DECLARATION OF RIGHTS, RESTRICTIONS, AFFIRMATIVE OBLIGATIONS, CONDITIONS, ETC., which constitute covenants running with certain commercial lands of Lighthouse Beach Company.

Repurchase Option @ Part I (#19) Assigned to Sea Pines 2087 24 Lp

COMMERCIAL USE COVENANTS
January 25, 1973

WHEREAS, LIGHTHOUSE BEACH COMPANY, a Limited Partnership organized and existing under the laws of the State of South Carolina, is the owner of certain lands located on Hilton Head Island, Beaufort County, South Carolina; and

WHEREAS, LIGHTHOUSE BEACH COMPANY desires to make, publish and record a declaration of restrictive covenants affecting certain properties designated for commercial use and desires to have said restrictive covenants filed in the Office of the Clerk of Court for Beaufort County, South Carolina, reserving the right in each instance to add additional restrictive covenants in respect to said properties; and

WHEREAS, LIGHTHOUSE BEACH COMPANY recognizes that said properties are situate in an environmentally sensitive area and that any development of said property is a matter of concern to both the developing party and the Community-at-large; and

WHEREAS, LIGHTHOUSE BEACH COMPANY desires to insure that all properties now, or hereafter, owned by it are developed pursuant to an orderly plan which contemplates among other things the environmental impact on the Community-at-large of any proposed developmental scheme for such properties;

NOW THEREFORE, LIGHTHOUSE BEACH COMPANY does hereby declare that the provisions contained herein are rights, restrictions, conditions and affirmative obligations all constituting covenants running with the land which is conveyed by LIGHTHOUSE BEACH COMPANY by deed or other written instrument in which reference is

specifically made to these covenants. The Company reserves in each instance the right to add, in Deeds of Conveyance, additional covenants in respect to said properties so conveyed by such Deed, or to limit therein the application of the uniform covenants contained herein. Notice of such additional covenants will, in all cases, be set forth in the contract of sale relating to such property. 1144

IT BEING THE TRUE INTENT AND PURPOSE of this Declaration that the commercial land use covenants contained herein shall be the sole applicable covenants restricting and affecting commercial properties conveyed by LIGHTHOUSE BEACH COMPANY, subsequent to the recording of this Declaration, and such other property as may be deeded subject to the covenants herein by specific reference in individual deeds, or by subsequent declarations; and further, it is the true intent and purpose of LIGHTHOUSE BEACH COMPANY, that to the extent that there is conflict between those restrictions and covenants previously recorded, as set forth above, and those of the instant Declaration, the provisions of the instant Declaration shall govern and restrict commercial properties hereafter conveyed in deeds making reference to this Declaration.

DEFINITIONS

1. Whenever used herein, the term "the Company" shall refer to LIGHTHOUSE BEACH COMPANY, its successors and assigns.

2. Whenever used herein, the term "Commercial Property" shall apply to property used or to be used for all retail commercial uses except "package stores" for the sale and take-out of alcoholic beverages and real estate sales offices which accept listings,and offer for sale, real property outside the Forest Beach area. Permissible retail commercial uses shall includs, but not be limited to, retail shops, hotel, motel, motor hotel, or motor lodge sites or operation, and all other Class "B" multi-family residence areas such as condominiums or apartments.

3. The term "Owner" when used in these covenants and restrictions shall refer to both the original owner, builder and developer of any tract, subdivision or lot of land as well as any subsequent owner of a parcel of land upon which commercial uses are to be or have been made, and shall specifically include the owner of a condominium dwelling within a structure located on such property.

4. The term "Class "B" Multi-Family Residence Areas" shall refer to any original tract, subdivision or lot of land, as well as any subsequently subdivided portion thereof, intended for multi-family residential use and which has been subjected to the provisions of these restrictions and covenants by reference in deeds to property issued by the Company.

The Covenants and Restrictions below will be referred to as the Commercial Use Restrictions of January 25, 1973, and will be recorded in the Office of the Clerk of Court for Beaufort County, South Carolina, and will be incorporated by reference in deeds to commercial property issued by LIGHTHOUSE BEACH COMPANY by reference to the Book and Page of recording in the realty records in the Office of the Clerk of Court for Beaufort County, South Carolina.

PART I

COVENANTS, RESTRICTIONS AND AFFIRMATIVE OBLIGATIONS APPLICABLE TO COMMERCIAL PROPERTY OWNED BY LIGHTHOUSE BEACH COMPANY.

1. No building, fence or other structure shall be erected, placed or altered on any lot in such Commercial Property until the proposed building plans, specifications, exterior color or finish, plot plan (showing the proposed location of such building or structure, drives and parking areas), and construction schedule

shall have been approved in writing by the Company, its successors or assigns. Refusal of approval of plans, location or specifications may be based by the Company upon any ground, including purely aesthetic conditions, which, in its sole and uncontrolled discretion, the Company shall deem sufficient, provided, however, that such approval by the Company shall not be unreasonably withheld. Matters which will be considered by the Company before plans or specifications are approved include, but are not limited to, the following: (a) the ratio of hard surface to natural tree or landscaped surface as reflected in the Master Plan; (b) location of utility lines; (c) the ratio of parking spaces to building capacity; the adequacy of recreational facilities when viewed against the number of persons such facilities are projected to serve; (d) an acceptable plan to provide for the capture and disposition of any surface water run-off on the property; (e) adequacy of proposed restaurant facilities, convention facilities, meeting areas, or auditoriums when viewed against the number of persons such facilities are projected to serve and the desirability of each Commercial venture being reasonably self-sufficient; and (f) whether any of the proposed improvements to be constructed on the Property exceed the maximum allowable height for such improvements which, without the written consent of the Company, may not exceed five (5) floors or sixty-two (62) feet above mean sea level. In no event will the Company approve plans and specifications that do not meet, at least, the minimum standards for construction as established by the "Southern Standard Building Code" in effect at the time such approval is requested. No alterations in the exterior appearance of any building or structure shall be made after initial construction without like approval by the Company. Approval shall not be unreasonably withheld and permission shall not be refused to make any addition or modification to any structure on the property so long as the proposed addition

1146

or modification is constructed of materials of comparable quality with the existing structures on the property and the design and site plan of said addition or modification is compatible with the existing structures on the property. One (1) copy of all plans and related data, as approved by the Company, shall be furnished the Company for its records and all improvements constructed on the property must be constructed pursuant to such plans and specifications with no material variations therefrom unless approved, in writin, by the Company. A variation will be deemed "material" in any case where such variation would not meet minimum standards for construction as established by the "Southern Standard Building Code" in effect at the time a request for approval of plans, as provided for hereinabove, was made.

2. The exterior of any structure on Commercial Property must be completed within one (1) year after the construction of same shall have commenced, except where such completion is impossible or would result in great hardship to the owner or building due to strikes, fires, national emergency or natural calamities.

3. It shall be the responsibility of the owner of land subject to these covenants to prevent the development of any unclean, unsightly or unkept conditions at any buildings or on the grounds of said tract of land which conditions would tend to substantially decrease the beauty of Hilton Head Island as a whole or of the specific tract of land subject to these covenants. If said lot owner does not maintain said land and any improvements thereon according to the standards which LIGHTHOUSE BEACH COMPANY has established, after ten (10) days' written notice to the lot

owner and failure of the land owner to correct the defective conditions, LIGHTHOUSE BEACH COMPANY, at the land owner's expense, may enter upon the premises and correct the defective conditions. 1148

4. No noxious or offensive activity shall be carried on upon any Commercial Property, nor shall anything be done thereon tending to cause embarrassment, discomfort, annoyance or nuisance to the neighborhood. There shall not be maintained any plants or animals, or device or thing of any sort whose normal activities or existence is in any way noxious, dangerous, unsightly, unpleasant or of a nature as may diminish or destroy the enjoyment of other property in the neighborhood by the owners thereof.

5. The Company reserves the right to restrict the size, color and content of any signs to be erected on such Commercial Property. Property identification and like signs exceeding a combined total of more than ten (10) square feet may not be erected without the written permission of the Company. The Company will use, as criteria for approval of signs to be erected on Commerical Property, the manual "Street Graphics", published in 1972 by the American Institute of Landscape Architects Foundation under grants from the Department of Housing and Urban Development. The size of all such signs shall be that appropriate for twenty-five (25) miles per hour traffic as set forth in said manual. In no event will the Company approve the erection of signs which do not conform to the criteria set forth in said manual.

6. Each Commercial Property Owner shall provide adequate space for off-street parking for use by customers of the commercial venture.

7. Each Commercial Property owner shall provide receptacles for garbage in a screened area not generally visible from the road, or provide underground garbage receptacles or similar facility in accordance with reasonable standards established by the Company.

8. Prior to the construction and use of a commercial structure on any Commercial Property, proper and suitable provision shall be made for the disposal of sewage by connection with the sewer mains of the Forest Beach Public Service District. No sewage shall be emptied or discharged into the ocean, any creek, marsh, river, sound or beach or shoreline thereof, nor shall disposal of sewage by means of septic tank or tanks be permitted on any Commercial Property except as approved as a temporary measure by the county sanitary engineer.

9. The Company reserves unto itself, its successors and assigns a perpetual, alienable and releasable easement and right on, over and under the ground to erect, maintain and use the electric and telephone poles, wires, cables, conduits, sewers, water mains and other suitable equipment for conveyance and use of electricity, telephone equipment, gas, sewer, water or other public conveniences or utilities on, in or over the rear ten (10) feet of each lot and ten (10) feet along one (1) side of all Commercial Property sites and such other areas as are shown on the applicable plat; provided further, that the Company may cut drainways for surface water whenever and wherever such action may appear to the Company to be necessary in order to maintain reasonable standards of health, safety and appearance. These easements and rights expressly include the right to cut any trees, bushes or shrubbery, make any gradings of the soil, or to take any other similar action reasonably necessary to provide economical and safe utility installation, and to maintain reasonable standards of health, safety and appearance. It further reserves the right

to locate wells, pumping stations and tanks within any Commercial Property designated for such use on the applicable plat of a subdivision or to locate same upon any lot with the permission of the owner of such Commercial Property. Such rights may be exercised by any licensee of the Company but this reservation shall not be considered an obligation of the Company to provide or maintain any such utility or service.

