

Hey this is Mr. Dover. I would like to list some things that was not really proven. True or false.

1. How or why did asking for a pizza come about, I never asked to buy a pizza this was odd.
2. The person who robbed the store. Plan as day touch the scotch off boxes and also touch the ice cream display box. That the finger prints they got was not mine and somebody else.
3. I'm 278 pounds athletic built. The clothes that the police got where XL coat and a XL pair of camouflage pants. That im not able to fit. But they never asked me and some shoes that was a size 12. I don't wear 12's I wear 13's. You could see that on images they took from the jeep. I'm not able to wear the clothes period.
4. On the 9/11 call the clerk never said anything

about a black Tahoe jeep. It was more than four calls that was sent from the clerk. In the video you see me in the store then leave the store. I stayed right acrossed the street from the store. When I left the store I went to the house and then I left out and headed to Blacksburg L.C. You will see the black Tahoe leaving away from the store heading to the right.

5. They keep calling me Rodrick because the solicitor was. That's my first name. I don't go by that name unless I'm at work. They even said they didn't know who it was. How did his wife say it was somebody? She wasn't the one that got robbed. That's just he say she say.

6. They never gave them a line up to pick me out. I have freckles that was never said anything about. I have a scorpion on my neck with stars that you (can't) miss. Since the robber never had a mask on.

7. It wasn't me I was framed. I was working almost the whole year until I got arrested. I just lost my mother that same year in the summer. My ~~kid~~ kid is about to finish school this year. I wouldn't want to miss that for anything. Since I been there when they were first born. Just be on my side for once and give me my life back. I try and do my best I miss my family the few I have left. I don't have a bad record. This is my first time doing time like this. I know it's not me I promise.
