Good afternoon Christina, the attached letter states that all of the requested pages were not included. Which ones are not there, because some of them were already legible, like page 1084. Also, are the copies I submitted legible enough? That is the best copy that DSS has so I don't know how I would get a better copy of them.

Give me a call Monday and we will get it figured out.

Thank you for your help.

Have a good weekend.
