APPELLANT

MOTION FOR THE EXTENSION OF TIME  
\_\_\_\_\_

Appellants pray that we be given leave for an extension of time to prepare the initial brief in this case. Attorney for the Appellant was appointed as co-counsel in this appeal in accordance with the conditions under the 2013 Appellate Practice Project.

This appeal stems from the finding of guilty relating to the charges criminal sexual conduct with a minor, pursuant to §16-3-655(A)(2) and offense of lewd act on a minor child, pursuant to §16-15-140. Since being appointed to represent Appellant, I have worked diligently on the appeal but need additional time to present the issues to the Court and to prepare the designation of record on Appeal. After spending a significant amount of time researching the admission of prior convictions in these types of cases, I am now preparing a comprehensive brief challenging the admissibility of the introduction propensity evidence under the Due Process clause Fourteenth Amendment of the United States Constitution and Article I §3 of the South Carolina Constitution.

The initial brief is due on December 2<sup>nd</sup>, 2013, however with the Thanksgiving holiday the Commission on Indigent Defense requests the brief be prepared for printing by today. I request the extension of time for one (1) month but firmly believe that Appellants Initial Brief will be completed within two weeks.
