SC Court of Appeals

To whom it may concern:

I Michael Anton Young Jr. SCDC# 347757

I am writing in response to address some issues I have concerning the sentence I was given on 12/2/25. The solicitor used the statement that the officer put on the Affidavit. The alleged victim was on xanax, methamphetamines, Alcohol while giving the statement. I pointed this out to the officer while I was sitting in my livingroom it was all on body cam yet it was still used to incriminate me. Also the alleged victim gave a second statement to the solicitor that wasn't used in court recanting the first statement. I am wondering if that's even legal. I didn't speak up in court because I was nervous and shocked about what the solicitor said, I knew it wasn't true. Due to me having a prior record with the same alleged victim it was held against me and I was sentenced to 6 year in prison with probation following my release. I am requesting for my charges to be dismissed do to inadmissible statements used against me, The alleged victim agrees as well. She has contacted me twice since I been incarcerated.

Thank you
