South Carolina Court of Appeals
CASE No:2025-001299

We are writing regarding the transcript deadline currently set to expire on **February 9, 2026**, in **Case No.2024-CP-18-010459**.

At this time, the transcript matter remains unresolved.

As reflected in prior correspondence, **Tammie Holmes, Court Reporter Manager**, indicated she would review the transcript and follow up. (please see email below)

We are still awaiting that response.

In addition, a related request concerning review of the audio associated with the transcript has not been addressed.

Because these matters remain pending and unresolved,

we are unable to proceed with the transcript through no fault of the appellants.

Accordingly, we respectfully request an extension of time for the transcript deadline.

We will comply promptly once the outstanding issues are resolved.

Thank you for your time and consideration.

Respectfully,

Attia Elbadawy and Lynne Chatlos

Good afternoon.

I just wanted to look at the transcript again to make sure that I didn't miss anything that you were challenging. I know that I have already sent you my ruling where I stand by the written transcript you received. I hope that makes sense.

The Motion is separate from what I am doing.

Thank you.
