This is a follow up on an appeal from appellant's guilty plea on June 27, 2024. The Court issued an Order after a hearing on October 16, 2025 requesting that the Magistrate submit an audio recording of the plea. Even though the supplemental return was filed on November 12, 2024, it had not been presented to this Judge until this week. Upon review of the file, it appears that there was a malfunction with the recording device so there is no audio recording of the plea hearing. This appeal is a little confusing because it mixes 2 matters-the charge for cruelty to animals and the hearing for "Continued Custody of Seized Animals". (See case Appellate case 2024CP2303579). By Order of October 16, 2024, the Court dismissed the Case for seizure of animals because the Plaintiff's dogs had been returned to him. Based on the return, the Appellant pled guilty to all 4 charges and was sentenced to the minimum fine and paid one of the fines and set up a payment plan for the balance. At the hearing on this appeal on October 16, 2024, Appellant failed to establish any of the claims set forth in his Notice of Criminal Appeal (July 5, 2024). Therefore, this Appeal is dismissed and the sentence of the Magistrate is affirmed.
