Re: Geraldine White v. John R. C. Bowen
Appellate Case No. 2025-002399

Dear Ms. White:

Upon reviewing your motion for an extension of time, the following deficiencies have been noted under the South Carolina Appellate Court Rules (SCACR), and each deficiency must be corrected within ten (10) days of the date of this letter or your filing will not be considered:

- The accompanying proof of service is not in compliance with the SCACR. Your proof of service should be substantially in the format shown by Form 7 in Appendix C to part II of the SCACR. Specifically, your proof of service does not provide the names and addresses of those who were served with a copy of your motion.
- The required filing fee has not been submitted. The correct filing fee for the motion for an extension of time is \$50.00.

Furthermore, we are in receipt of your motion for reconsideration of this Court's order denying your motion to proceed in forma pauperis. Pursuant to Rule 221(c), SCACR, this Court will not entertain motions for reconsideration on a motion unless the action of the Court has the effect of dismissing or finally deciding a party's appeal. Therefore, no further action will be taken on your motion for

reconsideration. We also clarify that the filing fee for the notice of appeal is \$250.00, not \$450.00 as indicated in your motion.

Very truly yours,
