C. 252, 565 S.E.2d 298 (2002)] and the line of cases preceding it, this Court has placed great emphasis on the importance of a defendant’s right to assert self-defense when there is ‘any evidence’ to

support it, and has taken pains to make sure the burden to disprove self-defense remains on the State.”); *State v. Burkhart*, 350 S.C. 252, 565 S.E.2d 298 (2002) (finding that current law requires the State to disprove self-defense, once raised by the defendant, beyond a reasonable doubt); *Burkhart*, 350 S.C. at 263, 565 S.E.2d at 304 (“Charging that the State must disprove self-defense or, that the State must prove the elements of self-defense are not present, clearly places the burden on the State, as this Court intended.”); *State v. Addison*, 343 S.C. 290, 293, 540 S.E.2d 449, 451 (2000) (“When self-defense is properly submitted to the jury, the defendant is entitled to a charge, if requested, that the State has the burden of disproving self-defense by proof beyond a reasonable doubt.”); *State v. Grooms*, 343 S.C. 248, 254, 540 S.E.2d 99, 102 (2000) (“A defendant is not required to establish self-defense by a preponderance of the evidence; instead, the defendant must only produce evidence which causes the jury to have a reasonable doubt as to his guilt.”); *State v. Wiggins*, 330 S.C. 538, 500 S.E.2d 489 (1998) (ruling the State has the burden of disproving self-defense; self-defense is no longer an affirmative defense in South Carolina); *State v. Bellamy*, 293 S.C. 103, 359 S.E.2d 63 (1987), overruled on other grounds by *State v. Torrence*, 305 S.C. 45, 406 S.E.2d 315 (1991) (stating defendant need not establish self-defense by preponderance of evidence, but must merely produce evidence which causes jury to have reasonable doubt regarding his guilt).

The solicitor’s burden shifting comments were accompanied by his comments of the solicitor’s direct and indirect comments on the Defendant’s constitutionally protected Fifth Amendment right to remain silent and his First and Sixth Amendment rights to retain counsel. Amend. V, U.S. Const.; *State v. Johnson*, 293 S.C. 321, 360 S.E. (2d) 317 (1987) (right to plead not guilty and put state to its burden of proof); see also *Doyle v. Ohio*, 426 U.S. 610, 96 S. Ct. 2240, 49 L. Ed. (2d) 91 (1976) (right to remain silent) *McFadden v. State*, 342 S.C. 637, 640, 539

S.E.2d 391, 393 (2000) ("Specifically, the solicitor must not comment, either directly or indirectly, on a defendant's silence, failure to testify, or failure to present a defense."); *State v. Cockerham*, 294 S.C. 380, 365 S.E.2d 22 (1988) (; Amends. I and VI, U.S. Const.; *Cipriani v. Lycoming County Hous. Auth.*, 177 F. Supp. 2d 303, 324 n. 17 (M.D.Pa. 2001), citing *Denzis v. Dunlap*, 209 F.3d 944, 953 (7th Cir. 2000); *DeLoach v. Bevers*, 922 F.2d 618, 620 (10th Cir. 1990) ("The right to retain and consult an attorney... implicates not only the Sixth Amendment but also clearly established First Amendment rights of association and free speech."); *Martin v. Lauer*, 686 F.2d 24, 32 (D.C. Cir. 1982).

"The State may not comment on a defendant's exercise of a constitutional right." *McFadden v. State*, 342 S.C. 637, 640, 539 S.E.2d 391, 393 (2000). Although Defendant objected and the Court attempted to provide a corrective instruction. Defendant asserts that the numerosity and frequency of the State's burden shifting and Defendant's assertion of his constitutional rights was prejudicial to Defendant and affected the verdict.

The State had previously made comments about Defendant's right to counsel and right to remain silent during cross examination.

Viewing these comments in the context of the entire record, *State v. Linder*, 276 S.C. 304, 278 S.E. (2d) 335 (1981), they "so infected the trial with unfairness as to make the resulting conviction(s) a denial of due process." *Donnelly v. DeChristoforo*, 416 U.S. 637, 643, 94 S. Ct. 1868, 1871, 40 L. Ed. (2d) 431, 437 (1974); *State v. Hawkins*, 292 S.C. 418, 357 S.E.2d 10 (1987).

V. The Court erred in allowing evidence of Defendant's past burglary conviction to be used as impeachment evidence of the Defendant's character.

The Court erred when it considered the probative value of the Defendant's prior burglary conviction under Rule 609, SCRE and *State v. Colf*, 337 S.C. 622, 627 (2000). In determining

whether the probative value of a prior conviction outweighs its prejudicial effect, federal courts often apply the following five factors:

1. The impeachment value of the prior crime.
2. The point in time of the conviction and the witness's subsequent history.
3. The similarity between the past crime and the charged crime.
4. The importance of the defendant's testimony.
5. The centrality of the credibility issue.

