Appeal Court Case No.2025000343

RECEIVED

S.C. SUPREME COURT

Writ of Certiorari

I Djuan Holland am filing this appeal on the Appeal court about my case not being reinstated for nonpayment of my appeal filing fee. I have attached responses that I have filed pertaining to the filing fee. My case has been with the appeal court for a year and now they want to dismiss my case. I've been trying to get the right amount of the filing fee so I could pay it because there's a discrepancy in the order on the amount.

Best Regards

Djuan Holland
