WILLIAM S. SELLARS #125441 -- APPELLANT, pro-se

-Vs-

SOUTH CAROLINA DEP'T OF CORR. -- RESPONDENT,

APPELLATE CASE NO.. 2025-002163

APPELLANT'S MOTION AND REQUEST
TO MERGE AND CONSOLIDATE APPEAL
CASES: 2025-001610 and 2025-002163

COMES NOW, above captioned Appellant William Sellars #125441, pro-se respectfully moving this Honorable Court to consolidate and [merge] the two pending appeals together since the facts of one encompasses the other and Appellant respectfully believes that the Court will be able to make a sufficient ruling with all of the relevant facts and documentation before it.

1). Appellant presently has another prevailing wage appeal before this See **Appellate case no. 2025-001610**, and now the instant matter is before this Court **Appellate case No. 2025-002163**; and therefore neither party, nor Respondents would be prejudiced by such merger and consolidation of the two pending appeals.

2). Appellant participated at two different institutional Prison Industries (PIE) Programs, i.e. Tyger River and Perry Corr. Institution;

3). SCDC is attempting to claim that paying Appellant for one institution qualifies as payment for hourly labor performed at both and to the contrary, the hourly printout provided by Respondents refutes their position and claim by clear and convincing evidence.

4). Therefore, in the interest of justice, fundamental fairness and to save the Court's time and judicial resources, the two appeals should be merged and resolved together to bring this matter to an end once and for all.

CONCLUSION

Based on the above, Appellant respectfully prays this Court will grant Appellant's request and "merge" top two appeals together to resolved at the same time in the interest of justice.

Respectfully Submitted,

/s/ William Sellars
