Khee'Asia,

We left a message earlier, but know that you are busy.

We made an error last night on the briefs. Instead of adding the references and

updating in the Final Brief, we updated and added the references to the Final Reply Brief.

We will need to drive 45 minutes away again this evening to use a computer to correct our errors.

You were so thorough yesterday and I really appreciate that... I was confident that we had it right, but on our last review we discovered where we messed up.

We will correct this tonight and can have the bound record, loose paper record, the Final Brief (bound) and Final Reply Brief to you by noon tomorrow.

Please let me know what to expect with these changes. Again, my apologies. You did everything right. We just got confused on which Brief was which when we started updating.

Thank you,

Walter R Hoover Jr.
