RE: Roger Burke, #304613 vs. SCDC
Appellant Case NO 2025-002434

Dear Clerk,

On December 17, 2025 I was called to the Institutional Mail room to receive your letter of the Case NO. you asked me to go by here forward. I filed my Initial Brief and Designation of matter on this same day. I was able to open it and hand write the Appellant NO. on these originals. I also had already put my Middle Name in the New Caption as well as spelling out SCDC rather than abbreviating it as noted on your new Caption instructions. It is in the new parallel format I had already sealed and mailed the copies to the other parties. We are on Security lockdown and due to Christmas holidays I was trying to make sure I had made the 30 day deadline set forth by the Rule, also my typewriter broke so I had to write in the new case # and this letter and apologize for the inconvenience.
