Harrison Partners, LLC, Appellant,

v.

Renewable Water Resources, Respondent.

MOTION

Counsel for the Appellant hereby moves for a extension of time in which to serve and file the Appellant's Initial Brief and Designation of Matter in the present case.

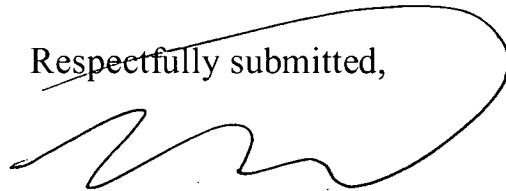

The Initial Brief and Designation of Matter have been completed and submitted to Harrison Partners, LLC, through Scott Bolo, for review. The Appellant requires additional time to review and comment on the Initial Brief and Designation prior to authorizing Counsel to file same.

10-18-13
11-18-13

The present case involves a transcript of over one thousand pages as well as a large number of documentary exhibits. Due to the number of issues and size of the record, the Appellant believes that the requested time is necessary to allow the Appellant to review the brief before filing. The Appellant has indicated that it can complete its review within the following week. Wherefore, Appellant moves for an extension of ten days in which to serve and file the Appellant's Initial Brief and Designation.

Appellant further moves time be stayed pending a decision of the Court on this motion.

Respectfully submitted,
