Good afternoon Ms. Howard,

I'm reaching out with NBC National News regarding the upcoming hearing in the SC Supreme Court Case No. 2024-000576, The State vs. Richard Alexander Murdaugh on February 11, 2026.

We've seen on the online docket some requests for cameras inside from other outlets. Has a pool feed been already coordinated regarding the hearing to provide one feed for all media or will multiple cameras be allowed inside the hearing room? If so, we will submit a Form 1 request if needed.

Additionally, will Form 1 forms be required for members of the media wishing to bring in electronics such as laptops and cell phones into the courthouse?

Thank you very much – and Happy New Year!

Juliette
