To whom it may concern:

I am in receipt of the Court's correspondence, dated today, regarding the above-referenced matter. I corresponded with opposing counsel last week and informed him that I would be seeking another extension because I received the transcript at the end of January, and since receipt of the same I have had several court hearings and mediations. Opposing counsel has already, graciously, informed me that he had no objection to this request. I am currently at home sick with the flu, but hope to have a proposed Motion for Extension of Time sent for filing by week's end. I apologize for the delay, and I am grateful for your consideration of the same.

With kind regards, I remain very truly yours
