Good afternoon ~ Good afternoon ~ We were asked to respond as to availability or conflicts for upcoming arguments potentially on May 4, 5, 6, 7, 12, 13 or 14.

We have a day certain trial in Sumter County on May 4th that could potentially last through May 8th. That makes it difficult for us to attend oral argument May 4, 5, 6 or 7.

The following week, we are on the case #6 on the trial roster in York County and scheduled for a roster meeting and jury selection on Tuesday, May 12th. If we are to try the case that week, we would need to appear for Jury qualification on May 12th.

We understand that the Court of Appeals takes precedent but would like to preserve the day certain trial the Week of May 4th.

If the court needs to set this for oral argument during my day certain trial week, I do not expect to participate in arguments Andrew Lindemann is handling that appeal.