10. The Company reserves unto itself, its successors and assigns a perpetual, alienable and releasable easement on, over and under the ground to construct a paved bicycle path to interconnect to any other such paved bicycle paths which are now or will be constructed along those roads now known as South Forest Beach Drive, Pope Avenue, and Cordillo Parkway on, in, or over the first ten (10) feet of each lot or tract on each side thereof which is bounded by the right-of-way of the aforesaid roads, provided, however, that in any case where the Company has reserved easements pursuant to paragraph 9 hereinabove and this paragraph 10, the Company will use its best efforts to make the area of said easements coincide one with the other wherever reasonably possible. Such rights may be exercised by any licensee of the Company, but this reservation shall not be considered an obligation of the Company to provide or maintain any such paved bicycle path.

11. No structure of a temporary character shall be placed upon any Commercial Property at any time, provided, however, that this prohibition shall not apply to shelters used by the contractor during the construction of any permanent structure, it being clearly understood that these latter temporary shelters may not, at any time, be used as residences or for any commercial uses or permitted to remain on the lot after completion of construction.

12. No trailer, tent, barn, tree house or other similar outbuilding or structure shall be placed on any Commercial Property at any time, either temporarily or permanently, without written approval by the Company.

13. No fuel tanks or similar storage receptacles may be [illegible] structure within a screened area as required in paragraph 14 herein, or buried underground.

14. Each Commercial Property owner must construct a screening fence to shield and hide from view any service yards or areas. Plans for such fence delineating the size, design, texture, appearance and location must be approved by the Company prior to construction.

15. No private water wells may be drilled or maintained on any Commercial Property so long as Forest Beach Public Service Commission, their agents, successors or assigns, plans a water distribution line within fifty (50) feet of such lot with an average daily water pressure in such line adequate for normal business use by such distribution lines; provided further that such water distribution line must be completed within five (5) days from the date of completion of any permanent structure or a private well may be drilled by the Commerical Property owner.

16. No large trees measuring six (6) inches or more in diameter at a point four (4) feet above ground level may be removed without the written approval of the Company, unless located within ten (10) feet of any permanent structure, driveway, or parking area, or within ten (10) feet of the approved site for such building,

driveway, or parking area. The objective of this provision is to insure that all Commercial Property has an adequate tree border on each side of such property abutting on a road or street, and, further, to insure that no trees are removed from any Commercial Property except in those specific instances where failure to remove a tree or trees would substantially impair or prohibit the use of the property for the purpose approved by the Company. An owner of Commercial Property affected by these covenants and restrictions shall be deemed in violation of this provision in each instance of the removal proscribed hereinabove, whether such removal be deliberate or the result of negligence on the part of such owner or his agent or agents.

17. No Commercial Property site shall be subdivided, or its boundaries changed, except with the written consent of the Company, which consent will not be unreasonably withheld. However, the Company hereby expressly reserves to itself, its successors or assigns, the right to replat any two (2) or more lots shown on a plat of Commercial Property sites in order to create a modified site or sites and to take such other steps as are reasonably necessary to make such replatted lots suitable and fit as Commercial Property sites including, but not limited to, the relocation of easements, walkways and rights-of-way to conform to the new boundaries of said replatted lots, provided that no lot originally shown on a recorded plat is reduced by more than twenty (20) per cent from its original size but further provided, that any such lot may be reduced in size to a minimum of one (1) acre whether or not such reduction in size is more than twenty (20) per cent of the area of the lot as originally platted. The restrictions and covenants herein apply to each Commercial Property site so created.

18. No improvements may be made on any Commercial Property

which exceed a height of five floors or sixty-two (62) feet above mean sea level unless approved, in writing, by the Company. The Company reserves the right to establish maximum height restrictions which are less than sixty-two (62) feet in any Contract of Sale for commercial property, and to allow an additional measure of height over and above sixty-two (62) feet, up to a maximum amount of eight (8) feet for use as a roof wall for the purpose of concealing roof-mounted equipment essential to the operation of any commercial buildings constructed on the property.

19. In the event the owner desires to sell a Commercial Property site on Hilton Head Island together with its improvements, if any, then said property shall be offered for sale to the Company at the same price at which the highest bona fide offer has been made for the property, and the said Company shall have thirty (30) days within which to exercise its option to purchase said property at this price; and should the Company fail or refuse, within thirty(30) days after receipt of written notice of the price and terms, to exercise its options to purchase said property at the offered price, then the owner of said property shall have the right to sell said property, subject, however, to all covenants and limitations herein contained, at a price not lower than that at which it was offered to the Company. For the purpose of this paragraph 19, a "sale" by the owner of a Commercial Property site shall include, but not be limited to, a sale of such site by an individual owner, partnership, or other such unincorporated entity and, in the case of a corporate owner, a consolidation or merger into another corporation where the corporate owner is not the resulting or surviving corporation, or the consolidation or merger of another corporation into it, where the corporate owner is not the resulting or surviving corporation, or the sale or transfer to another corporation of all or substantially all of its business and assets, or the sale or transfer of all or substantially all of its stock.

20. In addition to the foregoing, the following additional covenants and restrictions shall apply to all Commercial Property which is designated, approved for use, or used for the operation of a hotel, motel, motor hotel, or motor lodge.

(a) All Commercial Property designated for such use shall be used solely for the operation of a hotel, motel, motor hotel, or motor lodge, including the rental of rooms to overnight guests, the rental of banquet and convention facilities, the operation of retail food and refreshment facilities including the sale of alcoholic beverages for consumption on the premises, if permitted by law, and the rental of retail shop or office space provided, however, that such retail shop or office space may not be used for "package stores" for the sale and take-out of alcoholic beverages and real estate sales offices which accept listings, and offer for sale, real property outside the Forest Beach area, unless approved, in writing, by the Company. The term "operation of retail food and refreshment facilities" as used in these covenants is limited to those establishments which offer food and beverage services to the general public at seated tables and booths or bars limited on the interior of an all-weather building, within employ of the operators providing table service to customers, or counter service in the case of bars, unless LIGHTHOUSE BEACH COMPANY approves, in writing, the operation of the facility without table service, and specifically does not include, unless approved, in writing, by the Company, the operation of a "fast food" or "Take-out food" facility on the premises.

21. In addition to the foregoing, the following additional covenants and restrictions shall apply to all Commercial Property which is designated, approved for use, or used as a Class "B" Multi-Family Residence Area, including common-wall townhouse structures, apartments, villas, and all other types of multi-family residential buildings:

(a) No plans will be approved unless the proposed house or structure will have the minimum required square footage of enclosed dwelling area, and not exceed the maximum square footage of dwelling or maximum number of dwelling units, or maximum height above the ground, or maximum number of residential dwelling floors. Such minimum and maximum requirements for each lot will normally be specified in each sales contract and expressly stipulated in each deed. The term "enclosed dwelling area" as used in these minimum size requirements does not include garages, boat sheds, terraces, decks, open porches, and the like areas. The term does include, however, screened porches, if the roof of such porches forms an integral part of the roof line of the main dwelling or if they are on the ground floor of a two story structure.

(b) Since the establishment of standard inflexible building set back lines for locating houses or other structures on lots tends to force construction of buildings both directly behind and directly to the side of other homes or buildings with detrimental effect on privacy,

view, preservation of important trees, etc., no specific set back lines are established by these covenants. In order to assure, however, that location of villas, townhouses, or other structures will be staggered, so that the maximum amount of view and breeze will be available to each dwelling unit, and that the structures will be located with regard to the topography of each individual lot, taking into consideration the height of dunes, the location of large trees, and similar considerations, the Company reserves unto itself, its successors, and assigns, the right to control absolutely and to decide the precise site of any villa, townhouse, dwelling or other structure or structures, and to cluster or otherwise arrange any structures or complex of structures on any lot or subdivision of lots within the Class "B" Multi-Family Residence Areas for reasons which may in the sole and uncontrolled discretion and judgment of the Company seem sufficient PROVIDED, HOWEVER, that such location shall be determined only after reasonable opportunity is afforded the lot or tract owner to recommend a specific site, and PROVIDED FURTHER, that in the event an agreed location is stipulated in writing in the contract of purchase the Company shall approve automatically such location for a residence, or group of residential units.

(c) All lots in said residence areas shall be used for residential purposes exclusively. The facilities included on the site may include common meeting rooms, housekeeping supply rooms, and social rooms. No structure or structures shall be erected, altered, placed

or permitted the resubdivision of lots except as provided for in these covenants and restrictions. The Company expressly reserves the right to: (a) determine and limit the number of villas, townhouses, or other residential units or group of such units to be placed on a given tract, area or lot of land; (b) determine and limit the maximum height of any and all such structures; and (c) determine and limit the total maximum occupancy or density of all units combined within a given subdivision or complex.

(d) Notwithstanding the provisions of paragraph 2 of Part I hereof, the exterior of all villas, townhouses and other structures must be completed within two (2) years after the construction of same shall have commenced, except where such completion is impossible or would result in great hardship to the owner or builder due to strikes, fires, national emergencies or natural calamities.

PART II

ADDITIONS, LIMITATIONS, DURATION AND VIOLATION OF COVENANTS, TOGETHER WITH AFTERWORD.

