Re: Appellate Case No.: 2012-207553; Any Filings, Status of Case?

Susan:

What's the status of my appeal?

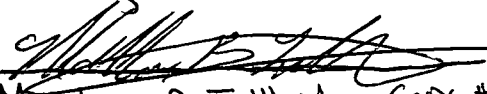

Your initial was filed in July (2013). The respondent had then 30 days to reply. To my knowledge they have not filed nor received any extension(s) for doing so.

Over 120 days have transpired since your initial filing, the respondent is procedurally barred, thus, they can't object, place anything on the record, and only your brief and designation can be considered by the Court at this point.

Am I right in all of this?

If I'm not, clarify for me where all I'm not.

Searching,
