Appellate Case No. 2025-001766

---

ORDER

---

Petitioner seeks a writ of certiorari to review the decision of the court of appeals dismissing her appeal. In addition, Petitioner has filed a document entitled "Writ of Praeipie for Account Satisfaction of Alleged Mortgage," dated October 22, 2025, which we construe as a motion to supplement the record on appeal. Because the materials attached to this document were not presented to the special referee, we deny the motion. See Rule 210(c), SCACR ("The Record shall not . . . include matter which was not presented to the lower court or tribunal."). We deny the petition for a writ of certiorari.