All covenants, restrictions and affirmative obligations set forth in this Declaration shall run with the land and shall be binding on all parties and persons claiming under them to specifically include, but not be limited to, the successors and assigns, if any, of the Company for a period of twenty-five (25) years from the execution date of this Declaration after which time all said covenants shall be automatically extended for successive periods of ten (10) years, unless an instrument signed by a majority of the then owners of Commercial Property substantially affected by such change in covenants has been recorded, agreeing to change said covenants in whole or in part.

Enforcement of these covenants and restrictions shall be by any proceeding at law or in equity against any person or persons violating or attempting to violate or circumvent any covenant or restriction, either to restrain or enjoin violations, or to recover damages, or by any appropriate proceeding at law or equity against the land to enforce any lien created by these covenants. The failure to enforce any rights, reservations, restrictions, or condition contained in this Declaration, however long continued, shall not be deemed a waiver of this right to do so hereafter as to the same breach, or as to a breach occurring prior to or subsequent thereto and shall not bar or affect its enforcement.

Should any covenant or restriction herein contained, or any article, section, subsection, sentence, clause, phrase or term of this Declaration be declared to be void, invalid, illegal or unenforceable, for any reason, by the adjudication of any court or other tribunal having jurisdiction over the parties hereto and the subject matter hereof, such judgment shall in no wise affect any other provisions hereof which are hereby declared to be severable and which shall remain in full force and effect.

In addition to the foregoing, LIGHTHOUSE BEACH COMPANY, its successors or assigns, shall have the right, whenever there shall have been built on any Commercial Property any structure which is in violation of these restrictions, to enter upon such property where such violation(s) exist(s), and summarily abate or remove the same at the expense of the owner if, within thirty (30) days after receipt of written notice of such violation(s) it(they) shall not have been corrected by the owner. Any such entry and abatement or removal shall not be deemed a trespass.

The Company reserves in each instance the right to add in any contract or deed hereafter made, modifications and/or additions to the restrictive covenants as contained in this Declaration of Covenants, with such modified covenants being made applicable by reference to conveyances of land made subsequent to such modifications.

It is the true intent and purpose of LIGHTHOUSE BEACH COMPANY that the covenants and restrictions contained herein shall be the sole applicable covenants restricting and affecting Commercial Property conveyed by LIGHTHOUSE BEACH COMPANY to grantees of the Company subsequent to the date of the Declaration adopting these covenants and restrictions being made applicable to such conveyances by specific reference in individual deeds, or by subsequent declaration to the extent that there is variation from and addition to, covenants herein recorded; however, those properties conveyed by LIGHTHOUSE BEACH COMPANY prior to the effective date of this instrument are not governed or otherwise restricted by the consolidated uniform provisions of this Declaration, but are so governed and restricted by any covenants and restrictions previously recorded as set forth above and to which specific reference was made in the particular and appropriate deed of conveyance.

IN WITNESS WHEREOF, LIGHTHOUSE BEACH COMPANY has executed these presents acting by and through its duly authorized officers as of the 25th day of January, 1973.

PLAINTIFF'S EXHIBIT NO. 3 DCRR

3. Use of Premises. Tenant shall use and occupy the premises for the purpose of operating a surf shop, and shall operate its business from 9:00 A.M. to 5:00 P.M. six (6) days a week and such additional days and hours as Tenant may deem appropriate. Other uses of the premises are acceptable upon written authorization of the Landlord, and such authorization shall not be unreasonably withheld.

4. Rent. Tenant agrees to pay to Landlord during the term hereof at Landlord's residence at 27 Battery Road, Hilton Head Island, South Carolina 29928, or to such other person or to such other place as directed from time to time by written notice to Tenant by Landlord, the annual rents as set forth below: the sum of Fifty-four Thousand Two Hundred and Fifty Dollars ($54,250.00) per year, in equal monthly installments of Four Thousand Five Hundred Twenty and 83/100 Dollars ($4,520.83) for the first, second, third, fourth and fifth lease years.

Tenant agrees that if the rental is not received by Landlord by the 5th day of the month when due, a late charge of Fifty and 00/100 Dollars ($50.00) per day will be added as additional rent due and payable by Tenant for each day including and after the first day of the month until paid in full.

5. Security Deposit. Upon the execution of this Lease, Tenant shall pay to Landlord a security deposit for the faithful performance of all the terms and conditions of this Lease in the amount of Four Thousand Five Hundred Twenty and 83/100 Dollars ($4,520.83). Upon full compliance with all the terms and conditions of this Lease and upon the ending of the term, the security deposit shall be returned to Tenant, upon Tenant's request. During the period of time that Landlord holds the security deposit, no interest shall be accruing or paid by Landlord.

6. Sea Pines Property Owner Assessment. Tenant shall pay Landlord for the Sea Pines Property Owners' Assessment. The property owners' assessment is charged and collected by Community Service Associates, and for the year 2014, the amount is One Thousand Twenty and No/100 Dollars ($1020.00) for each Shop. Tenant shall pay to Landlord a sum estimated to be one-twelfth (1/12) of the Sea Pines Property Owner Assessment, which shall be considered additional rent and shall be due and payable at the same time as other rental payments. For the calendar year 2014, the monthly payment equals Eight-five and No/100 Dollars ($85.00) for each Shop. After 2014, future payments shall be made to Landlord in monthly installments based upon the assessment levied by Community Service Associates, a copy of which shall be furnished to Tenant by Landlord, along with a computation of any adjusted payment.

7. Taxes. Tenant will pay all real estate taxes levied against Shop # 6 and Shop #8. The amount of taxes paid by Tenant shall be pro-rated for the period of possession of Tenant. Landlord shall provide Tenant with a copy of the tax bill.

To help fund the payment of taxes by Tenant, Tenant shall pay monthly with the rent a sum estimated to be one-twelfth (1/12) of the real estate taxes which are the obligation of Tenant, such estimate being based on the taxes levied for the year immediately past.

The taxes on the subject properties for the tax year 2014 were in the amount of Two Thousand Eighty-six and 05/100 Dollars ($2,086.05) for Shop #6; and One Thousand Seven Hundred Seventy-nine and 36/100 Dollars ($1779.36) for Shop #8. Therefore, the monthly combined total payment of taxes due for 2015 is Three Hundred Twenty-two and 12/100 Dollars ($322.12). Adjustments shall be made on an annual basis as the real estate taxes increase or decrease. Said payment to be made along with the other rent obligations.

8. Common Area. The use and occupancy by Tenant shall include the non-exclusive use in common with others entitled thereto of the common areas, employee parking areas, service roads, loading facilities, sidewalks and customer parking areas, all the foregoing being sometimes hereinafter collectively referred to as "the common areas;" provided, however, that the use of the subject areas by Tenant shall be subject to the terms and conditions contained herein and to reasonable rules and regulations for the use thereof as may from time to time be prescribed.

Tenant shall pay Landlord for the regime charges levied by Mariner's Way Horizontal Property Regime. The current charges are One Hundred Fifteen and 70/100 Dollars ($115.70) per month for Shop #6 and One Hundred Thirty-six and 01/100 Dollars ($136.01) per month for Shop #8, but may increase or decrease from time to time. Tenant shall make due payment to Landlord of all such charges. Landlord shall furnish Tenant copies of any statements showing changes in payment. Said payment to be made along with other rent obligations.

It is understood and agreed that the regime common area operating charge and insurance charge may be increased or decreased each year as set by the regime board. Hazard insurance is billed by the Regime separately and Tenant shall reimburse Landlord for such costs. The current charges for Shop #6 and Shop #8 are Seventy-nine and 90/100 Dollars ($79.90) and Ninety-three and 93/100 Dollars (93.93)per month respectively, but may increase or decrease from time to time, and Tenant shall make due payment to Landlord of all such

charges. Landlord shall furnish Tenant copies of any statements showing changes in payment. Said payment to be made along with other rent obligations.

9. Utilities. Tenant shall pay the cost of water and sewer availability charges, gas, electricity, fuel, light, heat, power, water and all other utilities furnished to the premises or used by Tenant in connection therewith, whether such utility costs be determined by separate metering or by billing by Landlord to Tenant as Tenant's proportionate share of the utility costs. In no event shall Landlord be liable for any interruption or failure in the supply of any such utilities to the premises. The payment for quarterly charges will be billed monthly by Landlord to Tenant and paid along with the regular rent charges.

10. Alterations, Repair and Maintenance. Tenant shall not alter the exterior of the premises, including the storefront and/or signs, and shall not make any structural alterations to the premises or any part thereof without first obtaining Landlord's written approval of such alterations. Tenant agrees that any alterations made by it shall immediately become the property of Landlord and shall remain upon the premises unless Landlord shall require the restoration of the premises to their original condition, in which event Tenant agrees to comply with such requirements prior to the expiration or other termination of this Lease. Tenant shall not, except for installation of fixtures, cut or drill into or secure any fixture, apparatus, or equipment of any kind to any part of the premises without first obtaining Landlord's written consent. Tenant hereby indemnifies Landlord against, and shall keep the premises and regime free from, any and all mechanics' liens or other such liens arising from any work performed, material furnished or obligations incurred by Tenant in connection with the premises or the regime.

Landlord agrees to keep in good order the roof, exterior walls (exclusive of all glass, including plate glass) and water, sewer, and sprinkler system (if any), but not fixtures pertaining to such systems. Except as otherwise provided herein, Landlord gives to Tenant exclusive control of the premises and shall be under no obligation to inspect said premises. Tenant shall at once report in writing to Landlord any defective condition known to him which Landlord is required to repair, and failure to so report such defects shall make Tenant responsible to Landlord for any liability incurred by Landlord by reason of such defect.

