Clerk of Court / Solicitor,

I am writing regarding digital evidence that was part of the discovery and trial record in the above-referenced matter, specifically a USB drive containing law enforcement dash-cam and body-cam footage.

Following the conclusion of trial, the USB drive was retained by the Clerk of Court and/or the Solicitor's Office. This evidence was relied upon at trial and is material to the issues raised on appeal. As such, it constitutes part of the record necessary for proper appellate review.

I respectfully request that a copy of the USB drive, or its digital contents, be forwarded to the South Carolina Court of Appeals for inclusion in the appellate record. If the Court requires a specific format or method of submission, please proceed accordingly.

If any additional authorization, form, or procedural step is required from me to facilitate this request, please advise promptly so I may comply without delay.

Thank you for your attention to this matter and for your assistance in ensuring a complete and accurate record on appeal.

Respectfully,

KEYSHON POINSETTE JR. #378667
