Good afternoon, I don't know if this email is going to reach you but this is the only email address I have for anyone. My name is Avis Johnson (2024-001520) and I submitted a motion to recall a remittitur sometime last week but haven't heard anything yet. The court has a put out date for me for tomorrow and I don't know what to do. I don't know if there's a way to stop it but I'm writing to find out. I know today is a holiday and you're with your family but I don't know what else to do. It's an emergency for us, I have 2 small kids living with me and we'll be on the street tomorrow. If there's anyway you can respond back that would be great. I'm so sorry to bother you but this is so important for me right now. Thank you for your time.
