**SC Court of Appeals**

**Motion for Extension of Time to File Second Amended Record on Appeal**

Appellants, by and through undersigned counsel, respectfully move this Honorable Court for a ten (10) day extension of time to comply with the Court's Order requiring the filing of a second amended record on appeal. In support of this Motion, Appellants show the following:

By Order of this Court, Appellants were directed, within ten (10) days of the date of the Order, to file a second amended record on appeal that includes Respondent Home Inspection One, LLC's designated Item 6 and Item 8, and to strike the deposition notice included at pages 10–11 of the amended Record on Appeal.

Since the issuance of the Court's Order, undersigned counsel's workload has unusually been heavy and has continued to increase. Beginning in early January 2026, including matters arising during the Christmas and New Year holiday period, undersigned counsel has been required to address additional motions, a two-day due process hearing, and other time-sensitive filings in unrelated matters that were not reasonably anticipated at the time the Order was entered.

These obligations have limited counsel's ability to complete the review and preparation necessary to ensure full and proper compliance with the Court's directives regarding the second amended record on appeal.

This request is made in good faith and not for purposes of delay, but to allow adequate time to comply fully with the Court's Order.

WHEREFORE, Appellants respectfully request that this Court grant a ten (10) day extension of time within which to file the second amended record on appeal as ordered, together with such other and further relief as the Court deems just and proper.

Respectfully submitted,
