Skip, the appendix includes the Petition for Rehearing (page 195-200), but does not include the return of USAA to the Petition for Rehearing. The return was filed July 30, 2025, after the Petition for Rehearing was filed June 26, 2025. If the appendix is going to include the Petition for Rehearing, in fairness it should also include USAA's return to the Petition for Rehearing. Please file with the supreme court our return to the Petition for Rehearing.

I understand SCACR 242(e)(4) only references a copy of the Petition for Rehearing and makes no reference to the Return to that Petition, but in fairness and completeness the appendix should include our Return to the Petition for Rehearing. Let us know if you are not inclined to file our Return to the Petition for Rehearing, and we will file that with our response to the Petitioner's brief.
