Re: Status Update

∴ Mr. Roberts Rule 59(e); Rule 60(b)(3)(6); and Rule 60(b)(4) filed in the PCR Court on Jan. 29, 2025 have not been ruled upon; it has been approx. 11 months since his motions to reconsider has been filed but not ruled upon causing a due process violation to Appellate Review. These proceedings are sham proceedings - Mr. Roberts has provided Chief Administrative Judge Bentley Price Exculpatory evidence of Fraud upon the Court; Obstruction of Justice; and collusion among the Attorneys involved, which violates Rule 8.3. This exculpatory evidence and proof of Fraud upon the Court and correspondence to Judge Bentley Price was stamped and filed by Leah Guerry Dupree on Nov. 19, 2025 and a copy was sent to myself. Mr. Roberts submitted motions to this Court asking for a Declaratory Judgment, which this Court held in Abeyance pending a ruling by the PCR Court on Motions to Reconsider, well these are sham proceedings as evidence by the exculpatory evidence provided to this court and Judge Bentley Price and the undue delay has Cause Irreparable Injury and is a perversion of Justice.
