Re: Your case

Dear Mr. Russell:

This letter is to confirm our telephone conversation earlier today regarding the information forwarded to us by the Supreme Court that you had sent to them.

This included your Petition for Writ of Certiorari, and your Exhibit Booklet for petition for writ of certiorari all compiled by you. Also included was the appendix we had completed for you prior to your proceeding pro se. However, there were loose documents in the front of the appendix. It was my understanding from our conversation that you want us to insert these documents in the appendix in a certain order.

**In order to comply with the Court's order of November 7, 2013, it is necessary for you to compile your appendix in the order that you want it. This is the only way to ensure it is filed as you desire. We will make the copies and file them with the Court once it is completed.**

As you requested, we are resending the appendix and loose documents for you to compile it in the order you want. You indicated that the letters on top of the appendix were not to be included, but returned to you. We are returning those along with the appendix.

When you complete your appendix as you want it, please send it to us and we will make copies and file them with the Supreme Court along with your petition. We will obviously send you a copy of the filed petition for writ of certiorari and appendix.

I wish you the best. Please contact me, if you have questions.

Sincerely,

LaNelle Cantey DuRant  
Appellate Defender