Tenant shall, at its own cost and expense, keep and maintain the premises and appurtenances thereto, and every part thereof, in good order and repair, except portions of the premises to be repaired by Landlord pursuant to the above. Tenant agrees also to keep all fixtures pertaining to heating, air conditioning, ventilation, water,

sewer and electrical systems in good order and repair, and Tenant shall be liable for any damages due to negligence of Tenant. Tenant agrees to return the premises to Landlord at the expiration, or sooner termination, of this Lease in as good condition and repair as when first received, reasonable wear and tear, and damage by fire or other casualty excepted. All damage or injury to the premises or the building, or the common areas, caused by the act or negligence of Tenant, its agents, employees, licensees, invitees, or visitors, shall be repaired promptly by Tenant, at its sole cost and expenses and to the satisfaction of Landlord. Landlord may make such repairs which are not promptly made by Tenant and charge Tenant for the cost thereof, and Tenant hereby agrees to pay such amounts on demand as additional rent hereunder. Tenant shall have no right to make repairs at the expense of Landlord, or to deduct the cost thereof from the rent due hereunder.

The taking of possession of the premises by Tenant shall conclusively establish that the premises, the building and the regime were, at such time, in satisfactory condition and free from defects for which Landlord has any responsibility.

Tenant shall keep the premises clean, both inside and outside, at its own expense, and shall remove all refuse from the premises. Tenant shall not burn any materials or rubbish of any description upon the premises. Landlord reserves the right to employ rubbish removal service and Tenant agrees to pay the costs of said service attributable to Tenant's premises.

Tenant shall neither encumber nor obstruct the sidewalks adjoining the premises nor allow the same to be obstructed or encumbered in any manner.

Tenant shall not paint or decorate any part of the exterior of the premises nor change the architectural treatment of the premises without first obtaining Landlord's written consent. Tenant shall promptly remove upon order from Landlord any decoration or architectural change which has been applied to, or installed upon, the premises without Landlord's written consent, or take such other action with reference thereto as Landlord may direct.

Tenant shall not place or suffer to be placed and maintained on the exterior of the premises any sign, awning, advertising matter, or other thing of any kind, and will not place or maintain any decorating, lettering or advertising matter on the glass of any window or door of the premises without first obtaining Landlord's written approval thereof.

11. Merchants' Association. Tenant will become a member of, and participate fully and remain in good standing in the existing or to be formed Merchants' Association in the Shopping Center. Tenant agrees to abide by the By-Laws and regulations of such Association. Tenant agrees to pay all dues and assessments to the Merchants' Association. The failure or refusal of any other Tenant to contribute to or be a member of the Association shall in no way release Tenant from Tenant's obligations hereunder. Membership and participation in the Association is a covenant of this Lease.

12. Damage or Destruction. If the premises, or the building of which the same are a part, are damaged by fire or other insured casualty and the insurance proceeds have been made available therefor by the holder or holders of any mortgages or deed of trust covering the premises or the property of which the same are a part, the damage shall be repaired by and at the expense of Landlord to the extent of such insurance proceeds available therefor. Landlord shall commence to restore the premises, or the building of which the premises are a part, within forty-five (45) days of the date of any damage covered hereunder. In the event such damages cannot, in Landlord's sole discretion, be repaired and the premises or building restored within ninety (90) days of the date of such damage, Landlord may, at its option, terminate this Lease by written notice to Tenant. Either party shall have the option to terminate this Lease by written notice to the other in the event the premises are totally destroyed or in the event the premises are not restored within one hundred eighty (180) days of the date of such damage or destruction; provided, such period shall be extended for any period restoration is delayed due to strikes, acts of God, or other such factors beyond Landlord's control. Until repairs to the premises are completed, the rent shall be abated in proportion to the part of the premises which is unusable to Tenant in the conduct of its business. If the damage is due to the fault or neglect of Tenant or its employees, agents, or invitees, there shall be no abatement of rent.

13. Indemnification. Tenant hereby agrees to indemnify and hold harmless Landlord against and from any and all claims of damage or injury arising out of or with respect to Tenant's use of the premises or the building of which they are a part, or the conduct of its business, or from any activity, work or thing done, permitted or suffered by Tenant in or about the premises or the building of which they are a part, and shall further indemnify and hold harmless Landlord against and from any and all claims arising from any breach or default in the performance of any obligation of Tenant on Tenant's part to be performed under the terms of this Lease, or arising from any act or negligence of Tenant, its agents or employees, and from and against all costs, attorneys' fees, expenses and liabilities incurred in or about such claim or action or proceeding brought thereon. Landlord

shall not be liable for any damage to or loss of Tenant's personal property or inventory from casualty, theft or whatsoever cause except the affirmative acts of negligence of Landlord, its agents, or employees.

14. Personal Property Taxes. Tenant shall pay prior to delinquency all taxes assessed against or levied upon fixtures, furnishings, equipment, and all other personal property of Tenant located in the premises. In the event any or all of Tenant's fixtures, furnishings, equipment, or other personal property shall be assessed with said real property, Tenant shall pay to Landlord its share of such taxes attributable to said personal property within ten (10) days after delivery to Tenant of Landlord's statement setting forth the amount of such taxes applicable to Tenant's personal property.

15. Insurance.

(a) Liability Insurance. Tenant agrees during the term hereof to carry public liability insurance covering the premises in an amount of Five Hundred Thousand and No/100 Dollars ($500,000.00) for injury or death to any one person and One Million and No/100 Dollars ($1,000,000.00) for injury and/or death to any number of persons in any one accident, and property damage insurance in an amount of One Hundred Thousand and No/100 Dollars ($100,000.00) in companies satisfactory to Landlord in the joint names of Landlord and Tenant, and to pay the premiums therefor, and to deliver said policies or certificates thereof to Landlord; and, the failure of Tenant either to effect said insurance in the names herein called for, or to pay the premiums therefor, or to deliver said policies or certificates or duplicates thereof to Landlord, shall permit Landlord to procure said insurance and pay the requisite premiums therefor, which premiums shall be repayable (as additional rent) to Landlord with the next installment of rent. Each insurer under the policies required hereunder shall agree by endorsement on the policy issued by it or by independent instrument furnished to Landlord that its will give Landlord fifteen (15) days' prior written notice before the policy or policies in question shall be altered or cancelled.

(b) Increase in Fire Insurance Premium. Tenant agrees that it will not keep, use or offer for sale in or upon the premises any article which may be prohibited by the fire insurance policy under which the premises are insured.

In the event Tenant's occupancy causes any increase of premium for any insurance policy on the premises or the building or any part thereof above the rate for the least hazardous type of occupancy legally permitted on the premises, Tenant shall pay the additional premium on such insurance policies by reason thereof.

(c) Plate Glass. Tenant shall replace, at its sole cost and expense, any and all plate and other glass damaged or broken from any cause whatsoever in and about the premises. Tenant shall procure and maintain, at its own expense, insurance covering all plate and other glass in the leased premises for and in the name of Landlord. Tenant shall deliver certificates of such insurance to Landlord.

16. Condemnation. If the whole of the demised premises shall be taken by any public or quasi-public authority under the power of condemnation, eminent domain or expropriation or in the event of conveyance in lieu thereof, the Lease Term shall cease as of the day possession shall be taken by such authority. If twenty-five percent (25%) or less of the floor area of the demised premises shall be so taken or conveyed, the Lease Term shall cease only with respect to the part so taken or conveyed, as of the day possession shall be taken by such authority. If more than twenty-five percent (25%) of the floor area of the demised premises shall be so taken or conveyed, the Lease Term shall cease only with respect to the part so taken or conveyed, as of the day possession shall be taken by such authority, and Landlord shall have the right to terminate this Lease upon notice in writing within thirty (30) days after such taking of possession. In the event of any such taking or conveyance of the demised premises or any portion thereof, Tenant shall pay minimum and all other rents to the day when possession thereof shall be taken by such authority with an appropriate refund by Landlord of such rent as may have been paid in advance for a period subsequent to such date. If this Lease shall continue in effect as to any portion of the demised premises not so taken or conveyed, the minimum rent shall be proportionately reduced to an amount based upon the floor area of the demised premises If this Lease shall so continue, Landlord shall, at its expense, but only to the extent of an equitable proportion of the award or other compensation for the portion taken or conveyed of the building in which the demised premises are located and consequential damages to the remainder thereof not taken (excluding any award or other compensation for land), make all necessary repairs or alterations so as to constitute the remaining demised premises a complete architectural and tenantable unit. If more than fifty percent (50%) of the floor area of the building in which the demised premises are located shall be so taken or conveyed, then, in any such event, Landlord may, by notice in writing to Tenant delivered on or before the day of surrendering possession to the authority, terminate this Lease, and rent shall be paid or refunded as of the date of termination. All compensation awarded for any such taking or conveyance, whether for the whole or a part of the demised premises or otherwise, shall be the property of Landlord, whether such damages shall be awarded as compensation for diminution in the value of the leasehold or to the fee of the demised premises and Tenant hereby assigns to Landlord

all of Tenant's right, title and interest in and to any and all such compensation. Tenant shall be entitled to claim, prove and receive in the condemnation proceeding such awards as may be allowed under the laws of the State of South Carolina but only if such awards shall be made by the condemnation court in addition to, and shall not result in a reduction of, the award by it to Landlord for the land and building so taken.

