S.C. Appellate Case No.: 2025-001589

Dear Ms. Kitchings:

I represent Respondent John G. Falcon in the above-referenced action. Appellants' and Third-Party Defendant's counsel have been served with this correspondence, via email, as set forth below. Respondent's Initial Brief is currently due on January 16, 2026. Due to other professional deadlines and personal obligations, Respondent respectfully requests a thirty (30) day extension of time to file his Initial Brief and Designation of Matter. If this request is granted, Respondent's deadline will be extended until February 17, 2026. This is Respondent's first request for an extension of this deadline. I am enclosing my law firm's check in the sum of \$50.00 made out to the Court representing the requisite filing fee in this matter. Please let me know should you require anything further of me to support this request for an extension of time.

Yours truly,

STEPHEN H. BROWN, LLC
