Ms. Singleton The information being stated about the record of appeal not being received is false. I can show that I even had Richland County Sheriff attempt the delivery on Holder. It was eventually mailed from FedEx. This is another attempt by Holder Properties and USC to claim they don't have something. 1. How long has this entry been visible about the record on appeal in the system? 2. Why are you now claiming something was not done. I mailed information to Holder and USC. Both of them continue to not operate in Accordance with the American Bar Association 4.1 Rule 4.1 include: Misrepresentation: Lawyers must be truthful. Client Fraud: If a client is engaging in fraud or crime, a lawyer must not assist them, which may require disclosing material facts to third parties. Travis Hall

Ms. Singleton,

Just to follow up on this, Appellant has not served a Record of Appeal on Respondent USC either.

Thanks,
Dave

Subject: RE: Kamarah Reynolds-Hall v. USC (2024-001242)

Dear Ms. Singleton:

The Court's Order of January 21, 2026, states that "The Court is in receipt of the record on appeal and it has been filed. This appeal is no longer held in abeyance." Please note, however, that the appellant has not served a

Record on Appeal on the respondent Holder Properties. Furthermore, it appears that no such record is available for download on the Court's C-Track website. Please also note that the only "Record" available (filed on September 30, 2025, and styled "Record on Appeal | University of South Carolina") contains only two documents out of 13 listed in Holder Properties, Inc.'s Designation of Matter to be Included in the Record on Appeal and is not paginated, which makes citations to the record impossible.

In light of the quickly approaching deadline for filing the final briefs, I would greatly appreciate the Court's guidance on the availability of a complete and properly paginated Record on Appeal in this case.

Best regards,
Michal Kalwajtys