17. Default Bankruptcy. If Tenant defaults (a) in the payment of rent, additional rent, or any other item to be paid by Tenant hereunder, and such default shall not have been cured within ten (10) days after written notice thereof by Landlord to Tenant, or (b) in the performance of any other term, covenant, or condition of this Lease, and such default shall not have been cured within ten (10) days after written notice thereof by Landlord to Tenant, Landlord may re-enter and take possession of the premises and remove all persons and property therefrom, and at its option terminate this Lease, and Landlord, at its option, shall thereupon be entitled to recover from Tenant the worth, at the time of such termination, of the excess, if any, of the amount of rent and charges equivalent to rent reserved in this Lease for the balance of the term hereof over the reasonable rental value of the premises for the same period. If Landlord elects to re-enter and take possession of the premises without terminating this Lease, Landlord may, at its sole option, re-let the premises or any part thereof for such term or terms (which may be for a term extending beyond the term of this Lease), at such rental or rentals and upon such other terms and conditions as Landlord, at its sole discretion, may deem advisable, with the right to make alterations and repairs to the premises. Upon any such reletting, Landlord shall receive and collect the rents therefor, applying the same, first, to the payment of such expenses as Landlord may have paid, assumed, or incurred in recovering possession of the premises, including costs, expenses, including but not limited to administrative expenses and attorney's fees, and for placing the same in good order and condition, or repairing or altering the same, for reletting, and all other expenses, commissions and charges paid, assumed , and incurred by Landlord in or about re-letting the premises, and then to the fulfillment of the agreements of Tenant. Tenant shall pay any deficiency, but shall have no rights in and to any excess rent collected by Landlord. Such deficiencies shall be due and payable on the several rent days specified herein. Property removed by Landlord hereunder shall be stored in a public warehouse or elsewhere at the cost of and for the account of, Tenant, all without service of notice or resort to legal process and without Landlord being deemed guilty of trespass or becoming liable for any loss or damage which may be occasioned thereby.

If, during the term hereof, Tenant or any Guarantor hereof commits, or permits to be committed, any act of bankruptcy or insolvency, or if there shall be filed against Tenant or any Guarantor in any Court a petition in Bankruptcy or insolvency or for reorganization or for the appointment of a Receiver or if Tenant makes an assignment for the benefit of creditors, Landlord may, at its election, terminate this Lease by giving not less than three (3) days' written notice to Tenant, and Landlord may then re-enter the premises and the leasehold interest created by this Lease shall not be treated as an asset of Tenant's or Guarantor's estate. It is further understood and agreed that Landlord shall be entitled, upon such re-entry, to exercise all remedies available to Landlord as a result of Tenant's default as above provided and the laws of the State of South Carolina.

The various rights and remedies herein granted to Landlord shall be cumulative and in addition to any others Landlord may be entitled to by law, and the exercise of one or more rights or remedies shall not impair Landlord's right to exercise of one or more rights or remedies shall not impair Landlord's right to exercise any other right or remedy.

18. Assignment and Subletting. Tenant shall not, either voluntarily or by operation of law, sell, assign, hypothecate or transfer this Lease, or sublet the premises or any part thereof, without the prior written consent of Landlord in each instance. Any sale, assignment, mortgage, transfer or subletting of this Lease, or the premises, or any part hereof or thereof which is not in compliance with the provisions of this paragraph shall be void, and shall, at the option of Landlord, terminate this Lease. The consent by Landlord to an assignment or subletting shall not be construed as relieving Tenant from obtaining the express written consent of Landlord to any further assignment or subletting or as releasing Tenant from any liability or obligation hereunder whether or not then accrued, and such consent shall not be unreasonably withheld.

19. Subordination. Within five (5) days following request of Landlord, Tenant shall subordinate its rights hereunder in writing to the lien of any mortgage or security deed, or the lien resulting from any other method of financing or refinancing, now or hereafter in force against the land and/or buildings of which the leased premises are a part, and to advances made or hereafter to be made upon the security thereof.

20. Attornment. Should Landlord assign this Lease or should Landlord enter into a first-in-priority mortgage or security deed affecting Landlord's fee interest or leasehold interest, as the case may be, or a sale/leaseback transaction so that Landlord becomes the

ground lessee with an institutional lender as the ground lessor, and should such mortgagee or ground lessor succeed to the interest of Landlord, Tenant shall be bound to said assignee or any such mortgagee or ground lessor under all the terms, covenants, and conditions of this Lease for the balance of the term hereof remaining after such succession, and Tenant shall attorn to such succeeding party as its Landlord under this Lease promptly upon any such succession. Tenant agrees that, should any party so succeeding to the interest of Landlord require a separate agreement of attornment regarding the matters covered by this Lease, then Tenant shall enter into any such "attornment agreement", provided the same does not modify any of the provisions of this Lease and has no adverse effects upon Tenant's continued occupancy of the premises.

21. Access by Landlord. Right of Entry. Landlord and its agents shall have the right to enter the premises at all reasonable times for the purpose of examining or inspecting the same, showing the same to prospective purchasers or tenants and making such alterations, repairs, improvements or additions to the premises, or the building of which they are a part, as Landlord may deem necessary or desirable, whether or not required of Landlord hereunder. During the last three months of the term hereof, Landlord shall have the right to place upon the premises the usual notices "To Let" or "For Sale", which notices Tenant shall permit to remain thereon without molestation.

22. Change of Name. Tenant agrees not to change the advertised name of the business operated in the leased premises without the written permission of Landlord, provided, however, such approval shall not be unreasonable withheld or delayed.

23. Surrender of Premises. At the termination of this Lease, Tenant shall surrender the premises to Landlord in the same condition as when tendered by Landlord, reasonable wear and tear excepted. If not then in default, Tenant shall have the right at the end of the term hereof to remove any equipment, furniture, trade fixtures, or other personal property placed in the premises by Tenant, provided that Tenant promptly repairs any damage to the premises caused by such removal.

24. Notices. Any notice required or permitted to be given hereunder, shall be in writing and may be given by personal delivery or by certified mail, postage prepaid, return receipt requested, addressed to Tenant or to Landlord at the address noted below the signature of the respective parties, as the case may be. Either party may, by notice to the other, specify a different address for notice purposes except that upon Tenant's taking possession of the premises, the premises shall constitute Tenant's address for notice purposes.

25. Quiet Enjoyment. Upon Tenant's paying the rent reserved hereunder and observing and performing all of the covenants, conditions, and provisions on Tenant's part to be observed and performed hereunder, Tenant shall have quiet possession of the premises for the entire term hereof, subject to all of the provisions of this Lease.

26. Inability to Perform. This Lease and the obligations of Tenant hereunder shall not be affected or impaired because Landlord is unable to fulfil any of its obligations hereunder or is delayed in doing so, if such inability or delay is caused by reason of strike or other labor troubles, civil commotion, invasion, rebellion, hostilities, military or usurped power, sabotage, governmental regulations or controls, inability to obtain any material, service or financing, Acts of God, or by any other cause beyond the control of Landlord.

27. Waivers of Subrogation. Landlord shall cause each insurance policy carried by it, insuring the premises against loss by fire or any of the casualties covered by standard extended coverage, to be written in such a manner so as to provide that the insurer waives all rights of recovery by way of subrogation against Tenant in connection with any loss or damage covered by the policy. Tenant will cause each insurance policy carried by Tenant insuring the premises as well as the contents thereof, including trade fixtures and merchandise, against loss by fire or any of the casualties covered by standard extended coverage, to be written in such a manner so as to provide that the insurer waives all right of recovery by way of subrogation against Landlord in connection with any loss or damage covered by the policy. Tenant shall pay as additional rent the amount of any increase in Landlord's insurance premium during the term hereof attributable to a waiver of the insurer's rights of subrogation against Tenant.

These provisions shall have no effect in the event such waiver of subrogation is not available from the insurers of either Tenant or Landlord.

28. Rules and Regulations. Tenant shall observe faithfully and comply strictly with the Rules and Regulations as Landlord may from time to time reasonably adopt for the safety, care and cleanliness or the preservation of good order therein. Landlord shall not be liable to Tenant for any violation of the Rules and Regulations, or for the breach of any covenant or condition in any lease, by any other Tenant in the building. the Rules and Regulations attached hereto are by this reference made a part of this Lease and shall be observed at all times by Tenant.

29. Landlord's Right to Cure Default. Landlord may, but shall not be obligated to, after having given to Tenant a ten (10) days' notice, cure any default by Tenant under this Lease, and, whenever Landlord so elects, all costs and expenses incurred by Landlord in curing a default, including, without limitation, reasonable attorneys' fees, together with interest on the amount of costs and expenses so incurred, at the rate of one percent (1%) above the then existing prime rate per annum, shall be paid by Tenant to Landlord on demand, and shall be recoverable as additional rent, provided, however, that such interest shall not in any event exceed the rate permitted under the laws of South Carolina.

30. Estoppel Certificate. Tenant agrees that it will, at any time and from time to time, within five (5) business days following written notice by Landlord specifying that it is given pursuant to this Section, execute, acknowledge and deliver to Landlord a statement in writing certifying that this Lease is unmodified and in full force and effect (or if there have been modifications, that the same are in full force and effect, as modified, and stating the modifications), and the dates to which the minimum rent and any other payments due hereunder from Tenant have been paid in advance, if any, and stating whether or not to the best knowledge of the signer of such certificate the other party is in default in performance of any covenant, agreement or condition contained in this Lease, and if so, specifying each such default of which the signer may have knowledge. The failure of Tenant to execute, acknowledge and deliver to Landlord a statement in accordance with the foregoing provisions of this Section within said five (5) business day period shall constitute an acknowledgment, by Tenant, which may be relied on by any person holding or proposing to acquire an interest in the demised premises or this Lease from or through Landlord that this Lease is unmodified and in full force and effect and that such rents have been duly and fully paid to and including the respective due dates immediately preceding the date of such notice and shall constitute, as to any person entitled as aforesaid to rely upon such statements, a waiver of any defaults which may exist prior to the date of such notice.

31. Attorney's Fees. As between Landlord and Tenant, reasonable attorneys' fees shall be paid to the prevailing party for the enforcement of any of the terms, covenants, or provisions hereof; provided, however, that the indemnification of Landlord as contained in this Lease shall be at the expense of Tenant, regardless of the merits or the outcome of any dispute.

32. Interest on Past Due Obligations. Any amount due from Tenant to Landlord hereunder, which is not paid when due, shall bear interest at the rate of twelve percent (12%) per annum from the due date until paid, unless otherwise specifically provided herein, but

the payment of such interest shall not excuse or cure any default by Tenant under this Lease.

