Mr. Robinson,

Per our conversation this afternoon, I have searched my emails, which surprisingly go back beyond November 20205, without finding anything from Timothy Finley. I did find that he called me on 11/4/25 at 5:45 pm. We spoke for 20 minutes and never spoke again. What I surmised was that he verbally provided me with some information to search, which I wrote down. I then used that information to find some details about the matter we discussed.

I assume that I emailed him telling him I couldn't help him but I can't find that email.

Sorry I couldn't be of more help. If you ever need any investigative assistance, don't hesitate to call me.