State v. Colf, at 627 (Citing Jack B. Weinstein & Margaret A. Berger, Weinstein's Federal Evidence § 609.05[3][a] (2d ed. 1999); Stephen A. Saltzburg, Federal Rules of Evidence Manual 1040 (7th ed. 1998).). See also, *State v. Robinson*, 426 S.C. 579 (2019).

VI. Conclusion.

For the reasons stated above, the Defendant asks the Court to grant a new trial and/or grant a new trial and dismiss the indictment due to the misconduct of the solicitor.

STATE OF SOUTH CAROLINA
COUNTY OF SUMTER

IN THE COURT OF GENERAL SESSIONS
FOR THE THIRD JUDICIAL CIRCUIT

INDICTMENT: 2019GS4300053

STATE OF SOUTH CAROLINA,
vs.

DEMETRIUS ALEXANDER BROWN
DEFENDANT.

ORDER DENYING DEFENDANT'S
MOTION FOR A NEW TRIAL

RECEIVED

Sep 27 2022

SC Court of Appeals

THIS MATTER comes before the Court on Defendant Demetrius Brown's Motion for a New Trial, timely submitted on February 28th, 2022. This case came on for a jury trial on February 14th, 2022. The jury returned a verdict finding the Defendant guilty on the charges of murder, possession of a weapon during the commission of a violent, and unlawful carrying of a pistol on February 18th, 2022. The Defendant now moves for a new trial based on the following grounds:

1. The Defendant alleges that his right to a fair trial was impaired by the destruction of evidence by the Solicitor, in this case the cell phone of Anfernee Bradley.

The Court finds that no such due process violation occurred. "To establish a due process violation, a defendant must demonstrate (1) that the State destroyed the evidence in bad faith, or (2) that the evidence possessed an exculpatory value apparent before the evidence was destroyed and the defendant cannot obtain other evidence of comparable value by other means." State v. Breeze, 379 S.C. 538, 665 S.E.2d 247 (Ct. App. 2008). Here, the Defendant has failed to show that the Solicitor acted in bad faith in not preserving the information contained in the cell phone, nor that he knew the cell phone possessed any exculpatory value before the evidence was destroyed. Further, the Defendant has failed to show that cell phone in question may have

contained evidence with exculpatory value. The fact the contents of Anfernee Bradley's cell phone were not preserved for use in this trial did not violate Defendant's right to due to process, and therefore did not result in an unfair trial. Furthermore, the Court gave a jury charge on spoliation of evidence, and Defendant made no objection to the charge.

2. The Defendant alleges that the Court abused its discretion in excluding Bennie Haynesworth's testimony regarding the victim carrying a gun and presenting a gun at others.

The Court finds that the exclusion of Haynesworth's testimony was proper. Under the holding in State v. McCray, 413 S.C.76, 773 S.E.2d 914 (Ct. App. 2015), specific instances of bad conduct of victim are not admissible unless they were directed at the defendant. ("The rule has long been established in this State that evidence of other specific instances of violence on the part of the deceased are not admissible unless they were directed against the defendant, or, if directed against others, were so closely connected in point of time or occasion with the homicide as reasonably to indicate the state of mind of the deceased at the time of the homicide.") The fact that the victim may have presented a gun to others at some time before the shooting was not relevant to whether he possessed a gun on the day of his murder.

3. The Defendant alleges that the Court abused its discretion in excluding Bennie Haynesworth's testimony impeaching Anfernee's Bradley testimony.

The court finds that the exclusion of Haynesworth's testimony was proper. First, in Haynesworth's proffered testimony, he claimed not to have remembered any past events due to a head injury. He further testified in the proffer that he was mad at the victim's family at the time he spoke with law enforcement. Furthermore, the allegedly impeaching testimony was largely inadmissible hearsay.

4. The Defendant alleges that the prosecution's burden shifting and comments on Defendant's assertion of constitutional rights during closing arguments prejudiced the Defendant.

The Court instructed the jury that the State had the burden of disproving each of the elements of self-defense, and furthermore instructed the jury on the burden of proof and presumption of evidence.

5. The Defendant alleges that the Court erred in allowing evidence of Defendant's past burglary conviction to be used as impeachment evidence of Defendant's character.

The court conducted an analysis consistent with Rule 609, SCRE, and with the requirements of State v. Robinson, 426 S.C. 579, 828 S.E.2d 203 (2019), and held that the probative value of the evidence outweighed any potential for unfair prejudice.

IT IS THEREFORE ORDERED THAT: Defendant's Motion for a New Trial is denied.

AND IT IS SO ORDERED this 21st day of September, 2022.