33. Time of Essence. Each of Tenant's covenants herein is a condition, and time is of the essence with respect to the performance of every provision of this Lease; and, the strict performance of each shall be a condition precedent to Tenant's rights to remain in possession of the premises or to have this Lease continue in effect.

34. Holding Over. Should Tenant, with Landlord's written consent hold over after the termination of this Lease, Tenant shall become a Tenant from month to month only, upon each and all of the terms herein provided as may be applicable to such month to month tenancy, and any such holding over shall not constitute an extension of this Lease. During such holding over, Tenant shall pay rent at the highest monthly rate provided for herein.

35. Partial Invalidity. Any provision of this Lease which shall prove to be invalid, void, or illegal shall in no way affect, impair, or invalidate any other provision hereof, and such other provisions shall remain in full force and effect.

36. Brokers. This paragraph is intentionally omitted.

37. Waiver. No waiver by Landlord of any provision of this Lease shall be deemed to be a waiver of any other provision hereof or of any subsequent breach by Tenant of the same or any by other provision. Landlord's consent to or approval of any act by Tenant shall not be deemed to render unnecessary the obtaining of Landlord's consent to or approval of any subsequent act. No agreement to accept Tenant's surrender of the premises shall be valid unless in writing and signed by Landlord. No employee of Landlord or of Landlord's agents shall have any power to accept the keys to the premises prior to the termination of this Lease, and the delivery of the keys to any such employee shall not operate as a termination of the Lease or surrender of the premises.

38. Successors and Assigns. Except as otherwise provided in this Lease, all of the covenants, conditions, and provisions of this Lease shall be binding upon, and shall inure to, the benefit of the parties hereto and their respective heirs, personal representative, executors, administrators, successors, and assigns.

39. Headings: Landlord and Tenant. The article and section captions contained in this Lease are for convenience only and do not in any way limit or amplify any term or provision hereof. The term "Landlord" and "Tenant" as used herein, shall include the plural as well as the singular. The neuter shall include the masculine and

feminine genders and, if there be more than one tenant, the obligations herein imposed upon Tenant shall be joint and several.

40. No Estate by Tenant. This Lease shall create the relationship of Lessor and Lessee between Landlord and Tenant, no estate shall pass out of Landlord, and this Lease shall not be subject to levy and/or sale and shall not be assignable by Tenant except as provided herein.

41. Entire Agreement. This Lease constitutes the entire agreement between the parties hereto with respect to the subject matter hereof, and no prior agreement or understanding with regard to any such matter shall be effective for any propose. No provisions of this Lease may be amended or added to except by an agreement in writing signed by the parties hereto or their respective successors in interest.

42. Recording. Tenant shall not reword this Lease without the written consent of Owner; however, upon the request of either party hereto, the other party shall join in the execution of a memorandum or so-called "short form" of this Lease for the purposes of recordation. Said memorandum or short form of this Lease shall describe the parties, the leased premises, and the term of this Lease and shall incorporate this Lease by reference.

43. Sales. No auction, fire, or bankruptcy sales may be conducted in the leased premises without the previous written consent of Owner, nor shall Tenant adopt or use any sales promotion devices or practices that shall tend to mislead or deceive the public or which directly or indirectly would tend to detract from or impair the reputation or dignity of said business, said premises, the building, or the general reputation or dignity of the businesses of others conducted in the building.

44. Consent of Owner. Tenant shall not permit any business to be operated in or from the leased premises by any concessionaire or licensee without the prior written consent of Owner, provided, however, that Owner will not unreasonably withhold or delay such consent.

45. Ownership of Improvements. All installations, additions, betterments or improvements (except movable trade fixtures) in or upon the demised premises, made by either party, shall become the property of Landlord upon expiration or sooner termination of the Lease Term and shall remain upon and be surrendered with the demised premises. Tenant agrees that it will not encumber by conditioned sales agreements, chattel mortgages or any other security instrument, any work performed or materials installed by Tenant, including,

without limitation, Tenant's trade fixtures, without the prior written consent of Landlord.

46. Corporate Tenant. If Tenant shall be a corporation, the parties executing this Lease on behalf of Tenant hereby covenant and warrant that Tenant is a duly qualified corporation and also steps have been taken prior to the date hereof to qualify and authorize Tenant to do business in the State of South Carolina and that the party or parties executing this Lease on behalf or Tenant is an officer or are officers of such corporate Tenant and that he or they as such officers were duly authorized to sign and execute this instrument.

Hello Lynda,
I appreciate your call this morning and we do have a few follow up questions/needs so that we can properly evaluate the possible purchase of your two retail spaces in Harbour Town.

- Square footage of each space
- Can the two spaces be separated again? Who would pay for this?
- A copy of any leases for the two spaces
- Current rent being collected on each space
- Copies of any financial statements for the business that owns the two spaces
- Regime Fees
- Any current, pending or future assessments that the purchaser would be responsible for
- Asking price for each space

Please let me know if you have any questions and when you can have this information available.

Many Thanks,

Cliff,

The owner of the retail space for Harbour Town Surf Shop called Steve and I this morning to discuss the listing. The current tenant has put in an offer of $585,000 and she realizes that we have the right of first refusal. I have attached a quick review of the space with some financial modeling. Based on my calculations it looks like something we should strongly consider. Please let me know when you have time to review.

Thanks,

Rob

Hello Lynda,
Thank you for dropping off the lease. As part of our evaluation of the space we need to understand what assessments are currently being charged to your locations and are there any other pending assessments? If there are any assessments in place now, are you paying those or is the tenant? We understand that there are numerous improvements being made to the building including the repair to the roof and I assume those costs are being assessed to each owner.

I look forward to hearing back from you.

Many Thanks,
Rob

Lynda Johnson called me yesterday to tell me that the tenant of the Surf Shop was dropping off an offer for the space and she was going to give to her attorney to move forward on the sale. She said the offer was going to be $580,000.

I asked her about any current or anticipated assessments due to the projects taking place at Mariners Way and what I was able to gather from her limited understanding was that she paid in full a $4,000 special assessment. She seemed to think that there were no other assessments beyond the normal CAM.

I told her that we are continuing to evaluate our interest. I suggest the three of us touch base on this soon.

Thanks,
Rob

Michael,
It is my understanding that your firm handled the closing for your client in 2016 for the purchase of the General Store in Harbour Town and thus completed all the necessary paperwork at that time for the waiver. This transaction is no different from that previous transaction and should be handled the same.
Sincerely,
Rob

Harbour Town Surf Shop – Real Estate Opportunity

April 20, 2017

Summary

The retail space currently being operated as the Harbour Town Surf Shop in the Mariner's Way building in Harbour Town has recently been listed for sale and is now under contract at $580,000. The space is actually two individual units that have been combined into one operating space with a total of 1,550 square feet, which equates to a purchase price of $377 per square foot. The current tenant, who has a lease through 1/31/2020 with an option to renew through 1/31/2025, is the interested purchaser.

In addition to the monthly rent fee, the tenant is also responsible for paying the annual CSA Assessment, the real estate taxes, regime fees, insurance costs, utility costs, and regime debt service.

The current rent is $35 per square foot, and during the five year renewal period the rent increases to $38 per square foot during year 1 and 2, to $39 per square foot in year 3, and $40 per square foot in years 4 and 5.

Over a 10 year period approximately $591,000 in rent fees will be collected by the landlord, or an average of $59,100 per year. With a purchase price of $580,000 this translates into a 10.2% CAP Rate. As a comparison, an 8% CAP Rate would value the real estate at $738,671 and a 10% CAP Rate would be $590,937.

A retail space (Harbour Town General Store) adjacent to the Harbour Town Surf Shop sold in June of 2016 for $899,999, which equated to a CAP Rate of 6.32% and cost per square foot of $474.

With the master planning efforts underway for the Harbour Town area, management believes owning additional retail space in Harbour Town works strategically with the vision of improving and expanding the guest experience all the while growing the profitability of Harbour Town. Additionally, management believes that the space is listed at an attractive price.

A Request for Waiver was received by the Resort on April 13 and it is management's recommendation to exercise our right to purchase the property at the contract price of $580,000.

Steve-

let's buy it, I agree. I assume you want to keep the tenant in there, and adjust their lease to extend it or not?
we should borrow some of the purchase price (50-65% debt) possibly to juice the cash-on-cash return annually. it would be helpful to look at a financial model showing the returns in the meantime before we possibly redevelop or want to use the space for ourselves. thanks, Mg

Here is a base model that I created to help evaluate this opportunity. Note that I show no expenses or expense reimbursement and have treated this as a true triple net lease. It was unclear from the email what, if any, expenses the owner of the unit would be responsible for.

Take a look and feel free to call me to discuss.

Michael,

I am representing the Sea Pines Resort, LLC which has elected to exercise its right of first refusal to purchase Shop No. 6 and Shop No. 8, Mariners Way Horizontal Property Regime LXIV. It is my understanding that the purchase price is $580,000. I am also sending out letters today to the sellers notifying them of this action (copies attached). Please let me know who is representing the sellers, and I will also notify him/her.

I also called and left you a voicemail message about this matter.

Please let me know what date you have that you gave notice to Sea Pines Resort, LLC of the purchase price and terms of this transaction. I do not believe the sellers have given notice to Sea Pines Resort, LLC. It would be helpful to know when you believe proper and full notice was given to Sea Pines Resort, LLC.

Please do not hesitate to call me if you wish to discuss this matter further.

Mark and Charlie,

I wanted to make you aware that we are using our Right of Repurchase to buy a commercial space in the Mariner's Way building in Harbour Town. The space is currently leased to the Surf Shop on the front side of the building. I have spoken with the seller of the property who seemed fine with our purchase. I don't expect any issues but I wanted you to be aware of this strategic purchase.

Simon,

Please refer me to the Covenant, By Law or other provision(s) under which Sea Pines Resort LLC elects its right of first refusal for the subject property, and if possible, any additional documents or references which guide how said rights are exercised. I was briefly looking online and could not find it at first glance.

