RE: *In the Matter of TJ Martin*
Appellate Case No. 2025-002217

Dear Ms. Kitchens:

Pursuant to letter from the Clerk's Office dated December 23, 2025, there were deficiencies with the initial brief, namely, that a designation of matter to be included in the record on appeal was not included. Upon review of the transcript obtained in this matter, it was determined that the hearing for reconsideration was not included. I have requested this transcript on an expedited basis. In light of this, I am requesting permission to obtain the transcript out of time, and for a 30-day extension of the designation of matter to be included in the record in this appeal, so that it is now due on Monday, February 2, 2026. Opposing counsel, Mr. James W. Boyd, has consented to the same as shown in the included email. I am enclosing in the courier packet a check in the amount of fifty (\$50.00) for the filing fee.

With kind regards, I am

Yours very truly,

Daniel H. Harshaw

Good afternoon, Jim,

As we just discussed on the telephone, I discovered that we do not have the transcript from the second hearing. I would like to confirm that you do not object to the request for extension of time for the transcript of the second hearing and the designation of matter for the record. I also consent to any extension needed to file your reply brief in this matter.

Best regards,

**Daniel H. Harshaw**
