Good Afternoon,

This is to inform the Court of Appeals and the parties the status of the case and transcripts.

I have received some but not all transcripts; however, it is my understanding the scheduling order is stayed by the filing of the Petition for rehearing and permission to file a Rule 60 motion.

I have not received the transcript from the remote hearings (Judge's McGee and Judge Coble) which I believe was assigned to legal eagles, but am still looking for that information related to which Court reporter the transcripts are assigned.

It is unclear why the scheduling order was sent prior to the Order on the Petition for rehearing or the Order on the Rule 60 motion.

I have copied Tammy Holmes on this email. Due to the Petition and Motion along with a busy work schedule I have not yet located all of the information.

Again, it is my understanding the scheduling order is stayed by the Petition because several Respondents were dismissed.

Respectfully,

Rhonda Lewis Meisner, Principal