Simon, we should further discuss this issue. The Covenants references you sent are consistent with what I had found online, and each by their terms appear to only govern Class A residential sites. Without even reaching to the procedures that are intended be followed in instances where the Company intends to exercise its rights , I did not find any rights of first refusal which apply to the commercial areas of Sea Pines, including Mariners Way.

My client desires to purchase the property and without the benefit of additional information,

objects and does hereby confirm its objection to the exercise by Sea Pines of an option to repurchase Shop 6 and Shop 8, and does hereby request that Sea Pines withdraw its intent to exercise and permit the parties under contract to proceed with the transaction as stated.

I am available to discuss further at your convenience.

Re: Bittmint, LLC purchase of Shop 6 and Shop 8 Mariner's Way HPR, Harbourtown, from Giannone and Johnson

Dear Meridith:

I understand you represent the Seller(s) of the above referenced two units at Mariner's Way HPR, Harbourtown, that are currently under lease to my client Harbourtown Surf Shop, LLC and under contract to be sold to my client Bittmint, LLC. As you are aware, Sea Pines Company has, through its attorney Simon Fraser, communicated that it intends to exercise a right of first refusal and intends to purchase the units directly from your client(s). There are a number of issues presented by the exercise of the option, including a determination of exactly what rights Sea Pines has, if any, and how those rights are to be exercised, some of which I am addressing directly with Simon. There are also issues which relate to the leasehold and your client's obligations under the current Contract of Sale.

My client desires and intends to proceed with the Contract to purchase the properties, and requests and/or demands that your client refrain from conveying the subject properties to Sea Pines until such time that all issues relating to the business and property are resolved, either by agreement between the parties involved, or by Court order. It is my hope that the more consequential matters can be worked out amicably, and that your client's present and historical intention to convey the properties to my client will be fulfilled, but it is equally my concern that a conveyance to Sea Pines under the current circumstances, without addressing the issues relating to the tenancy and adjoining property, will cause irreparable harm and damages to my clients--both the Purchaser under the contract, and the current tenant. Your client is hereby placed on notice of this matter.

Sincerely,

Michael W. Mogil

Good Afternoon Amir and Alon,
With our recent purchase of the commercial space that you occupy with the Harbour Town Surf Shop, I first wanted to say that we welcome working with you and look forward to a successful relationship.

I also wanted to reach out to you with some information and updates related to your lease and the various payments.

You will receive a monthly statement from us that will be mailed on approximately the 20th of each month and will include the recurring charges for:

- Rent
- Regime Fees
- Insurance
- Property Taxes
- CSA Assessment
- Trash

Please note that per your lease agreement, the above fees are due by the 5th day of the month and are subject to late fees and other remedies per the lease agreement. Payments are to be mailed to: Sea Pines Resort, 32 Greenwood Drive, Hilton Head Island, SC 29928. For any billing questions, please contact Mary Hughes in our accounting department at mhughes@seapines.com or 843-842-1478.

Under the insurance section in the lease, can you please update the landlord name on your liability insurance to be **Sea Pines Resort, LLC**. Once you have this change made can you please forward me a copy of the policy/certificate.

Harbour Town Merchants Fees: As a reminder, the lease agreement states that you will become a member of the Merchant's Association. A separate statement will be mailed to you for these fees on approximately the 20th of each month for the following month and dues will be due on the first of each month.

Lastly, we are attempting to schedule a commercial building inspector to review the space in the near future. I will keep you posted on the timing of the inspection.

Please let me know if you have any questions or follow up needs.

Many Thanks,
Rob

Matt,

I am forwarding an email received from Charlie Minor regarding his thinking for the ASPPPO Board approval of the term sheet. On one hand Charlie's process seems rushed, but on the other I also realize he's trying to get the approval during his regularly scheduled meeting on June 22.

Cliff and I are still working on some the details of the term sheet, and we owe you a recommendation regarding tennis and other terms. We will be sending more informaiton to you within the next day or so.

Thanks,

Steve

Subject: ASPPPO board meeting preparation

The ASPPPO board meeting is going to be tricky to choreograph. There will be opposition to any approval of the terms and I will need some help, particularly from the Resort. Here is my plan.

To maintain our policy of transparency, we will have to post the agenda by late Friday including the proposed resolution which will be moved by Barry Barth. This will draw organized opposition at the meeting probably moved by a board member. Their logic will be that we have not clarified important details and need to delay the vote. Ideally they would like to delay until 2018 so they can get new board representation and leadership. So, we do need to close up loose ends.
The board meeting will start with the routine business. The next agenda item will be Dave Borghesi making a motion in support of raising the gate fee on a seasonal basis to $10. That will go to CSA and I will ask Steve to confirm SPR agreement.
Next will be a review of the term sheet modifications and issues which I will start and then turn it over to Steve to explain what SPR is giving Sea Pines. Steve needs to cover three key

PLAINTIFF'S EXHIBIT NO. 31A
PENGAD 800-631-6989

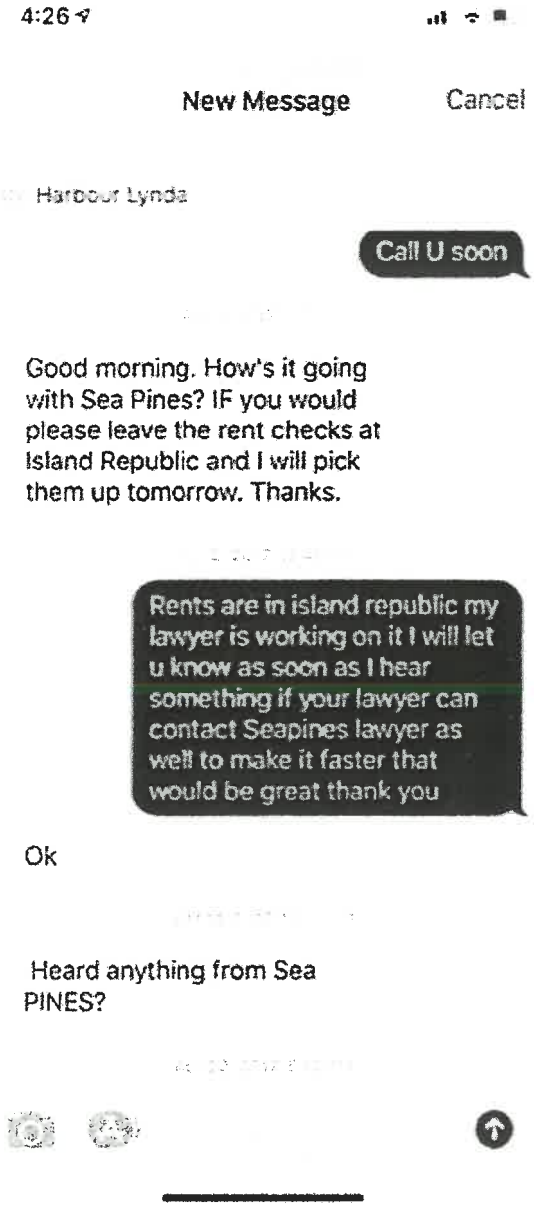

subjects along with his other comments.
1. Tennis at Lawton Stables. That will require an excellent visual rendering showing what it will look like.
2. Right of purchase should be presented as a homeowner BENEFIT. You need a written policy that includes SPR's agreement in advance to waive RFR when a homeowner decides to sell their property. SPR also needs to differentiate between residents and commercial properties and reveal their goal to upgrade Harbour Town and the acquisition of the Surf Shop. Better SPR makes it public than reading about the law suit in the Packet.
3. SPR needs to make it clear that they have tried to incorporate resident inputs either in the referendum or separately.

I will then call upon Rob Reichle (sp?) to explain the feelings of the real estate community.
Next I will ask Rich Speer to comment on the economics.
Finally I will ask Barry for the approval motion followed by discussion and vote. I have sent the proposed motion to Ed Hughes for legal review. The motion is only on the hotel rooms and conditional on passage of the referendum and a two thirds positive vote by ASPPPO members voting. It also preserves the ASPPPO board's authority to act on the hotel agreement At a later date. There are some additional conditions and qualifications in the motion. This will also be public before the meeting.
After discussion I will call the question. Public comments will be taken after the board meeting. This will cause a near riot of protest if we pass the motion and could get ugly. I would like some people in the audience to support us when those opposed start complaining.
I will be back Thursday but there is much to do before the meeting. The Resort really has to address the term sheet issues I gave them and have a compelling story. If they are not ready we need to postpone the vote until they are and call a special meeting.
Charlie

The First Amended Joint Plan of Reorganization came before this Court on a hearing for confirmation commencing on October 13, 1987 subsequent to notice consistent with the Bankruptcy Rules, said Plan having been transmitted to the holders of Claims and Investor Interests of the Debtors and it having been determined after notice and hearing that:

1. The Second Amended Joint Plan of Reorganization (also the "Plan" or the "Second Amended Plan", as the context requires) modifies the First Amended Joint Plan of Reorganization filed on August 24, 1987 to recognize fees due the United States Trustee, to recognize approval of the FSLIC Agreement and Hewlette Agreement, to recognize the failure of certain other Agreements to be consummated, to reflect this Court's Order approving the distribution of proceeds from the sale of Indigo Run

Plantation and in other minor respects. Such modifications are contemplated by Section 1127(a) of the Bankruptcy Code. The variations of the Second Amended Plan do not materially adversely affect any Creditor or holder of an Investor Interest, and do not therefore require a resolicitation of Creditors or holders of Investor Interests. Therefore, pursuant to Bankruptcy Rule 3019, the Second Amended Plan is deemed accepted by all impaired Creditors and holders of Investor Interests who accepted the First Amended Joint Plan of Reorganization. Unless otherwise indicated, the definitions set forth in Article II of the Plan have the same meaning herein. A copy of the Plan is attached hereto as Exhibit "A".

