Investigative Recommendations:

Below is a structured breakdown of the recommended investigative track. All phases and tasks are flexible and may be adjusted at the client’s discretion.

Phase 1

Establish the judicial structure, power centers, receivership history, and initial factual base.

- 1. Overview of the South Carolina Judicial System
 - a. Map SC court hierarchy
 - b. Discuss SC appointment of judges and Judicial Merit Selection Commission structure and impact

- 
- c. Identify administrative control (SC Court Administration, scheduling, assignments).
 - d. Summarize authority and procedural rules governing receiverships.
 - e. Identify appellate limitations shaping trial-level power.

Estimated Time: 5–7 hours

2. Power Structure & Control Points

- a. Identify who controls case assignments, expert admissibility, discovery, and sanctions.
- b. Identify repeat actors: judges, firms, receivers, administrators.
- c. Relationship mapping.

Estimated Time: 6–10 hours

3. Background Investigations

- a. Full background investigation of persons involved.
 - i. Derogatory background information
 - ii. License information
 - iii. Bar status
 - iv. Etc.
 - v. Business(es) in the subject's (or spouses) name/address.
 - 1. Scope of investigation to be determined by client

Estimated Time: 10–12 Hours

4. Receivership Orders & Conflicts

- a. Pull receivership appointment orders (2017–present).
- b. Identify scope modifications, contempt orders, sanctions.
- c. Compare SC actions to federal bankruptcy rulings and UK High Court injunctions.
- d. Document ACL filings alleging SC overreach.

Estimated Time: 10–20 hours

5. Funds & Escrow Accounts

- a. Identify all court-ordered escrow accounts.
- b. Document authorized signatories.
- c. Map fund flows and fee structures.

Estimated Time: 5–8 hours

Phase 2

Identify patterns showing consistent benefit or disadvantage in litigation outcomes.

6. Pattern Analysis on Rulings

- a. Research written orders in asbestos docket for:
 - i. Expert testimony
 - ii. Evaluate discovery scope (Fishing expedition indicators)
 - iii. Document sanctions trends/threats
- b. Produce pattern matrix comparing rulings by judge and firm.

Estimated Time: 10–15 hours

7. Identify SC Gatekeepers & Facilitators

- a. Identify administrators controlling assignment, sealing, and appointment lists.
- b. Identify recurring insiders.
 - i. Determine if there is a "short list" of "approved" insiders.
- c. Build gatekeeper map.

Estimated Time: 8–10 hours

8. Unlawful/unethical Act(s) Assessment

- a. Apply the Power–Process–Pressure–Payment model.
- b. Evaluate facts against federal statutes: wire fraud, mail fraud, Hobbs Act, money laundering.
- c. Identify potential interstate and international judicial conflicts.

Estimated Time: 8–10 hours

Phase 3

9. Legal Exposure Mapping

- a. Map SC state crimes (if found).
- b. Identify federal crimes (if found).
 - i. Potential RICO (Enterprise and predicate acts)

Estimated Time: 8-10 hours
