Dear Clerk,

I am unable to send a letter as an attachment. We have been without power or internet for the past eighteen days with no relief in sight. Please allow this email to be my response to the Court's letter concerning the June docket. I have secure leave for the two weeks of the June term. This corresponds with my wife's vacation time, which will be her first in three years. We have plans to travel to New Mexico during that time. Because my wife works at Ole Miss (winners of the Sugar Bowl) she has to take vacation during the semester break. As a result we are unable to change our travel dates. I am therefore requesting that Mr. Thomas' case be set for a later date.

Respectfully submitted,

J. Falkner Wilkes
