

The South Carolina Court of Appeals

Gertrude Shiver, Claimant, Appellant,

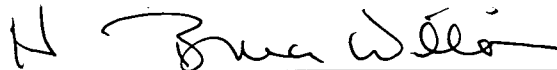

v.

Palmetto Health Richland, Employer, Key Risk Management Services, Inc., TPA, Palmetto Hospital Trust Services, Carrier, Trident Regional Medical Center, Employer, Zurich American Insurance Company, Carrier, Respondents.

Appellate Case No. 2013-000887

ORDER

After careful consideration, Appellant's motion to include an addendum to her initial brief is denied. However, if Appellant wishes to amend her initial brief, she must serve and file an amended initial brief within thirty days. Respondents' requests for extensions are granted. Respondents' initial briefs shall be due thirty days from service of Appellant's amended initial brief. If Appellant does not serve and file an amended initial brief, Respondents' initial briefs shall be due January 20, 2014. Finally, Respondents' motion to dismiss is denied. Because the motion to dismiss is denied, this court declines to act on Appellant's "motion to reject the dismissal of motion of the appeal."
