Dear Clerk of Court:

Please find enclosed my Supplement to the Motion to Expedite the Appeal and Notice of Continued Harm, along with the exhibits, for filing in the above-referenced matter. I respectfully request the Court's continued pro se leniency, as this appeal began while I was incarcerated and after I had been denied the assistance of counsel. I have done my best to comply with all procedural requirements, and I am grateful for the Court's patience and consideration as I navigate these proceedings without an attorney.

Thank you for your attention to this filing. Please advise me if any further action is required.

Respectfully submitted,

Jason Michael Boyle, Ph.D.
