Re: Kyndra S. Ford v. SCDOE  
Appellate Case No. 2025-000799

Dear Counsel:

The Court received a motion to extend time to serve and file the initial brief of appellant and designation of matter on December 18, 2025. A deficiency letter was sent on December 19, 2025, to provide a filing fee and proof of service. According to our records, the deficiencies have not be cured. Accordingly, the Court will not take any action on the December 18, 2025 motion and the initial brief of appellant and designation of matter are due to be served and filed within ten (10) days from the date of this letter or your appeal will be dismissed.

Very truly yours,