2. Classes 5A, 5B, 5C, 5D, 5E, 5F, 5G, 5H, 5I, 5J, 5K, 5L, 6A, 6B, 6C, 6D, 6E, 6F, 6G, 6H, 6I, 6J, 8A, 8B, 9, 10 and 11 are the Classes of claims and interests impaired under the Plan. Classes 1, 2, 3, 4 and 7 are unimpaired under the Plan.

3. The recommendations of Judge Bratton Davis contained in his Recommendations estimating claims and disallowing certain claims entered September 21, 1987 and bearing Docket numbers 1-M-1368 through 1-M-1373 inclusive have been adopted. The Plan was accepted by all classes of the Debtors' impaired creditors except Classes 5D, 5F and 10. At least one impaired class of each Debtor has accepted the Plan. At the Confirmation hearing, Oxford

Communities Inc., the only creditor in Class 5F, announced acceptance of the Plan.

4. The classification of Claims in the Plan is based upon the substantial similarity of all Claims in each such class, is reasonable and was made in good faith, and was not made for the purpose of affecting the vote in any such class or for any improper purpose. The Claims in Classes 8, 9 and 10 are dissimilar as a result of the nature thereof, Class 8 consisting of general unsecured claims, Class 9 consisting of intercompany claims and Class 10 consisting of claims of insiders and claims that are equitably subordinated or constitute equity.

5. Evidence adduced at the hearing on confirmation supports the fact that any distribution made to Class 10 claimants should be subordinate to payment in full of all prior classes. All such claims arise either out of an equity interest or are subject to subordination on equitable principles.

6. The solicitation for acceptances of the Plan was conducted in good faith, and in a thorough manner, pursuant to this Court's Order of September 1, 1987, was made of all impaired creditors, gave all such creditors a fair and adequate opportunity to accept or reject the Plan and was in compliance with Section 1126(b) of the Bankruptcy Code.

7. As previously determined by this Court, the Disclosure Statement distributed by the Proponents of the Plan to

all Creditors and holders of Investor Interest contained adequate information as required by Section 1125 of the Bankruptcy Code.

8. Lincoln Savings and Loan Association (hereinafter "Lincoln"), Oxford Communities, Inc. (hereinafter "Oxford"), E.R. Ginn, III, Ginn Corporation, the trustees of Phillip and Mary Schvab and Rolyat Holding Corp., Clark Equipment Credit Corporation, Phoenix Corporation of Hilton Head, Lockford Partnership, Louis M. Jaffe, Universe Trust, Inc., and Luther M. Taylor are the only parties who timely filed objections to confirmation of the Plan. Pursuant to the settlements and agreements described herein, all said objections were withdrawn.

9. The credible evidence in the record, including the informed judgments of the Proponents' witnesses Peggy Gibson, John F. Curry, and Marc Puntereri, all of whom the Court found to be qualified to give the opinions given by them, embraced all the facts relevant to the Plan and addressed all the prerequisites to confirmation imposed by Section 1129(a) of the Bankruptcy Code.

10. The Debtors properties have a greater value if the Plan is confirmed than if the Debtors were liquidated under Chapter 7 of the Bankruptcy Code.

11. The Proponents and Marathon and Lincoln have agreed on the appropriate treatment to be provided to Lincoln under the provisions of Section 1129(b) of the

Bankruptcy Code, as set forth in Exhibit "C" hereto and the objection of Lincoln is thereby resolved.

12. Marathon and Oxford have agreed that the Oxford claim in Class 5F will be acquired by Marathon and pursuant to said agreement, Oxford has changed its vote in Class 5F to accept the Plan and the objections of Oxford are thereby resolved.

13. Confirmation of the Plan is not likely to be followed by liquidation or the need for further financial reorganization of the Debtors except such further reorganization and liquidation as is contemplated by the Plan. There is no successor to the Debtors under the Plan.

14. (a) The Plan and the solicitations with respect thereto complied with all applicable provisions of Title 11 of the United States Code;

(b) The Proponents have complied with all applicable provisions of Title 11 of the United States Code;

(c) The Plan has been proposed in good faith and not by any means forbidden by law;

(d) All payments to be made by the Debtors or any other parties provided in Section 1129(a)(4) of the Bankruptcy Code for services or for costs and expenses in or in connection with these cases either have been approved, or are subject to the approval, by this Court as reasonable;

(e) The Proponents have fully disclosed the identity and affiliations of any individual proposed to serve, after confirmation of the Plan, as a director or officer of the Debtors and the appointment to, or continuation in, such office of such persons is consistent with the interests of Creditors and with public policy;

(f) The identity of any insiders that will be employed or retained by the Debtors and their compensation have been fully disclosed;

(g) No governmental regulatory commission has jurisdiction after Confirmation over any rates of the Debtors.

(h) Each holder of an impaired Claim or Investor Interest will receive or retain under the Plan on account such Claim or Investor Interest, property of a value that is not less than the amount each holder would receive if the Debtors were liquidated under Chapter 7 of Title 11 of the United States Code;

(i) Each impaired class other than Classes 5D and 10 has accepted the Plan;

(j) All allowed administrative and priority claims will be paid in cash under the Plan, except for those tax claims having priority pursuant to Section 507(a)(7) of the Bankruptcy Code which pursuant to the Plan will be paid in deferred cash

payments, over a period not exceeding six years from the date of assessment, with interest at the prime rate of SCN, giving such claims a present value equal to the allowed amount of such claims.

(k) The Plan does not discriminate unfairly among creditors or classes and the designation of Claims under the Plan is reasonable based upon the fact that each claim in any class of the Plan is substantially similar and is fair and equitable with respect to each class of claims or Investor Interests that is impaired under the Plan and did not accept the Plan.

15. All applicable provisions of Section 1129 of the Bankruptcy Code have been satisfied; it is, accordingly

ORDER AUTHORIZING SALE OF THE DEBTORS' SEA PINES ASSETS

The Amended Complaint to Sell the Debtors' Sea Pines Assets Free and Clear of Liens, Encumbrances, and Other Interests (the "Complaint") came on for hearing before this Court on October 14, 1987. Upon this Court's determination from the testimony and evidence in the record before it that all persons claiming a lien, encumbrance, or other interest in the Debtors' Sea Pines Assets were served with the Complaint by mail or by publication in accordance with Rules 4(d) and 4(i) of the Federal Rules of Civil Procedure and Bankruptcy Rule 7004 and that proper notice of hearing on the Complaint was given to all creditors and parties in interest in accordance with Bankruptcy

Rules 6004 and 2002(a)(2), (c), and (i); and upon the only objections to the Complaint having been withdrawn and no other parties having objected to the sale of the Sea Pines Assets free and clear of all liens, claims, and encumbrances; and upon this Court's determination that the sale or transfer of the Sea Pines Assets free and clear of liens, encumbrances, or other interests is permitted pursuant to sections 363(b) and (f) of the Bankruptcy Code, 11 U.S.C. §§ 363(b) and (f), in that (1) applicable nonbankruptcy law permits the sale or transfer of the property free and clear, (2) parties claiming an interest in the property have consented to such sale or transfer, (3) the price at which the property is to be sold or transferred is greater than the aggregate value of all liens on the property, (4) the claimed interests in the property are in bona fide dispute, or (5) the parties claiming an interest in the property could be compelled, in a legal or equitable proceeding, to accept a money satisfaction of their interest; and upon this Court's further determination that the sale of the Sea Pines Assets free and clear of liens, encumbrances, or other interests is in the best interest of the Debtors' estates;

IT IS HEREBY ORDERED, ADJUDGED AND DECREED:

The Sea Pines Resort

June 19, 2017

Dear Sea Pines Residents,

We believe there is considerable misinformation being circulated regarding Sea Pines Resort's Right of Repurchase and the proposed swimming pool in Harbour Town. We would like to clarify this misinformation.

The Right of Repurchase has been included in the Sea Pines Covenants for more than 40 years. It only applies when an owner wants to sell a property in Sea Pines. The Resort cannot force or compel residents to sell their property.

The Harbour Town area has many individual residential property owners. Sea Pines Resort currently has no interest in purchasing individual condominiums in the Harbour Town area. Further, we believe it would be nearly impossible to assemble any significant number of sellers to create a manageable property. Therefore, Harbour Town property owners should not be concerned about the Right of Repurchase.

Sea Pines Resort prides itself on being a good community citizen. We have absolutely no interest in depriving any seller of their fair market value. In the event the Resort has an interest in purchasing residential property, we are working with homeowners to assure them of full value and possibly even a premium value if they choose to sell. Our purchase offers assure value plus other significant benefits to the seller. We would be pleased to confirm these benefits through an impartial and qualified independent review. The Resort believes its purchase proposal is a huge benefit to sellers, not a liability.

We do have plans to improve the retail stores and other commercial areas in Harbour Town. We will continue to acquire commercial property in Harbour Town when and if it becomes available and we can work out acceptable terms with the current owner. Once again, we believe sellers of commercial property should consider this process as a benefit for multiple reasons.

We are also planning to build a new world-class swimming pool complex in the Harbour Town area which we expect will be very popular especially with families. Our planning includes market priced memberships available to Sea Pines property owners. The details of the swimming pool including the construction costs, operating expenses and the price of the memberships have not yet been determined.

We hope this letter answers your concerns. We have a long-term commitment to Sea Pines and to being a good neighbor and community citizen. We hope you share our excitement about the future of Sea Pines.

Sincerely,

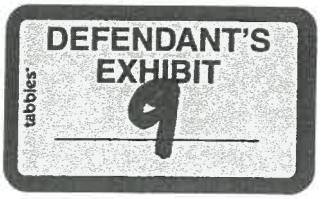

Matthew T. Goodwin
