**Re: Marion K. Campbell v. SCDC**  
**Appellate Case No. 2025-001923**  
**RPR File No.: 000181-01235**

Dear Ms. Kitchings:

I am writing to report that we received the February 12, 2025 hearing transcript in the above-referenced matter on January 12, 2026. Appellate counsel had also ordered a transcript for a hearing thought to be held on August 23, 2021; however, appellate counsel was made aware that the hearing on that date was not held. Therefore, our calculations indicate that the Initial Appellant's Brief and Designation of Matter to be included in the Record on Appeal on behalf of Appellant South Carolina Department of Corrections are currently due on or before February 11, 2026.

As counsel for Appellant South Carolina Department of Corrections, we further respectfully request a 30-day extension of time in which to serve and file our Initial Appellant's Brief and Designation of Matter to be Included in the Record on Appeal. With a 30-day extension of time, they would be due on Friday, March 13, 2026.

We find it necessary to request this extension due to the undersigned's current workload. This is our first request for an extension of time to serve and file the Initial Appellant's Brief and Designation of Matter.

All counsel of record is copied on this correspondence. It is my understanding that pursuant to Rule 240(d) of the South Carolina Appellate Court Rules no filing fee is required for the above-referenced motion.

The Honorable Jenny Abbott Kitchings
