Dear Clerk of Court

My name is Jackie Childers, Appellate Case No. 2024-001721. The attorney on my case is Wanda Carter. I've been calling her office since 10-06-2025 and no matter what time I call most time there is no answer, or she'll be there, but get told to call back at 3:00 p.m. and when I do I can't get a answer. I can not get any response from her by mail at all. She has not done anything that I've pleaded with her to do on my case and has done nothing that she has told me she'd do on my case for me. This is how and why people like myself get railroaded in the court system. I'm requesting that Wanda Carter be completely removed from my case Ineffective Counsel and Counsel Misconduct.

I ask that a copy of the paper work
be sent to me to verify she has
been removed.

Thanks

Jackie Childers
