Ms. DiScioscia,

Thank you for your email. Yes, we recently requested the transcript for the hearing on Defendant Jane Pettus's summary judgment motion, held on June 26, 2024. Judge Brian Gibbons heard the motion. This is a Lancaster County case, but the motion was heard in Fairfield County at the parties' agreement.

I have copied the Office of Court Administration, in case they may be of assistance.

Best regards,

Good Morning Mr. Patton,

I want to apologize for the confusion. I believe I emailed you in November the requested transcript for the September 2025 hearing. I didn't receive, until yesterday, the request for the June 2024 hearing. I will get to work on that for you right away. Is there another date that I should also be looking for? The email I received gave Transcript Request ID #'s. Unfortunately, I do not have access to the database to identify those requests. So, if there is another date that you are requesting, please reply to this email and I will

look for those as well. Again, I apologize for any confusion. They are trying to revamp the transcript request portal and it's just simply a mess.

Sincerely,

Maria
