I have been trying to contact the court since 4:30pm but no answer. Here is a copy of the letter I just received today.. I'm am now at UPs in line but no one is answering the phone.. the letter says it's 10 days so I am hoping that includes today as it should be there tomorrow.. I'm really suprised the notification did not come as I missed 9 days due to the lack of email notification. I sure would appreciate it if the court would please check my email adress as we have used it many times.. I'm so thankful I have the money and if I didn't get this letter today it would have been too late.. please accept my payment and ask if Shelby Spencer will please give me a call at her earliest convenience..

Thank You,

Joe Adams

To the Court of Appeals,

Please accept this emergency submission of supporting evidence.. Over the weekend there were may new activities that need to be submitted to the court of appeals. The activity supports the Appeal and I would like to send it in as supporting evidence in addition to the Petition for Rehearing and Rehearing En Banc. I am trying to submit this information as an emergency submission due to the length of time that has passed prior to the discovery.

Thank You,

Joe Adams
