Please find attached, Exhibit C. Appellant files this solely to supplement the exhibits attached to his timely filed Return to Respondents' Motion to Strike, and to align with exhibits already served upon Respondents.

Attached as Supplemental Exhibit C is page one of the Maddox Engineering Report, which lists and identifies the documents, photographs, and PowerPoint materials relied upon by the expert Warren Maddox in forming his opinions. This exhibit supports Appellant's existing argument that the challenged materials were incorporated into and relied upon in filings before the circuit court and the Motion to Reconsider.

This Notice does not amend or alter the substance of Appellant's Return and is submitted only to clarify the existing record for the Court.

Thank you,
Steve Maness
