Dear Court of Appeals,

I respectfully submit these title pages in an effort to cure the noted deficiencies. At this time, I am experiencing financial hardship and am struggling to meet basic expenses. Bound copies of the Record on Appeal and Final Briefs have already been mailed to the Court. Nonetheless, the printing service used to prepare and mail the Record on Appeal, Final Briefs, and related motions is still owed a balance of \$28, which I am working to resolve as soon as possible.

If the Court requires these title pages to be printed and physically attached to the copies already submitted, please advise, and I will promptly arrange for printing and mailing. I respectfully request that the Court not require newly printed and bound copies if possible, as the materials were mailed on December 11, the same date reflected on the proof of service.

As a pro se litigant, I respectfully request leniency where appropriate. I have acted in good faith throughout these proceedings and am grateful for the opportunity to engage deeply with the law and the justice system in the pursuit of civil rights.

Thank you for your time and consideration. Please notify me if any additional action is required to fully cure these deficiencies.

Respectfully submitted,
Jason Boyle
