Re; Ben Robert Stewart, 223006 v. SCDC 2025-002076)
Docket no. 24-ALJ-04-0610 IJ) Rule 269 SCACR;
In re Property Movers, LLC, 31 Fed Appx 81 (4th Cir 2002)
Dungaree Realty, Inc v. U.S., 30 F.3d 122 (U.S. Fed
Court 1994); Request for finding of Frivolous and
Sanctions against Respondent; Affidavit and Request.
Affidavit of Facts

I, Ben Robert Stewart, hereby swear to penalty for perjury
and says: ① Respondent has opposed this appeal in bad
faith.

② Respondents contested this case on grounds that
are false and Frivolous and taken solely for purpose
of delay.

③ Respondent has changed it argument from ALC.

④ Respondent did not follow the ALC rules nor
the South Carolina Appellate Court Rules presently.

⑤ A Sham or abuse of process has occurred in
my criminal case where determinative facts regarding
probable cause and false indictments are proven.

- ⑥ The Interstate Agreement on Detainers Act procedures are void due to not having probable cause in this case.
- ⑦ Because of these facts I believe that I have proven my unlawful transfer and custody to South Carolina from Pennsylvania.
- ⑧ I am filing () pages of an Record on Appeal for the second time and the SCDC policy state and federal law are all pointing to the same-identical thing: "that the Act dose not apply to a person who is adjudged to be mentally ill."
- ⑨ My Social Security Disability Evaluation in Pennsylvania should be proof of me be adjudge mentally ill also.
- ⑩ The Department of Corrections Warden or Respondent has not contested this fact regarding my mental state so I think that defense is defaulted by them.
- ⑪ An Appeal opposed by Respondent is therefore in bad faith and they should be sanctioned or at least I should have a ruling in my favor.
