“MOTION FOR EXTENSION OF APPEAL APPELLANT”

CASE NO. 2025-001114

CLAIMANT CASE NO. 2222593

Pursuant to Rule 240, (SC ARC) PRO SE, Claimant, Appellant. I’m requesting an extension of the pending December 19th, 2025 deadline, “Motion to Dismiss CASE NO. 2025-001114-CLAIMANT CASE NO. 2222593.” This is an appeal of decision and order of The Workers Compensation Commission, Date, May 2nd, 2025. I’m requesting the court for a 30 days extension on the grounds that I’m a truck driver required to be away from home 2 to 3 days weekly, and which doesn’t allows me to properly prepare my statements due to times when I’m home; “Rest Breaks”, Required, by law; D.O.T. and on medical issues sustaining from my neck injury I received on May 12th, 2022. It causes excruciating pain when holding my head in the writing position for a period of time which results in me

taking pain medication that has been told to me by primary physician that they can be habit forming and cause death. So I'm asking the court to grant me this extension base on these grounds.
