Good afternoon,

In connection to my below email from yesterday, I was mistaken. We actually did send the filing fee in the amount of \$50.00, check #51693, which cleared our bank on January 8, 2026, but we have not yet received the Order from the court yet and the most recent event information shown on the case management system is the Deficiency Letter of January 2, 2026. We also submitted an Order for Withdrawal in another one of our cases for the same attorney, and the check was written the same day, and cleared the bank the same day as the aforementioned check, and we have already received the Order from the court in that particular case, which was received back on January 22, 2026. Can you please advise as to the status of the Order? Thank you so much.

Good morning,

In connection to the attached document, we have missed the (10) day deadline to submit the filing fee in connection with our submission of Motion to Relieve Counsel.

**RECEIVED**  
**Feb 06 2026**  
**SC Court of Appeals**

How do I go about rectifying this? Do I need just need to refile the Motion and make sure payment is made this time? Please advise. Thank you so much.
