Thank you.

As an aside (and a personal question) before making the caption change...the original appellate attorney, J. Mitchell Williams (who is also my Uncle) of Harris, Graves, and Williams was the one who filed the appeal and did all the work up until his retirement when I took over to argue the appeal. He was substituted in as counsel upon his retirement.

Would it be possible to have his name and firm included in the caption as well? If possible, I would like for him to share the credit for this Appeal. If I am overstepping, please let me know and disregard this email.

Best regards,
