Hello,

S.C. SUPREME COURT

Im really confused about the status of my case. My case number is 2017GS4205449 and my appeal number is 2019-001570. My conviction was affirmed by the Court of Appeals and I believe there was a Writ of Certarari filed to the Supreme Court. My sister claimed to see a filing of remittitur on the public index, as well as an AG letter. The remittitur was filed or was requested - Im not really sure - on 12/22/25. I havent recieved any updates or anything. I dont know if my Direct Appeal is over with and Im really worried about it. I also dont want to run out of time for future avenues to fight my conviction being that I only have limited times for filing. Im enclosing a stamped and addressed envelope for your convenience. Thank you for any help, information, or clarity you can provide on this matter.
