Good Afternoon -

Please see the attached request for extension that was filed with the court on 01/06/2026. I spoke with someone this morning and it seems that this was filed to the wrong case due to the subject line in the email being the incorrect case number.

All information in the attached document was/is correct.

Please let me know if we can get this filed to the correct case now or if you all need me to redraft and submit another document.

I appreciate all of your help in this matter.
If there is anything that you all need from me, please do not hesitate to ask.

Thank you for all of your help!
Becca
