Happy New Year

I'm now afraid to send letters from any of the local post offices; I've been sending them from North Carolina (another state). I've sent 9 letters in 6 separate instances, and I have a strong suspicion that someone is following me and trying to obstruct my actions. It's truly terrifying.

我現在寄信都不敢再去當地几家郵局寄，去北卡（外州）寄，6次，9封信，我合理懷疑有人一直跟蹤，阻止我的行動，真的很恐怖。
