Re: The State, Respondent vs. Darius Ransom-Williams, Appellant
Appellate Case No. 2012-212566
Our File No.: 095-559

Dear Ms. Kitchings:

As counsel for Appellant Darius Ransom-Williams in the above referenced case, we respectfully request an extension of time in which to serve and file our Initial Appellant's Brief and Designation of Matter to be included in the Record on Appeal.

According to the rules of the Appellate Practice Project, our Initial Brief is currently due December 2, 2013. However, there is a pending motion before this Court to reconstruct portions of the record below. It is my understanding that this pending motion would put the time for filing the briefs in this matter outside the scope of the timelines for the Appellate Practice Project. However, out of an abundance of caution and to preserve our position, Appellant files this Motion for an Extension of Time in which to file our Initial Brief. This is our first request for an extension of time to serve and file the Initial Appellant's Brief and Designation of Matter. We would expect to be able to file our brief within 30 days after receipt of the reconstructed transcript from below.

By copy of this letter I am also notifying Sally Elliott with the Attorney General's Office of record of this correspondence. Thank you for your assistance in this matter.

With kind regards, I am

Sincerely,

Sheila M. Bias
